REPORT OF THE EXECUTIVE COMMITTEE

The Executive Committee met at Alexander Baptist Church on October 13, 1930, to decide upon the matter committed to us by the Association in regard to an Association-wide Revival Meeting for 1931. After much discussion, it was decided not to undertake the meeting at this time.

We have recommended two ministerial students as being worthy

of aid in college. They are Broughton Strickland, of Sandy Springs Church and Wendall Grigg, of Cliffside Church.

We met at Avondale on September 18, 1931, and gave our approval of the "Every Member Canvass," which our Southern Baptist Convention is seeking to get every Baptist Church in the South to put on. We urge each of our churches to put on this canvass from November 29 to Dec 6, 1931.

Respectfully submitted,
(Signed) C. C. MATHENEY.

HISTORY OF THE SANDY RUN BAPTIST ASSOCIATION

The Beginning

Too long has been neglectetd the doings of the Saints of the Sandy Run Association.

This Association was composed of nineteen churches coming from the Green River and the Kings Mountain Associations.

It was organized with Bethel Baptist Church in Ellenboro, North Carolina, November 27th, 1890.

The following composed the organization: Bethel, Big Springs, Concord, Forest City, Fairview, Floyds Creek, First Broad, High Shoals, Henrietta, Holly Springs, Mt. Olivet, Mt. Lebanon, Mt. Pleasant C) , Mt. Pleasant (R), Mt. Zion, Mt. Harmony, Sandy Run, Union, and Walls.

The Association was named for Sandy Run, the oldest church in the Association, being organized in 1772.

It is bound by Green River, Catawba, Kings Mountain, and Broad River Associations.

Rev. G. W. Rollins preached the introductory sermon, after which he was elected Moderator and Matt McBrayer, Clerk.

Rev. C. Durham, our first State Mission Secretary, was present to represent all the work of the denomination.

The report on State Missions shows that the Board of Mission had 104 missionaries on the field. The collection for State Missions totaled $78.36.

A vigorous report on Ministerial Support was given by Rev. T. Dixon, Sen.

The report on Education noted an increasing interest in education and commended "our own beloved Wake Forest College," and Louisville Seminary.

The report on Orphanage showed that we had 300 acres, 12 completed brick buildings and 130 children.

The trustees recommended that the churches and Sunday Schools be informed and given a chance to contribute to it yearly.

In the Foreign Mission report, C. Durham said "The number of brethren and sisters from the Baptist churches in North Carolina on foreign fields should stimulate to greater sacrifice than before."

Our Foreign Missions in each of the six great fields occupied are: Italy, Africa, China, Japan, Mexico, and South America.

Pledges for Foreign Missions were taken amounting to $138.00 and $10.00 in cash—total $148.00.

At the second session, Bethany Baptist Church joined our Association.

An additional report was made at this session on The Ministerial Relief Board.

Pledges made and partly paid were as follows: Ministerial Relief $7.20, Home Missions $25.00, Foreign Missions $160.00, State Missions $49.50.

Another new feature was a Sunday School statistical report, showing 121 officers and teachers, 766 scholars, 2,894 church members, pastors' salaries $1,116.87. The largest salary was $175.00. Total gifts in 1891 were $3,172.08. At the third session, Shiloh Church, from Green River, joined this growing Association.

The reports were good but the collections for the various objects were smaller than they were in 1891.

The Association is a great and challenging field. The child is the churches' greatest opportunity. This Association recognized this and has sought to reach, teach, win, and enlist large numbers through the Sunday School.

Names of persons present in the 41st session who were present at the organization are as follows: G. E. Pruette, Mrs. C. R. Whittaker, W. B. Moore, Rev. Z. D. Harrill, J. L. Hamrick, C. R. Whitaker, Q. A. Collins, L. T. Rollins, Mrs. M. J. Walker, S. P. Greene, T. Harris, T. D. Harrill, J. O. Toms, D. B. Lynch, C. A. Jones, J. L. Hamrick, Rev. J. M. Goode.

Respectfully submitted,
D. J. HUNT, Historian.

Upon motion the Constitution was so changed as to have the Historian elected each year as an officer of the Association.

Brethren came from the newly organized Campfield Memorial Baptist Church asking for admittance into the Sandy Run Baptist Association, upon motion the following committee was appointed to examine the articles of faith and credentials of the church and report to the body later. Committee: Z. D. Harrill, B. E. Gold, A. M. McKinney.

The new pastors were introduced and welcomed by the Moderator in behalf of the Association: Rev. J. J. Boone, Camp's Creek; Rev. W. K. Wyatt, Campfield Memorial; Rev. C. F. Taylor, Mt. Pleasant (R); Rev. D. M. Putman, Big Springs, Rev. R. L. Crawford, Adaville.

McMillan, Thomasville.

The following committees were appointed:

Executive: C. C. Matheny, S. C. Welchel, J. A. Hunnicutt, S. C. Gettys, B. P. Parker, J. A. Brock; Time, Place and Preacher: A. G. Hamrick, L. N. Epley, M. M. Huntley; Program: J. A. Hunicuntt, M. D. Blanton, A. C. Lovelace.

The Moderator announced the Preacher's School at Union Mills March 21-April 1, 1932, and urged loyal cooperation and attendance by the preachers.

The time arrived for the annual sermon. Rev. M. D. Blanton read 2 Sam. 19:1-15. The sermon was given by Rev. J. A. Hunnicutt. Texts used 2 Sam. 19:10, Eph. 1:10. Subject: "The Neglected Word." At the close of the message, Rev. R. P. Lamb, Pastor of the Chesnee, S. C., Baptist Church, led in the closing prayer.

Dinner was served in the educational room of the church.

Wednesday Afternoon

The afternoon session started promptly at 1:00 P. M. The song service was led by J. R. Roberts. The devotional services were conducted by Rev. M. M. Huntley. Scripture read, Heb. 1:1-3. Matt. 11:27-30. Rev. W. W. Kimmer led in prayer.

The following were appointed as the Finance Committee and instructed to receive the minute and other money brought to the Association for denominational work: S. C. Gettys, A. I. Jolley, A. M. McKinney. The following motion offered by Dr. S. E. Welchel was adopted: Resolved, That the Association request that the

Annual Associational Sermon by Rev. J. A. Hunnicutt be put in writing and sent to the Biblical Recorder and Charity and Children for publication.

The Committee to examine Articles of Faith and the Credentials of the Campfield Memorial Baptist Church made a favorable report. Upon motion by Z. D. Harrill and second by L. N. Epley, the church was received by unanimous vote into the fellowship of the Association. The Moderator gave the right hand of fellowship to the delegates: Rev. W. K. Wyatt, pastor, Fred Toney, O. L. Melton and L. B. Harris, in behalf of the Association to the church.

The report on the Cooperative Program was read by A. C. Lovelace. Due to the absence of Dr. C. E. Maddry, Mr. Perry Morgan, of the State Mission Board, discussed the Cooperative Program in a forceful and graphic way. Dr. George J. Burnett, of Memphis, Tennessee, was presented and given thirty minutes to discuss the Southwide Every Member Canvass. Dr. Burnette's subject was: "The Mechanics of Stewardship." The report was adopted.

THE COOPERATIVE PROGRAM

What is the Cooperative Program? It is the method adopted by the Southern Baptist Convention for the carrying on of the Missionary, Educational, and Benevolent work. It is a method that will reach, if properly carried out, every member in every Baptist church in the Southern States. How can this be done? It can be accomplished through the leadership of the pastors assisted by the leaders of the churches. It will be done through the Every Member Canvass. This plan of visitation will carry the preachers and leaders into all the homes of the members, even into those which have never been visited before. It will reveal the actual home conditions. It will mean the starting of missionary work "At Jerusalem and to the uttermost parts of the earth."

Will all objects be provided for under this plan? Yes. Local expenses will be provided for under THE LOCAL EXPENSE BUDGET. All other expenses and objects will be cared for under the head of COOPERATIVE BUDGET, in the following per centages of

division based on each dollar:

For State Purposes		For Southwide Purposes	
Convention Debt	33c	Foreign Missions	25 c
State Missions	16c	Home Missions	10 c
Hospital	4c	Seminaries	055c
Ministerial Education	2c	Relief and Annuities	035c
		New Orleans Hospital	01 c
Total	55c	Total	45c

In carrying out the work, some special days and months are suggested for rally days in the Sunday Schools as follows:

For emphasis:

State Missions should be stressed the last Sunday in October.

Home and Foreign Missions should be emphasized in March and April.

Mother's Day contributions should be made the second Sunday in May for our Hospital.

Our Orphanage should be cared for by a day's wage contribution on Thanksgiving day.

If this plan of giving fails, the pastors will be largely to blame for the failure.

Respectfully submitted,

Oct. 7, 1931. A. C. LOVELACE.

The unified budget and the Southwide Every Member Canvass was discussed by Rev. J. A. Brock, Associational Chairman of the Steering Committee.

Dr. O. E. Sams, Vice-President of Mars Hill Junior College, was presented and given an opportunity to speak. Dr. Sams brought greetings from the French Broad Association and Mars Hill College.

The Association adjourned with prayer led by Rev. Z. D. Harrill.

Wednesday Evening

Preceding the service, the Shiloh-Holly Springs Male Quartette sang a number of Spirituals which were greatly enjoyed.

Song: "Am I a Soldier of the Cross?" led by E. J. Hargis. The devotional exercises were conducted by

Rev. T. M. Hester, reading Acts 1:1-8 with impressive comments, prayer by Rev. B. P. Parks.

The following report on B. Y. P. U. work was read by Kenneth Dobbins and discussed by M. D. Blanton. The report was adopted.

REPORT ON B. Y. P. U. WORK FOR 1930-1931

It is is with grateful hearts that we come to report on the B. Y. P. U. work of our Association during the past year. Realizing that the B. Y. P. U. is the training agency of the church, we feel more stress should be placed on this work. It is from the B. Y. P. U. that our church organizations secure efficient workers.

During the year, there was an increase of ten General Organizations, four adult, seven senior, five intermediate, and three junior unions.

The annual Convention was held at the Caroleen Baptist Church on July 25th and 26th. A Saturday night session was held. Being our first Saturday night session, it was most successful. The Convention theme was "Christian Living," and during the Saturday night session Rev. M. D. Blanton made a very inspirational address on the subject: "Living for Jesus by Helping Others." Following this, Mr. Wyman Wood made a short but enthusiastic talk on "Christ's Standard for a B. Y. P. U. Department."

The outstanding features of the Sunday program were addresses by Miss Mary Ayscue, State B. Y. P. U. Field Worker, from Raleigh, and Mr. Martin England, of Mars Hill College, who, during last year, was President of the Western Regional B. Y. P. U. Convention.

Each Associational officer present read a report of the work done during the year. From these reports it was learned that practically three thousand miles had been traveled in the interest of B. Y. P. U. work; that eight District Rallies and one Associational Rally had been held; that almost every church had been visited by some officer; that six officers had attended the Regional Convention and three had attended the State Convention. It was also learned than one hundred fifty dollars had been spent by the officers. The Treasurer's report showed that the total amount received from churches last year was $16.75. Offerings taken at rallies amounted to $6.18. Balance on hand July 26th was $4.55. Each church was again asked to give $1.00 toward the financing of this work. The amount received to date is $10.00.

Sandy Run Association ranked second in the Western region and fifth in the State in the number of study course awards; it led the

State in the number of new organizations.

The Efficiency Banners were won by Florence Junior and Senior unions and Caroleen Intermediate union. Cliffside Adult union was given honorable mention but no adult banner was given.

It was recommended by the Time and Place Committee that a Saturday night session be held next year and that the Convention meet with Cliffside Baptist Church on the fourth Saturday night and Sunday in July. These plans were adopted.

The following officers were elected to serve the coming year: Rev. J. A. Hunnicutt, Pastor-Advisor; Kenneth Dobbins, President; L. E. Dobbins, Vice-President; Ruth Piercy, Secretary-Treasurer; Yates Kendrick, Junior-Intermediate Leader; Mrs. W. L. Hicks, Associate Junior Leader, Bertie Lee Kendrick, Associate Intermediate Leader; Bynum Buff, Chorister; Mary Lou West, Pianist; with the following district leaders: Maude Harrill, Rev. M. D. Blanton, Orell Blanton and Clive Francis.

As we make our plans and undertake even greater things for our Lord this year than we have in the past, we ask the prayers and co-operation of every Christian. We feel that every effort put forth will be amply repaid in the end.

Respectfully submitted,
KENNETH M. DOBBINS, Pres.
RUTH PIERCY, Sec.

Due to the unavoidable absence of Dr. W. A. Ayers, Rev. B. P. Parks read the report on Sunday School Work. Mr. Perry Morgan, State Sunday School Secretary, of Raleigh, discussed Sunday School Work. This was, indeed, a great message. The report was adopted.

REPORT ON SUNDAY SCHOOLS

No work of our denomination has experienced a more pleasing growth during these last years than the Sunday Schools. The day was when a great many of our people felt that the Sunday School was for the younger people alone, but that day, thank God, is gone. Now fathers and mothers meet with their children and are taught at the same hour, and at the same place, the precious truths of the Book of Life.

Our growth in the last ten years, by the Grace of God, has been marvelous. In 1921 approximately 2,000,000 were enrolled in the territory of the Southern Baptist Convention. In this good year of our Lord, more than 3,000,000 men, women and children meet every Sunday in our Sunday Schools. We rejoice in such a splendid truth.

The growth in our good State has a little more than kept pace with this phenomenal growth throughout the South. In connection with this onward march, a number of good men and women have contributed much to the success of this great work.

The fact remains that there are many about us who are not enlisted in this great work of the Lord. This is our challenge. We accept it with a heart full of gratitude that we are able to serve in this great hour.

To the end that we may win others to the Sunday School, and hold those who are enlisted, teaching them more efficiently, there should be launched in every church a program of teacher training. No longer should any teacher or officer be satisfied with doing less than his or her very best. As pastors, officers and teachers, we should ask God to give us more faith, and a "Mind to Work" that we may be a blessing to others.

Respectfully submitted,
B. P. PARKS.

Dr. George J. Burnette brought a great message on the South-wide Every Member Canvass. At the close of this message, the Moderator asked all who would stand by the Program and honor the Lord with their substance to stand. Every one stood.

Upon motion, the body adjourned to meet at 9:45 the following morning. Rev. E. P. White led in the closing prayer.

Thursday Morning

Song: "We've a Story to Tell to the Nations," led by J. C. Jordan. Devotional service conducted by Rev. Z. D. Harrill. The first Psalm was read and impressively commented on, urging the spirit of love among the churches. Dr. S. E. Whelchel led in prayer.

The Moderator asked prayer for the family of a member of Alexander Church, who passed on this morning. Dr. Zeno Wall led in the prayer.

The Journal of the previous day was read and approved.

An offering of $10.00 was taken to defray the expense of Dr. Luther Little, of Charlotte, who was to give

the inspirational address at a later hour during the day. The report on Boiling Springs Junior College was read by Mr. Walter Hicks. The report was discussed by Dr. Zeno Wall and Prof . J. D. Hudgins. Just after Dr. Wall spoke, the Boiling Springs Glee Club sang two songs. The report was adopted.

ANNUAL REPORT TRUSTEES BOILING SPRINGS COLLEGE

The Trustees of Boiling Springs Junior College herewith submit their annual report.

This constitutes our third annual report as a Junior College, and the twenty-fourth as a High School. The Junior College is now fully standardized and is so recognized by the North Carolina Board of Education. Notwithstanding the financial depression in the country and the many difficulties incident to the establishing of such an institution, the College opened on September 1, 1931, with sixty-eight College students and ninety-three High School students.

There are nine departments all headed by teachers holding M. A. Degrees, or better.

For the sake of economy, football, which is by far the most expensive sport, has been discontinued for the year. Well regulated courses in physical education and health lectures will be continued, and basket ball and base ball will be played in season.

The financial condition of the institution, as of June 30, 1931, was as follows:

Total amount of accounts, notes and salaries, payable as per schedules "A," "B," and "C," audit of June 30, 1931	$26,158.82
Total amount of notes and accounts receivable, as per schedules "D" and "E," audit of June 30, 1931	9,523.71
Deficit June 30, 1931	$16,635.11

The terms of the following trustees expire with the meeting of their respective Associations, viz.:

Kings Mountain Association—George M. Gold, J. F. Moore, H. C. Royster, E. B. Hamrick, J. L. Putnam, Z. R. Walker (deceased, term expiring 1932), W. H. Hartsell,out of Association, term entering 1933.

Sandy Run Association—J. J. Edwards, Rev. C. C. Matheny, Dr. W. A. Ayres, Rev. A. T. Stoudenmire, one vacant (by error).

Gaston County Association—R. S. Lewis, J. W. Whitley.

We wish to urge with all emphasis that the churches that have not put the College in their budget do so, as many have already done, for a definite amount to be paid regularly toward reducing indebtedness and for current expenses.

Respectfully submitted,

W. L. HICKS.

This October 8, 1931.

The Clerk read a Digest of Church Letters and was instructed to publish same in the Minutes.

DIGEST OF CHURCH LETTERS

During the past year there have been received 1,031 into the membership of our churches, 557 by baptism, 345 by letter, 19 by restoration and 30 received by statement. During the same time, there have been the following losses:

463 by letter, 42 by exclusion, 85 by erasure, and 102 by death, making a total of 692, giving us a net gain of 339 members, making a total of 12,405.

The contributions for the past year for home expense amounted to $60,732.62. Of this amount, $24,437.42 was paid to the pastors. The churches gave $10,194.18 to missions and benevolences, making a grand total of $70,926.80. It will be noted that our churches gave approximately six times as much for home work as for our general work.

The Sunday School: There are 10,987 enrolled in our 52 Sunday Schools. The average attendance was 6,520 per Sunday. There are 915 officers and teachers. There were 307 of the 557 baptisms in the Association from the Sunday Schools.

The schools gave $4,385.10 to local work, and $1,979.30 to Missions and benevolences.

The W. M. U. have organizations in 24 churches with an enrollment of 978. There are 81 organizations and these gave $2,312.11 to missions, and $1,047.21 to home work.

There are 81 B. Y. P. U.'s in our Association and only 29 of our churches have organizations with an enrollment of 1,754 members.

The Association stood and sang "On Jordan's Bank I Stand." The Moderator introduced Dr. Luther Little, Pastor of the First Baptist Church of Charlotte, who gave a great inspirational address. Dr. Little used for his subject: "Disturbing Visions." The message was

based on the rich young ruler. This was a master soul inspiring message. Dr. Little pronounced the benediction, closing the morning session.

Dinner was served as on the previous day.

Thursday Afternoon

Song: "Count Your Blessings." Prayer by Rev. C. F. Taylor.

The following were appointed to serve as trustees of Boiling Springs Junior College: J. J. Edwards, W. A. Ayers, J. A. Hunnicutt, A. C. Lovelace, A. M. McKinney.

The report of Woman's Work was read by Mrs. T. C. Lovelace and discussed by Mrs. J. A. Hunnicutt, Superintendent of the W. M. U. of Sandy Run Baptist Association. The report was adopted.

REPORT OF W. M. U. OF SANDY RUN ASSOCIATION FOR 1931

Keeping in mind the three-fold object of the organization: That of stimulating a broader religious development on the part of the Baptist women and young people, receiving and distributing missionary information, and encouraging the earnest, sympathetic cooperation of women and children in contributing money for missions at home and abroad, the Woman's Missionary Union of Sandy Run Association has experienced another year of joyous service. We feel truly grateful for the measure of work accomplished in the Master's vineyard. It is due to His divine guidance. However, we are not unmindful of our failures; we realize that at times we have been found wanting.

Our annual meeting was held at Spindale, August 28, with the ladies of the Spindale Baptist Church as our gracious hostesses. This day was one of information and inspiration for us all. Record-breaking attendance, encouraging reports from societies represented, the pleasure of having our State Corresponding Secretary, Mrs. Edna R. Harris, and the joy of hearing Miss Bertha Smith, returned missionary from China, contributed much toward the success of the well-planned program.

The banner for the greatest increase in membership was presented to the women of the Shiloh Church.

Upon the suggestion of the Superintendent, the women adopted the method of grouping churches into districts now in use by the

Sunday School organization and elected leaders for each district. Leaders for each of the young people's organizations were also elected. All of this was done with the hope that many new societies may be organized, that leadership may be developed, and that increasing numbers of the young people may be enlisted.

Our next annual meeting is to be with High Shoals Church the latter part of August.

We gave for Cooperative Program and W. M. U. Specials last year $3,003.22.

The Woman's Missionary Union has, from its beginning, counted Bible study and prayer as necessary fundamentals. Man is asked to join God in a great, purposeful mission of redemption for all mankind, therefore missionary education is undertaken by the women that we may know to what loyalties we must give ourselves. Missions rightly studied unfolds God's pathway through the world and creates in us a greater desire to lead others in the Way of Life.

Personal service offers each of us the opportunity to be a missionary. The W. M. U. plans of work are made that souls may be won through various forms of service. Today the "cup of cold water" takes many forms as we try to follow Jesus into every phase of our complicated modern life to minister to the needs of humanity.

The aim of our Stewardship work is to reach the inactive members of our churches and to stimulate tithing and the consecration of life and possessions for the Master's service.

Our standards are made, our goals are set, our fields are beckoning. May the work of the past year help us more fully to realize our responsibilities and opportunities, and may we go forward to a larger and better work this year as "laborers together with God," "that the world may know" the unspeakable riches of Jesus Christ our Saviour.

MRS. T. C. LOVELACE

The report on Social Service was read by G. B. Pruette and discussed by Dr. S. E. Welchel.

SOCIAL SERVICE IN THE CHURCH

In discussing this subject I shall go back to the Social Service in the early church. Up to the time of Christianity, it was thought that men could be held together by imperial power, but Christianity first intrduced the spirit of brotherhood. They were of one heart and one soul. All moved and worked together for one purpose—to make Jesus savingly known to the world. Not one of them said that aught of the things which he possessed was his own. They had possessions, but they gave them to those in need. None were allowed to go in want. They sold their possessions to establish a common fund for those in need.

Peter's idea of a Church was: "Be ye like minded, compassionate, loving as brothers." John's idea of a Church was: "If God so loved us, we ought also to love one another." Christ's idea of a Church was: "One is your master and all ye are brethren." Every Church must meet the social service plan, else fail in its mission.

The Need for Social Service

"The poor ye have with you always." This was true in the early days, and it is true today. There is a great need for social service in our Churches today. Many are in need, and they are looking to the church to help. We do need a common fund so that no lack be among us, and that the faith be not weakened.

As in the early Church, the deacons were appointed to this work, so today, the leaders and deacons of our Churches, men of good report, should look after the social service program. When we love our fellowmen as ourselves, and work for their salvation as our own, then will the Church flourish, and many will turn to the Lord. We "are our brother's keeper," and we are held responsible for the straying brother, when we lend no helping hand.

Is the Church Carrying on the Social Service Program as Was Outlined by the Early Church?

In a way, "yes"; in a way, "no." In this age of greed and gain, I fear we neglect this part of our work. We do help in a way and in many needy cases, but we are conscious of self in it all, and our boys and girls go down, and many of us fail to lend a kind, sympathetic hand to rescue them. Take our criminal records today. Who are committing the crimes of our country? What are we doing to prevent them This is too alarming for us to go into detail here, but if we were as interested at home, in the church, in our boys and girls as were the early Church, perhaps ther would not b so many seeking other sources of help, rather than looking to God, the Giver of every perfect gift.

Respectfully submitted,

G. B. PRUETTE.

The following resolution was unanimously passed: Resolved: That we, the messengers of the Sandy Run Baptist Association in session at Alexander Baptist Church, Forest City, October 8, 1931, unanimously express ourselves as being unalterably opposed to any modification of the 18th Amendment of the Constitution of the United States.

The following resolution was also unanimously passed: *"Resolved: That we, the Sandy Run Baptist Association in session Oct.* 8, 1931, *do protest to the County Commissioners and officers of Rutherford County the permitting of pool tables, slot machines, and gambling devices at the County Fair and throughout Rutherford County."*

The report on the Orphanage, or Mills Home, was read by Rev. B. P. Parks, due to the absence of Frank Jarvis. The report was discussed by Rev. J. A. McMinan, who gave a fine report of the work at Mills Home.

MILLS HOME

The Baptist Orphanage was first established at Thomasville in 1885 and its doors received its first child Nov. 11th of that year. In recent years, the name has been changed from "Thomasville Orphanage" to "The Mills Home." The Kennedy Home, located near Kinston, is the Eastern branch of the Orphanage and has been in operation since 1914.

At present, there are about 500 children at the Mills Home and 135 at the Kennedy Home. From 50 to 100 applications are being received each month and most of these are being turned away for lack of room. Throug Mother's Aid, 65 of these mothers and their 270 children are being cared for.

Children are received from two to twelve years of age and their training runs through High School. They are given opportunity to do useful labor as well as work requiring skill. Those old enough to work, go to school half the day and are on duty the other half.

There are 56 women and 27 men who devote all their time to the Orphanage. The expense bill averages nearly $600.00 per day or more than $200,000.00 per year.

The Orphanage depends upon the Churches, Sunday Schools and Thanksgiving offerings for its support. There is probably no other orphanage in the world so closely tied up with the Sunday

Schools as ours. The collections from the Sunday Schools have been the chief support almost from its beginning. In recent years, the Thanksgiving offering has been of immense help. Out of more than 2,200 Sunday Schools less than 600 contribute regularly.

The Charity and Children is considered the right arm of our institution. It has become a big business enterprise within itself, giving training to large numbers of boys. The Club plan is followed in many of our Sunday Schools. This plan is to furnish a copy of the paper to each family represented in the Sunday School, and paid for out of the once-a-month collections.

We recommend that every Sunday School set aside the collection of at least one Sunday in each month for the Orphanage.

Second, that the Sunday Schools make a special effort to subscribe for enough copies of the Charity and Children as to provide a copy for each family represented in the Sunday School.

Third, that every pastor and Sunday School Superintendent constantly inform our people of the needs and the great task of supporting our Orphanage; and impress upon us the fact that it is our institution looking to us for support.

Respectfully submitted,

FRANK JARVIS.

Professor W. E. Sweat, of Alexander Schools, Union Mills, was presented and brought greetings from the 221 children in the Homes. The needs and progress of the school were presented.

Obituaries by Rev. M. M. Huntley. The letters show that 102 of our members have been called to their reward. We bow in humble submission to the will of God, knowing that we must follow on. Attention is called to the special page in this minute dedicated to those comrades who have departed this life.

The following resolution was unanimously adopted: *"Resolved, We, the messengers to the Sandy Run Baptist Association, having been entertained by the unbounded courtesy and hospitality of the Alexander Baptist Church and pastor, do herewith express our genuine appreciation and thanks for this courtesy and hospitality."*

Rev. David Roberts was instructed to go out and work for Boiling Springs Junior College, gathering both produce and money for the school.

FINAL STATEMENT BY CLERK

There are now 52 churches in the Sandy Run Association and 51 made reports this year. The 1930 report for Penial was used in the absence of a report.

It is to be noted that the Sunday School Convention, Women's Missionary Union, and the B. Y. P. U. Convention have not been accustomed to sending to the Clerk the proceedings of their annual meetings. This matter should come before these bodies in their next annual session, and the Association and provisions made for the preservation of this historical data.

Getting the material ready for these minutes has been a rather difficult job due to the failure of many clerks in filling out their letters completely. The church Clerks are requested to make their reports to the Association just as complete as possible.

The Clerk calls attention to the Historical table. This material had never been completely gathered before. The Clerk is glad to report that he has a complete file of the minutes.

The Clerk has enjoyed serving in this capacity and appreciates the honor bestowed by the Association. This year he has tried very hard to make the minutes both complete and attractive.

PROCEEDINGS

WEDNESDAY MORNING

The forty-third annual session of the Sandy Run Baptist Association was held with the Mt. Olivet Baptist Church, Ellenboro, North Carolina, October 5-6, 1932.

The Association was called to order promptly at 10:00 A. M. by the Vice-Moderator, Dr. S. E. Welchel.

Dr. W. A. Ayers led the opening song, "All Hail The Power of Jesus' Name," after which Rev. J. A. Brock led the opening prayer.

The first order of business was the enrollment of delegates.

Following the enrollment of delegates, the organization was completed by the election of the following officers to serve for the ensuing year: Moderator, Dr. S. E. Welchel; Vice Moderator, Rev. J. A. Brock; Clerk, Rev. M. D. Blanton; Treasurer, S. C. Gettys; Historian, Frank S. Hall.

Rev. J. A. Hunnicutt presented to the Association a complete file of the Associational Minutes which he had collected. The body gave to him a rising vote of thanks for the gift.

The report on the Order of Business was presented and adopted with the suggestion that the body follow it as closely as possible.

The following new pastors were introduced and welcomed by the Moderator on behalf of the Association: Rev. C. T. Plybon, Alexander; Rev. Lattie J. Knox, Henrietta; Rev. L. L. Jessup, Holly Springs, and Rev. O. R. Flack, Pleasant View.

The following visitors were recognized: Rev. Williams, Chesnee, S. C.; Professor I. N. Carr, Mars Hill College; Rev.

J. M. Page, King's Mountain; J. W. Costner, Representative of the *Biblical Recorder;* Rev. W. H. Wall, Mt. Tabor; Rev. M. O. Alexander, Thomasville, N. C., Representative of the Mills Home, and Rev. J. D. Moose, Charlotte, N. C.

The report on Religious Literature was read by Mr. John L. Scruggs, following which, Mr. J. W. Costner discussed the *Biblical Recorder* for a few minutes. The report was adopted.

REPORT ON RELIGIOUS LITERATURE

The largest contribution we, as Baptists, can hope to make to the Kingdom of God, is through informed churches. The strength, influence and spirit of the churches is dependent upon an informed leadership, backed by an informed membership in our churches. Christ said: "Ye shall know the truth and the truth shall make you free", and there is no way to know the truth of our denominational and Kingdom work excepting through our religious literature. The great need in our denominational life today is for literature which will build character, develop pure minds, and strengthen the religious and moral life of our people. Fortunately we do not have to create such literature but we must create a desire on the part of our people to subscribe for and read the literature which is already provided.

For ninety-eight years the Biblical Recorder has been the official organ of the Baptist State Convention of North Carolina. To read this paper means that one will be informed of the State, Home and Foreign Mission work of Southern Baptists, as well as articles of a variety of other matter of deep interest to Baptist people. The Charity and Children, published at Thomasville, is also another great Baptist paper. Home and Foreign Fields, published at Nashville, Tenn., brings to our people monthly the missionary news of the Baptist world. Royal Service, the W. M. U. organ published at Birmingham, Ala., is one of the most inspiring missionary magazines in print.

In addition to the above periodicals we have the Baptist Book Shop, Raleigh, N. C., where the best of the world's output of books can be had on very short notice. Every Baptist church in this Association should have a library of these religious books. Then in Nashville, Tenn., we have the publishing house of the Baptist Sunday School Board with numerous publications at a minimum cost.

Our people cannot be too earnestly urged to become informed in all matters pertaining to the work of the Kingdom of God. We

should never forget that it takes information as well as inspiration to build strong missionary Baptist churches.

Respectfully submitted,
JNO. L. SCRUGGS.

The Moderator appointed the following committee to examine the Articles of Faith and the credentials of Pleasant View Church which had asked for admission into the Sandy Run Association: Dr. W. A. Ayers, Rev. Z. D. Harrill, and Rev. L. N. Epley.

Professor Frank S. Hall read the Historical Report. The report was adopted.

HISTORICAL SKETCH OF THE ORGANIZATION AND PROCEEDINGS OF THE FIRST TEN ANNUAL SESSIONS OF THE SANDY RUN ASSOCIATION

The Sandy Run Association, now assembled in the forty-third annual session with a membership of fifty-two churches served by thirty-two different pastors with a church membership of 12,405, was organized with the Bethel Baptist Church, Ellenboro, N. C., November 27, 1890, with representatives from nineteen churches having a membership of 2,984 members and ten different pastors. The churches composing the organization were formerly included in the King's Mountain and Green River Associations and were as follows: Bethel, Big Springs, Concord, Forest City, Floyds Creek, Fair View, First Broad, High Shoals, Henrietta, Holly Springs, Mt. Olivet, Mt. Lebanon, Mt. Pleasant (C), Mt. Pleasant (R), Mt. Zion, Mt. Harmony, Sandy Run, Union and Walls.

Elder G. W. Rollins preached the introductory sermon at the organization meeting and was also elected Moderator, with Matt McBrayer and E. H. Byers as Clerk and Treasurer, respectively. The constitution, order of business, rules of decorum, adopted were similar to those of the Kings Mountain Association prior to this time. Sandy Run Baptist Church, Mooresboro, N. C., being the oldest church constituting the newly organized association, having been organized in 1770, the name of this church was selected as the name for the Association.

For the first ten years of its existence this Association met with the following churches in the order named: Bethel, 1890; Forest City, 1891; Floyds Creek, 1892; Sandy Run, 1893; Mt. Harmony, 1894; Mt. Pleasant (C), 1895; Walls, 1896; Union, 1897; Mt. Pleasant (R), 1898; Concord, 1899. The honor of preaching

the introductory sermons during these sessions was extended to Revs. G. W. Rollins, A. P. Hollifield, Z. D. Harrill, E. T. Dixon, G. P. Bostic, E. T. Bright, and J. E. Herring. G. W. Rollins, A. P. Hollifield, F. B. Gaffney and Z. D. Harrill filled the office of Moderator, while Matt McBrayer, B. H. Bridges, T. F. Toms, G. B. Pruett and I. W. Smith served as Associational Clerk and E. H. Byers, J. B. Blanton and A. L. Smart acted as Treasurer. Those taking a prominent part in the work of the Association and an active place on various committees from 1890 to 1899, we find recorded the names of such men of the past as Lee W. Lynch, A. McMahan, T. J. Moss, T. Bright, J. B. Thorn, J. F. Alexander, J. A. Speight, T. C. Harris, Orson Morrow, A. C. Irvin, T. M. Holland, A. J. Bonner, T. Dixon, J. C. Sorrels, B. M. Hamrick, J. M. Gillespie, A. D. Lancaster, J. C. Gettys and scores of others.

Church membership in the Association had increased to twenty-seven by 1899. Those admitted since the organization were Bethany, Shiloh, Cane Creek, Camp Creek, Caroleen, Lavonia, Prospect and Green River.

The appointment of committees to study and make reports on such subjects as were commensurate to the times of their inceptions has been the chief concern and general work of our Association from its organization to the present time. Temperance, Orphanage, State, Home and Foreign Missions, Religious Literature, Ministerial Support, Sunday School Statistics, Finances, Obituaries, and Christian Education are the principal matters of concern to the Association as recorded in the minutes from the date of its existence. It was recommended in the early nineties that a high school in the bounds of and under direct control of the Sandy Run Association be established which reveals the fact that the need of education under Christian influence in those early days was foreseen.

That this Association has always taken a stand to curb and strangle the liquor business in days prior to enactment of the Eighteenth Amendment as well as since its existence is obvious from a recommendation to her people as recorded in the proceedings in the session of 1895, which is as follows: "Do not take nor sell your grains to the distillers; do not fatten your hogs at the still house and do not give the liquor traffic encouragement in any way"; B. H. Bridges, Clerk, submitting the recommendation.

The Association is and has been a great challenging field. Great efforts have been put forth to reach, teach, win and enlist large numbers through the channels of Sunday School activities. The Sunday School statistical report in 1891 showed 121 Sunday school officers and teachers, with 766 enrolled in Sunday schools;

our last statistical report gave an enrollment of 10,987 pupils and 915 officers and teachers.

In former days, pledging and contributing by churches and individuals to causes which the Association fostered and stood for were emphasized. The sessions then lasted for three days with preaching being had on Sundays following the close of the Association with the churches where the sessions had been held. It was not uncommon for two services to be in progress at the same time, one in the church building and another at a stand or brush arbor, as the case might be, both morning and evening. Ministers, delegates and visitors in general remained for these Sunday services in large numbers.

Space forbids reference to and comment upon all the sessions and proceedings of this Association; mention has been made, therefore, of only the first decade of the history of the Sandy Run Association.

Note: Upon request at the first meeting of this, the forty-third annual session of this Association, for all present to stand who were present for the organization meeting at Bethel Church in 1890 we noted such faithful and loyal men as G. B. Pruett, Revs. Z. D. Harrill and J. M. Goode, J. L. Hamrick, Q. A. Collins, L. D. Harrill, a Mr. McKinney, and others whose names we failed to get probably.

Respectfully submitted,
FRANK S. HALL, Historian.

The following committees were appointed:

EXECUTIVE: S. E. Welchel, J. A. Brock, M. D. Blanton, S. C. Gettys, F. S. Hall, J. A. Hunnicutt and W. A. Ayers.

TIME AND PLACE: L. N. Epley.

The time arrived for the Annual Sermon. Rev. Lawrence Blanton read the Scripture Lesson from Acts 3:12-26 and Rev. J. L. Jenkins led the body in prayer. Rev. B. P. Parks preached the annual sermon, using as a text Acts 3:22. He brought a wonderful message on the subject: "Adherence to The Greatest Prophet."

Following the sermon, and on account of rain, the service was continued for twenty-five minutes. The time was given to Rev. M. O. Alexander of Thomasville, N. C., who discussed the Mills Home.

Despite the inclement weather, dinner was served on the church grounds.

WEDNESDAY AFTERNOON

The afternoon session began at 1:05 P. M. After a song Rev. Z. D. Harrill led the group in prayer.

The following committee was appointed to investigate the request of Penial Church to withdraw fellowship from the Association: M. M. Huntley, J. A. Brock and A. G. Hamrick.

The Moderator appointed the following as Finance Committee: A. M. McKinney, John I. Scruggs, and A. I. Jolley.

Mr. A. G. Hamrick read the report on the Cooperative Program, and Rev. J. M. Page discussed it. The report was adopted.

REPORT ON THE CO-OPERATIVE PROGRAM

At the last meeting of the Southern Baptist Convention at St. Petersburg, Florida, the following statement with reference to the Co-operative Program was adopted:

> "That we re-affirm the commitments of previous sessions of this Convention that the Co-operative Program with an annual Every Member Canvass, and the tithe as a minimum of Christian stewardship, is the best plan yet devised or in sight for the financial support of our work."

Through a period of years now, the progressive and forward-looking churches of the Southern Baptist Convention have been slowly moving toward a unification and correlation of all of the local work of the church into a unified budget. The Mission, Benevolent and Educational work of Southern Baptists, both state and Southwide, has also been unified into a budget known as the Co-operative Program. The objects sharing in the Co-operative Program funds are, Foreign Missions, Home Missions, State Missions, Christian Education, Old Ministers' Relief, Orphanages and Hospitals. With reference to the division of the Co-operative Program funds as between state and Southwide or worldwide objects, the Promotion Committee of the Southern Baptist Convention adopted the fifty-fifty ratio as the ideal toward which we would strive.

The funds going to Southwide objects are reckoned upon the basis of 100 per cent and are divided as follows:

	Per Cent
Foreign Mission Board	50
Home Mission Board	23-1/3
Relief and Annuity Board	7
Education Board	3-1/3
Southern Baptist Theological Seminary	3-1/3
Southwestern Theological Seminary	5-1/15
Baptist Bible Institute	3-9/10
W. M. U. Training School	8/15
American Baptist Theological Seminary	1
New Orleans Baptist Hospital	2-1/2
Total	100

Each state convention fixes the percentage division of all funds going to statewide objects year by year.

The Co-operative Program is simply an effort to unify and correlate all of our work into one unified budget, thus enabling every member of the church to share with his gifts, in all of the work of Southern Baptists, at home and abroad.

The time for the simultaneous Southwide Every Member Canvass this year is November 27-December 4. Every association in the South is asked to elect a promotion committee, consisting of a chairman, two pastors, two laymen, one representative from the W. M. U., one from the Sunday school and one from the B. Y. P. U. This committee should organize and begin at once to prepare every church in the association for making the Every Member Canvass.

A. G. HAMRICK.

The Committee to Examine the Articles of Faith and the Credentials of Pleasant View Church made a favorable report. Upon motion to accept the church into the Association, the Moderator invited the pastor, Rev. O. R. Flack, and the delegates—Ed Newton and Theodore Mayse—to come to the front, and, on behalf of the Association, gave to them the hand of full Christian fellowship.

Dr. W. A. Ayers read the report on Boiling Springs Junior College, and President J. L. Jenkins discussed it. The report was adopted with one condition—that a committee be

appointed to consider the second resolution which asked for the raising of two thousand dollars for the college; this money to be raised before the end of the year.

Professor I. N. Carr presented the work of Mars Hill College, and urged the full cooperation of all our Baptist people toward our denominational schools.

REPORT OF TRUSTEES BOILING SPRINGS COLLEGE

This is our fourth annual report as a junior college. The school is recognized by the North Carolina Board of Education as fully standard and is qualified to enter the Southern Association of Junior Colleges, with the exception of one point, and that is an income of $10,000.00 from sources other than from students. Our present income from Sandy Run and Kings Mountain Associations is $5,000.00. Our income outside of funds from students would have to amount to $10,000.00 in order to make the standard of the Southern Association. All members of the faculty have the M. A. degree or the equivalent of one or more years of graduate work.

The enrollment in the college department last year reached sixty-eight. This year we break all past records with the present enrollment of 106.

Last spring, upon the resignation of Dr. Zeno Wall, Rev. J. L. Jenkins, pastor of the Boiling Springs Baptist church, was elected President. Every one recognizes this choice as a very fortunate and happy arrangement in behalf of the school. New members have been added to the teaching force: Miss Mary Lee, head of the music department; Mr. George Bell, head of the language department; Mr. Paul W. Hutchins, coach; Mr. M. A. Williams, head of science department, and Dr. S. E. Welchel, head of the Bible department.

It will be of especial interest of the Association to know our plan of keeping the institution within bounds of its income. Our policy is to live within our income. The total income during the coming year is to be divided as follows:

1. Pay all operating expenses of school, except salaries of teachers.

2. Deduct from the net balance of income ten per cent to be applied to past indebtedness of the school.

3. Apply all of balance of income, or so much thereof as shall be necessary, to the payment of teachers' salaries. If such funds are insufficient to pay such salaries in full, then and in that

event, the funds available shall be divided prorata among the teachers on basis of salaries fixed in contracts.

The above policies should avoid making of debt, should insure a steady payment on all past debts, and should put the school upon a sound financial basis. We beg to submit to the Association two resolutions which were passed by the Board of Trustees at its recent meeting on September 28, 1932:

1. RESOLVED, that we recommend to each church in the two associations that it designate, at the earliest date practicable, a fixed sum which it will raise during the next year, at such time or times, and in such way as it may elect, for the aid of Boiling Springs Junior College.

2. RESOLVED, that we hereby most earnestly urge both associations at their approaching sessions, to take necessary steps to raise this fall at least $2,000.00 to apply on the two outstanding notes which were executed by authorization of the associations to secure funds with which to add necessary equipment to become a junior college.

Respectfully submitted,
W. A. AYERS.

The Committee that was appointed to consider the request of Penial Church recommended that the Association grant the request. The recommendation was accepted, and the request was granted.

The Association adjourned with prayer, led by Rev. Lattie Knox.

WEDNESDAY EVENING

Rev. M. D. Blanton acted as Moderator protem and called the service to order. The Lovelace boys from Caroleen sang "'Neath the Old Olive Trees," following which Professor A. C. Lovelace led the body in prayer.

Rev. C. I. Taylor was elected to serve as Moderator during this service.

M. D. Blanton read the report on Sunday School Work, and Mrs. A. C. Lovelace read the report on the Associational Sunday School Work. Professor A. C. Lovelace discussed these reports. They were adopted.

REPORT ON SUNDAY SCHOOLS

The Sunday school is the teaching department of the church and is one of the most important and productive phases of the church's activities, as a large majority of the members received into the church come from the Sunday school.

This being true, we should be awake to the opportunities and advantages of a live, wide-awake Sunday school.

The best method of building such a Sunday school is to set for a goal the standard fostered by our Southern Baptist Sunday School Board, as time and tests have demonstrated that the best and most effective Sunday schools are those who set the standard as their goal and have not only attained it but are maintaining it.

Respectfully submitted,

B. E. ROACH.

REPORT OF ASSOCIATIONAL SUNDAY SCHOOL WORK

The interest in the Associational Sunday school work, as indicated by reports and attendance, has varied from month to month, but the sum total shows a steady increase, as shown by thirty-two Sunday schools making reports at the October meeting.

The following is a digest of the work of the Sandy Run Sunday School Association from December, 1931, to October, 1932:

Mr. and Mrs. A. C. Lovelace and boys have visited fifty-two Sunday schools, made fifty-six talks, traveled 1,905 miles, written 810 letters and postal cards, held nine general meetings, fourteen group meetings, used sixty-four speakers on the various programs, twenty-two of these speakers being ministers and forty-two other Sunday school workers. Special music has been furnished by fifteen different churches.

General meetings have been held at High Shoals, Spindale, Alexander, Bethel, Caroleen, Prospect, Green's Creek, Mt. Harmony and Cliffside.

The group meetings in April were held at Haynes Memorial, Forest City, Prospect, First Broad, Green's Creek, Bethel, Spencer and Floyd's Creek. These group meetings showed an attendance of 1,143, the largest number of Sunday school workers ever gathered in the Sandy Run Association on any one day.

The group meetings in October were held at Walls, Sulphur Springs, Mountain View, Florence, High Shoals and Mt. Harmony. Two other group meetings will be held the second Sunday in October instead of the first Sunday due to singing convention conflicts. Six out of the eight groups in the October meeting had

an attendance of 1,129—just fourteen less in attendance than all eight groups held in April. The largest attendance at any general meeting was 573 at Cliffside the first Sunday in February, 1932. The smallest number in attendance at any one meeting was 130 at Green's Creek in August, due to the fact that a singing convention was scheduled to meet one mile away.

The month of August led the other months in Sunday schools making reports, the number being thirty-three. The month showing the smallest number reporting was May, twenty reporting.

Total number of people actually attending the meetings from December, 1931, to October, 1932, 4,382.

Total number of Standard Sunday schools in the Association, five.

Respectfully submitted,
A. C. LOVELACE, Superintendent.
MRS. A. C. LOVELACE, Secretary.

On account of the absence of Miss Ruth Piercy, Associational B. Y. P. U. Secretary, the B. Y. P. U. work was carried over until the next afternoon.

The evening session was closed with prayer by Rev. L. N. Epley.

THURSDAY MORNING

The morning session opened at 9:50 A. M. Devotional by Rev. C. M. Taylor and prayer by Rev. W. B. Jenkins.

A motion was passed to include the program committee in the Executive Committee.

The Clerk read the minutes of the previous day. They were adopted.

The following visitors were recognized: Mr. R. E. Price, Rev. E. B. Jenkins, Mr. J. H. Quinn, Rev. and Mrs. W. T. Tate and Rev. and Mrs. H. E. Waldrop.

Mrs. S. E. Welchel read the report on the W. M. U. Work, and Mrs. Broadus Moore discussed it. The report was adopted.

REPORT ON WOMAN'S MISSIONARY UNION

The annual meeting of our W. M. U. was held on August 25 and 26 with the High Shoals church. There were 440 delegates, which was our greatest record for attendance. The reports this year were very encouraging. One of the principal speakers was Miss Alva Lawrence, state young people's leader. The next annual meeting will be held with the Bethel church of Ellenboro on the last week of August.

The division of our territory into four groups should insure an enlarged and more effective work in the future. We now have sixty-two organizations in the Association, with a membership of 1,141. But the number of our unenlisted now stands at 6,198, almost equal to the number in our organizations. Our urgent need is a gradual enlargement. During the past year the banner was won by the Greens Creek W. M. S. for the largest increase in membership. May other churches follow Greens Creek.

As we look forward to the coming year our aim is to renew our effort to reach the great objectives for which our Union stands. Our work stands for Bible study, prayer, enlistment, and soul winning. We stress personal service. We try to preach and practice stewardship. We aim at the enlistment of all our children and young people in every form of missionary work at home and abroad. We instruct through the Bible and through periodicals. We aim at nothing less than the "high calling of God, which is in Christ Jesus".

Respectfully submitted,
MRS. S. E. WELCHEL.

Rev. Lattie Knox read the report on the Mills Home. The report was discussed by Rev. C. T. Plybon who made a motion that the Association request a reduction in expenses at the Mills Home. The motion passed, and the report was adopted.

REPORT OF MILLS HOME

Our Orphanage at Thomasville, now called the Mills Home, has had three general managers. The first was J. H. Mills, the founder, served from 1885 to 1895; J. B. Broome from 1895 to 1905 and the late M. L. Kesler from 1905 until the time of his tragic death recently.

The first child received in the Home was November 11, 1895, the last one, not including Mother's Aid in October, 1931. Total

enrollment since 1885 to the present is 2,916. The present enrollment in the Mills Home and Kennedy Home is 635. Children are received in these homes between the ages of two and twelve and dismissed according to preparation.

Mother's Aid has been in operation for eleven years. We are at present aiding 293 children and sixty-eight mothers.

The chief support of the Mills Home comes through the monthly offerings of our Sunday schools and the annual Thanksgiving offerings. Out of over 2,200 Sunday schools less than 600 are giving regularly every month.

The school work is done on the graded system from the kindergarten through the eleventh grade. All the teachers, which number fifty-six, are thoroughly prepared for their work and the school is, therefore, on the accredited list.

All the boys and girls of school age work half the day and go to school the other half and thus they are trained in body and mind and also in the art of making a life as well as a living.

The Mills Home has a weekly paper, "Charity and Children", edited by Archibald Johnson. Subscription price of the paper is $1 per year or a club of ten or more only sixty cents per copy.

Your Committee would recommend the following:

1. That all our churches put "Charity" in the regular budget of the Sunday school expenses and secure enough copies of the paper for every family of the church.

2. That all the Sunday schools provide to give the proceeds of the Sunday school offering once a month to the Orphanage.

3. That every member of our churches give the amount of one day's wages to the Mills Home at Thanksgiving and thus help to keep our Orphanages clear from debt.

Respectfully submitted,

L. J. KNOX.

The following committee was appointed to draft a copy of resolutions in which a request be made for the reduction of expenses at the Mills Home: Rev. C. T. Plybon, Rev. J. A. Brock, and A. M. McKinney.

The report on Evangelism was read by M. D. Blanton, and discussed by Rev. J. A. Brock. The report was adopted.

REPORT ON EVANGELISM

Almost from the dawn of history the human heart has borne the imprint of sin—the one element in human life that has brought

about the separation of the creature from his Creator. Because of this separation the gospel was given to the world that men might obtain forgiveness from sin. The heart of this gift is Christ, and the spirit of this gift is evangelism. It was the spirit of divine love that prompted heaven to give to earth a Redeemer who, through His death, could redeem men from sin. As we give our people the great truth of evangelism, we offer to them the only remedy for their greatest need.

In song someone has said "The light of the world is Jesus." It is equally true that the hope of the world is Jesus. Since all men have sinned, we need a world-wide revival—a revival in which the spirit of evangelism will lead our church membership after the lost. Evangelism, if rightly considered and accepted of the Lord Jesus, will refuel the flames of Christian love in our hearts for lost people and will lead us to seek them. Brethren, the same spirit that sent Paul throughout the civilized world of his day, the same spirit that sent Philip to the Ethiopian eunuch, the same spirit that prompted Jesus to say, "Go ye into all the world and preach the gospel to every creature", is, today, urging us as a denomination to go our mile in giving to the world the great evangelistic message of Jesus and His love—the only hope for a lost world.

During the summer months encouraging reports came to us from all parts of our Association of the splendid revival meetings. It makes our hearts throb with joy as we think and realize that to a degree, at least, our prayers have been answered. Long have we as a denomination, and as individuals, prayed for a nation-wide, yea, a world-wide revival in which God's people would reconsecrate themselves, and in which unsaved men would turn from the world and accept Christ as their savior. Brethren, having thus partially realized our hopes, shall we not continue in a more determined way, and pray more earnestly that God may have His way with us, and that, as a result of our surrender, even greater numbers may accept Him.

Respectfully submitted.
M. D. BLANTON.

The Moderator appointed the following as trustees of Boiling Springs Junior College: A. I. Jolley, J. U. Rollins, J. A. Brock, W. L. Hicks, and G. B. Pruette.

The Committee on Obituaries consisted of the following men: Rev. G. P. Horn, V. B. Lovelace, and Marvin Sparks.

Rev. W. B. Jenkins brought the Inspirational Address.

His subject was "The Peril of Missions". This was a wonderful message.

Lunch was served on the church grounds.

THURSDAY AFTERNOON

The afternoon session convened at 1:00 P. M. with the Vice Moderator, Rev. J. A. Brock, in charge.

Rev. W. M. Gold conducted the devotional, and Rev. W. K. Wyatt led the opening prayer.

The Clerk read the report on "The Every Member Canvass", and Rev. C. T. Plybon discussed it. The report was adopted.

REPORT ON THE UNIFIED BUDGET AND THE EVERY MEMBER CANVASS

Since the Every Member Canvass Movement has been in operation only for a year and therefore is new, it has been impossible to gather any correct facts and statistics with reference to results. In general, those pastors that I have talked with say that without the use of the Unified Budget and the benefits from the Every Member Canvass movement, the financial strength of the church would be in far worse condition.

Since no church today can escape its responsibility for gathering and handling money, it should employ the best possible methods. Every successful business organization employs a unified budget system and experience shows that all churches which have patterned after large corporations with reference to its finances are successful.

The successful unified budget system should be thoroughly representative in its committee. It should be composed of the pastor, the chairman of deacons, Sunday school superintendent, B. Y. P. U. director, W. M. U. president and possibly three other members. The budget should cover all church expense, such as salaries, insurance, repairs, fuel, lights, literature, et cetera. All offerings made through the Sunday school, B. Y. P. U. and the W. M. U. should go into the one treasury of the church and from this one treasury all expenses should be paid.

The following is a typical small church budget:

Pastor's salary	$ 600
Graveyard	20
Incidentals	28
Sunday school	138
Insurance	24
Debt	540
Janitor	150
Total	$1,500
Missions	300
Total	$1,800

The Unified Budget must have the Every Member Canvass to properly function. Dr. Ayers and Wyman Wood authorize me to say that this Association has been divided into three districts, at each of which will be held from October 24-28 a training school made up of seven members from each church for the Every Member Canvass movement.

On October 31 there will be in every church a church training school. Those members who attended the district school will be responsible for this. Then from November 27-December 4, the Every Member Canvass will be taken.

Respectfully submitted,
WADE B. MATHENY.

The Moderator appointed the following as standing committees for next year: Rev. C. T. Plybon, the Co-operative Program; Rev. W. K. Wyatt, the Mills Home; A. G. Hamrick, Religious Literature; Miss Ruth Piercy, B. Y. P. U.; A. A. Lovelace, Sunday School; W. M. U. Work, Mrs. Chas. McCurry; Evangelism, Ralph Melton; Social Service, C. L. Taylor; Boiling Springs, Lattie Knox, and the Every Member Canvass and the Unified Budget, Dr. W. A. Ayers.

Mr. J. J. Tarlton read the report on Social Service. This report was discussed briefly by several brethren. The report was adopted.

REPORT ON SOCIAL SERVICE

By rendering unselfish social service the church has, in many instances, made its strongest appeal to the world. And through this service it has been able to bring great numbers to understand its spiritual mission. The Master Himself never tired of rendering social service, and He gave specific orders to His followers to continue that work.

The churches of Sandy Run Association are trying to carry out those orders. So much work of this kind is carried on that I am convinced most of the churches do not even keep a record of what they are doing. I sent a questionnaire to half the churches in the Association, in an effort to find out what social service was being rendered. Only four of the twenty-six replied, due, I believe, to the fact that social service is taken for granted and no record kept. But those four replies, all from medium size or small churches, reported 135 visits to hospitals, 140 to shut-ins, 410 to the sick; fifty dollars given to the needy; food and clothing to the value of $150.00 distributed to those in want. Could we get an accurate record of all the visits made, food and clothing distributed, services held, flowers given, and money spent for those unable to attend church services, it would be incontrovertible proof that the church is still carrying on in that "inasmuch as ye did it unto these—" spirit.

The churches have not flagged in their practice of teaching temperance and respect for law and order. That church members should abstain from strong drink, profanity, and all the grosser vices, is now taken for granted. That they should respect and obey laws, every one admits. These attitudes have been built up largely through the teaching and practices of the church members themselves.

So long as there remain want and suffering; so long as there remain intemperance and disrespect for law, and so long as people are influenced spiritually by human acts of kindness, there will be need for continued social service on the part of the church.

Respectfully submitted,

J. J. TARLTON.

By motion Rev. W. T. Tate was given an opportunity to speak to the body in honor of our beloved brother, Rev. D. J. Hunt.

Rev. J. A. Brock presented to the Association the proposal of Professor and Mrs. A. C. Lovelace to give to the As-

sociation a lot adjoining the Baptist Assembly Grounds at Ridgecrest, upon the condition that the Association would build a cottage on it. The following committee was appointed to investigate the situation: Dr. W. A. Ayers, B. P. Parks, J. A. Brock, A. G. Hamrick and A. M. McKinney.

The Clerk read the report on B. Y. P. U. Work, and Rev. J. A. Brock discussed it. The report was adopted.

REPORT OF B. Y. P. U.

Our hearts are made glad as we come again to report the B. Y. P. U. work of our Association for the past year and realize again that God has so graciously blessed us.

We were especially happy during the year to have the close association of a Pastor-Advisor, Rev. J. A. Hunnicutt. As he, by the guidance of the Holy Spirit, has so wisely led, the other officers joyfully followed.

The annual convention was held at the Cliffside Baptist Church on Saturday night and Sunday, July 23rd and 24th. We were indeed fortunate to have Dr. Luther Little, of Charlotte, bring to the Convention an inspirational address for the Saturday night session. On Sunday we were happy to have with us State B. Y. P. U. Secretary, Miss Winnie Rickett, of Raleigh, and State B. Y. P. U. President, James A. Ivey, of Asheville.

Due to the fact that some unions were organized and were not reported to associational officers we cannot make an accurate report of organizations but we feel sure that a B. Y. P. U. spirit has been created that will continue through the years to come.

During the year eight district rallies and one associational rally were held; practically three thousand miles were traveled in the interest of B. Y. P. U. work; almost every church was visited by some officer. The Treasurer's report showed that considerably more money was paid out for the actual expense of the work during the year than was taken into the treasury.

The Efficiency Banners were presented to Florence Seniors, Henrietta Intermediates, Caroleen Juniors, Cliffside Adults and Caroleen General Organizations.

We realize that there are many who are not enlisted in any union. Many churches do not foster the organization at all. We accept this challenge. We accept it because we know that in every hour of trial and every hour of need God will be with us, even unto the end of the world. So with our faces turned ever toward

the right may we, as the Apostle Paul has said, press on toward the mark of the prize of the high calling of God.

Respectfully submitted,

RUTH PIERCY, Association Secretary.

The resolution committee for Boiling Springs Junior College made the following recommendations:

First, that each church place Boiling Springs Junior College in its budget, and that each church that does not have a budget take special offerings for Boiling Springs Junior College.

Second, that a special offering be taken in each church on any Sunday from now until, and not later than, the second Sunday in November, 1932, to be applied on the special indebtedness.

This report was accepted, and discussed by J. H. Quinn.

The Committee on Sunday School Work recommended that the Association elect each year the Superintendent of our Sunday School Work. This report was adopted.

The Associational Treasurer, Mr. S. C. Gettys, made his report. The report was adopted.

REPORT ON RELIGIOUS LITERATURE

When Baptists were young in the South there was little literature that they could call their own. The Bible was about their only literary tie. But this is no longer true, for literature of a distinctive Baptist nature is now published to meet every need we may have. Besides books there is periodical literature to cover every phase of our work both here and abroad.

As to the matter of books—We are awaking to the fact that a cooperative and corporate ownership of books is a saving and a vital necessity to the promotion of our program. The Sunday School Board has, therefore, initiated a library movement among the churches. Churches are to own religious books and loan them to the people to promote religious interests just as public libraries loan books to promote civil interests. It is good to report that many churches are beginning libraries for Study Course books and for other books which a church needs.

As for periodical literature—Books do not meet the need for timely report and discussion of current events, news about our work, and suggestions to be used in the local churches, so we have periodical literature. The Biblical Recorder will shortly be celebrating a century of service to such a need. At present there are about 317 subscribers in this entire association, or one subscriber for about every forty Baptists. I judge from these proportions that for every one who reads the Biblical Recorder in the Sandy Run Association there are about thirty-five who never see one.

Now for a recommendation or two—Our problem is no longer one of creating a literature. It is a matter of prevailing upon the churches to give the available literature to the people. To do this every church should have a well-planned library. And your Committee would recommend that the churches take the responsibility for seeing that the state Baptist weekly goes to the people in somewhat the same way many of our Sunday Schools distribute the Charity and Children. And above all do not, in a moment of despair to balance your budget, lessen your bill for books or literature, for if you do your workers and work will go crippled.

Very respectfully,

CHARLES A. MADDRY.

Mr. Frank S. Hall read the historical report. This report was adopted.

HISTORY OF THE SANDY RUN ASSOCIATION

(Continued from last year's report—1900-1920)

From the years 1900 to 1919, inclusive, the annual meetings of the Sandy Run Association were held with High Shoals, Big Springs, Immanuel (Caroleen), Shiloh, Cane Creek, Mt. Pleasant (C), Forest City, Henrietta, Boiling Springs—joint meeting with Kings Mountains Association—Cliffside, First Broad, Mt. Olivet, Sandy Run, Greens Creek, Concord, Floyds Creek, Camp Creek, Trinity, and Shiloh Baptist churches, respectively. Introductory sermons were preached by J. D. Goode, H. D. Harrill 2, J. D. and C. L. Dowell, H. C. Harrill, J. M. Hamrick 3, Z. D. Harrill, J. Q. Adams 2, R. H. Herring, C. T. Tew, J. M. Walker, G. G. O'Neil, J. H. Graham, T. C. Holland, D. J. Hunt, and W. T. Tate. Associational officers during this time were as follows:

Moderator—	Z. D. Harrill	16 years
	J. M. Hamrick	2 years
	G. B. Pruett	2 years
Clerk—	J. W. Smith	1 year
	G. B. Pruett	14 years
	A. M. Lovelace	2 years
	A. L. Smart	3 years
Treasurer—	A. L. Smart	1 year
	J. B. Blanton	1 year
	J. R. Moore	1 year
	T. L. Harrill	6 years
	T. M. Holland	10 years
	R. I. Jolley	1 year

During this period number of churches in the Association had grown from twenty-nine to forty-five; church membership from 4,347 to 7,849; Sunday School officers and teachers from 181 to 376; enrollment in the Sunday Schools from 2,273 to 7,849; ordained ministers from twenty-one to thirty-four.

Among the churches becoming members of this Association during this score of years we note the following: Greens Creek, Cherokee Creek, Sandy Springs, Broad River, and Hicks Grove by letters from the Green River and Broad River Associations; Caroleen, Cliffside, Sandy Level, Southern, Silver Creek, Goodes Creek, Adaville, Sulphur Springs, Bostic, Trinity, Race Path, Mountain View, Spindale, Drewery Dobbins, Alexander Haynes Memorial, and Smiths Grove as new churches.

Our Association has always stressed the matter of and concerned itself with Religious Literature, Christian Education, Missions, Orphanage, Ministerial Support and Relief, Temperance, Sunday Schools, Woman's Work, Obituaries, etc., with emphasis placed on Christian Education, particularly so for the time we are now considering, viz., 1900 to 1920. The establishment of a high school in the bounds of the Sandy Run Association had received due consideration prior to 1905, but it was not until that date when a recommendation was adopted by the Association to cooperate with Kings Mountain Association in erecting and operating a high school at Boiling Springs to be the joint property of both associations, had any definite action been taken towards the establishment of such an institution of learning. This school opened in temporary quarters October 1, 1907. The records and history of this school from that time on is well known to every one who is acquainted with the activities of the Sandy Run Association.

It is of interest to note that—

1. Woman's Work was not recognized until 1903; given a regular place on the program in 1910.

2. Caroleen Church joined the Association under the name Immanuel.

3. Henrietta withdrew membership from the Association in 1902, rejoined in 1903.

4. Church paying most to all causes in 1900 was Caroleen.

5. Church paying the most in 1919 was Cliffside.

6. Among the ordained ministers in 1900, six were living and active in the Lord's work in 1920, they were: S. A. Bridges, B. P. Green, H. D. and Z. D. Harrill, T. C. Harris and B. M. Hamrick.

7. Regular time of meeting was changed in 1916 from Thursday to Wednesday before the second Sunday in October.

8. Active and influential men in early history of the Association who had departed this life and passed to the Great Beyond were A. McMahan, A. P. Hollifield, John Ruppe, Newton Bridges, T. J. Moss and quite a number of others.

Respectfully submitted,
FRANK S. HALL, Historian.

Pleasant View Baptist Church made a request that the Association no longer recognize the name of Pleasant View, but that it recognize the name of Wilson Baptist Church instead. There were no objections to the request—hence this church will be known as Wilson Baptist Church hereafter.

The Scripture lesson, Phillipians 2:2-18, was read by Rev. Chas. A. Maddry, and the annual sermon was preached by Rev. Chas. T. Plybon. He used as a text Proverbs 4:18. This was a marvelous message and very fitting for the occasion.

Adjourned for lunch.

WEDNESDAY AFTERNOON

The devotional was conducted by Rev. J. W. P. Hill. He read for the Scripture lesson Matthew 28:16-20.

The Mills Home report was read by Rev. W. K. Wyatt. Mr. R. D. Covington, Treasurer of Mills Home, discussed the report. It was adopted.

REPORT ON MILLS HOME

Mills Home, our Baptist Orphanage, was established in the year 1885, and without doubt the past year has been the most trying in a financial way of any year. In spite of all this, the workers of the Orphanage and those in charge of its work have kept the faith of Him who always leads those who seek His leadership.

All during the past year both branches of the Orphanage have been filled to capacity and many have been turned away.

The management of the institution has been wise, and expenses have been cut to the limit; yet, good work has gone on and 632 children have been cared for and trained. In addition to this, 293 children were cared for through Mothers' Aid Department; hence, our Orphanage now is caring for 925 children.

Our Association has helped to the amount of $936.58 since our last meeting. There are fifty-two churches in our Association and eight of this number have not contributed at all to the work.

The Orphanage needs our full cooperation, and may we remember the commandments of our Lord and rally to the support of the Orphanage.

W. K. WYATT, for Committee.

Rev. Lattie Knox read the report on Boiling Springs Junior College, and both he and President J. L. Jenkins discussed it. The report was adopted. In addition to these discussions and upon a motion to extend the time Mr. Quinn of Shelby presented a brief survey of the indebtedness of the institution. Following this discussion a mixed quartet sang a song.

REPORT OF BOILING SPRINGS COLLEGE

Christian Education and Boiling Springs Junior College

The report on Christian Education to the Sandy Run Association is in reality a report on Boiling Springs College around which our devotion to Christian Education has centered for a quarter of a century.

Your Committee begs to make the following report. Boiling Springs College has met all the requirements for standardization by the State Board of Education of North Carolina and is therefore an accredited Baptist Junior College. The College has also met its

requirements of the Standard Association of Southern Baptist Colleges in secondary schools, excepting an income of $10,000 over and above tuition and fees. This requirement has not been reached.

The College closed its fourth year June 30, 1933, without incurring a single cent of indebtedness; due to the contract that it had with its teachers it was able to pay some on its back debts. Teachers worked at a great sacrifice for the sake of enabling the school to survive the present financial depression.

The Board of Trustees contracted with the teachers to take the school and operate on income basis as follows: All operating expenses to be paid cash. Ten per cent of all that was left to be set aside to pay the creditors and that which was left to be divided pro-rata among the teachers. Thus the school operated last year without creating debts.

The enrollment this year is equal to that of last year despite the fact that we are passing through the most trying stages of present depression. The spirit of the student body is excellent and it occurs to those in charge that the type of students is far above the average. All the members of the faculty are consecrated Christians and capable teachers and are showing remarkable spirit of loyalty to the institution by their sacrificial service.

The terms of the following trustees of the Sandy Run Association expire with the meeting of the Association: Dr. W. A. Ayers, Mr. J. J. Edwards, Rev. J. A. Hunnicutt, Professor A. C. Lovelace and Mr. A. M. McKinney.

Your Committee recommends that all the churches of the Sandy Run Association pledge themselves to the support of Boiling Springs College wtih their finances, prayers and patronage.

Respectfully submitted,

LATTIE KNOX.

By motion the body approved the decision of the Trustees relative to Boiling Springs Junior College.

The Moderator appointed the following committee to examine the credentials and articles of faith of Corinth Church which had applied for admission into the Association: Rev. C. T. Plybon, Rev. E. P. White, and Rev. J. W. P. Hill.

At this time the Moderator appointed the following committee to nominate new members for the Board of Trustees of Boiling Springs: Rev. T. M. Hester, Rev. Lattie Knox

and P. C. Hawkins. Those who are nominated are to replace those whose time has expired.

Mrs. Charles McCurry read the report on W. M. U. work. This report was adopted.

REPORT OF W. M. U.

The Woman's Missionary Union of the Sandy Run Association held its annual meeting August 30, 31, 1933. The Bethel church, Ellenboro, was hostess to the Association.

Despite the downpour of rain a large number of delegates were present. As we close the year's work we cannot but stop and thank God for His guidance, and for the faithful, efficient officers he has provided for the Association.

Since we last met the ladies of the Association have given to the Cooperative Program $1,244.93.

At the annual meeting Mrs. Broadus Moore, young people's leader, and Mrs. J. A. Hunnicutt, associational president, presided. A splendid and most interesting program had been planned. Some of the interesting things on the program were a stewardship pageant given by the young people of the Association, and a playlet presented by the Alexander church.

We were fortunate to have as our speakers Rev. Jacob Gartenhaus and Mrs. Edna R. Harris.

The banner was won by the Cliffside W. M. U.

On resignation of president, Mrs. J. A. Hunnicutt, Mrs. S. N. Watson was elected, but could not serve. Mrs. G. G. O'Neil, assistant W. M. U. superintendent, will serve as superintendent the coming year.

Mrs. Broadus Moore also resigned her work as young people's leader, and Mrs. E. J. Hargis was elected to this office.

The meeting next year will be held with the First church of Forest City, the latter part of August.

As we stand at the door of a new associational year with closed gates behind us and a wide open gate before us, let us resolve to give of our best "That the world may know", and by the grace of God we hope to launch out into the deep and do greater things for the Master.

Respectfully submitted,
MRS. CHAS. McCURRY.

At this time Morgan's Chapel church requested admission into the Association. This request was accompanied

by a letter of dismission from North Spartanburg Association. Upon the recommendation of this letter the Association received Morgan's Chapel Church into full fellowship. The Moderator gave to the representatives of Morgan's Chapel the hand of full Christian welcome.

Upon the recommendation of the Committee appointed to examine the credentials and articles of faith Corinth Church was received into the Association at this time, and the delegates were given the hand of Christian welcome.

The Moderator appointed the following committee to consider the request of Penial Church to be admitted again into the Association: Mr. A. G. Hamrick, Rev. M. M. Huntley and Rev. Z. D. Harrill. After this committee had conferred with the delegates from Penial Church, they recommended that the Association receive the church again. The recommendation was accepted and Penial Church was restored to full fellowship again.

At this time the Committee on Time, Place, and Preacher made its report.

TIME: Wednesday and Thursday after first Sunday in October, 10-11, 1934.
PLACE: Forest City, First Baptist Church.
PREACHER: Rev. Chas. A. Maddry.
ALTERNATE: Rev. T. M. Hester.

A motion was passed to send minutes only to the churches that pay for them, and to send each church the number of minutes for which it pays.

After a song the Association adjourned until the evening service.

WEDNESDAY EVENING

The meeting was called to order by the Moderator at 7:30 P. M. The choir had charge of the devotional service. After several songs Rev. T. M. Hester led the group in prayer.

The young people of Caroleen gave a splendid playlet after which Miss Ruth Piercy read the report on B. Y. P. U. work. The report was discussed by Mr. Kenneth Dobbins after which it was adopted.

REPORT ON B. Y. P. U.

The annual convention of the Baptist Young People's Union of the Sandy Run Association was held on July 22-23 with the First Baptist Church of Forest City. At this meeting twenty-one churches were represented. Miss Winnie Rickett, State B. Y. P. U. Secretary, made an inspiring address during the Saturday night session, using as her theme "Looking Unto Jesus".

During the year four district rallies and two associational rallies were held; more than three thousand miles were traveled in the interest of B. Y. P. U. work and complete organizations were set up in those churches where no unions had previously been organized. We regret that we cannot report the actual number of unions organized, due to the fact that, in many cases, where an associational officer was not present at the organization, they were not reported to the President or Secretary.

The officers who have served during the past two years should like to take this means of expressing to Rev. J. A. Hunnicutt, who has served as Pastor-Advisor, their appreciation for cooperation and services rendered. We are grateful for the close association of this great man of God, and our sincere love is extended to him.

The officers elected to serve during the year 1933-34 are: Rev. J. A. Brock, Pastor-Advisor; Rev. Lattie Knox, President; Fred Galloway, Vice President; Mary Lou West, Secretary-Treasurer; Floyd Harrill, Mildred Beason, Wyman Wood and Arthur Pate, District Leaders; Carl Jordan and Reba Matheny, Chorister and Pianist.

We are happy to report that the young people of our Association are taking a greater interest in the training program of the church, adults are realizing a greater need for co-operation and pastors are seeing more workers come from the B. Y. P. U. into other fields of service.

The B. Y. P. U. Aim, "Training in Christian Service", brings to old and young alike a challenge both to leadership and to followship. May we join the great host of B. Y. P. U. members and "look unto Jesus, the author and finisher of our faith."

Respectfully submitted,

RUTH PIERCY.

Mr. A. G. Hamrick read the report on Sunday School work. Both he and Rev. Charles A. Maddry discussed the report after which it was adopted.

REPORT OF ASSOCIATIONAL SUNDAY SCHOOL WORK

Greater interest has been manifested in Sunday School Work this year than has ever been before. We had fifty-two churches in the Association with fifty-two Sunday Schools functioning regularly.

Some of the finest meetings ever held were held up to July 2nd by our former Associational Sunday School Superintendent, Prof. A. C. Lovelace. His year's work was leading up to the Sunday School Revival, the greatest achievement of any Baptist body in Sunday School work in the history of the world. All fifty-two churches took part at the same time, with workers provided by State Sunday School Secretary Perry Morgan. Bro. Perry Morgan, L. L. Morgan, and Bro. Jasper Barnett took active parts in the management of the Revival.

Some of the outstanding accomplishments of the Revival are: enrolled in classes 6,000, 751 new officers and teachers were added to the Sunday Schools; Cherokee Creek Church had largest class of 257; Prospect was second with 230 enrolled, Shiloh next with 220, and Holly Springs fourth with 207 enrolled. According to the reports we have had an increase in average attendance of approximately 2,500. Standard Sunday Schools this year twelve, a gain over last year of seven.

Your new Associational Superintendent and Secretary, in the three months of their service, have visited fifteen churches, written 300 letters, post cards, programs, traveled 500 miles, and spoke fourteen times.

Last October meeting we had present	1,407
In the April meeting we had present	1,584
October, 1933, meeting we had present	1,600
Total present in all the meetings of the year	6,452
Average number present per meeting	537

Respectfully submitted,
A. G. HAMRICK, Superintendent.
MRS. A. G. HAMRICK, Secretary.

The Association recognized and put its approval upon the following people for the different offices indicated below:

Associational Sunday School Superintendent: Mr. A. G. Hamrick.

Associational Sunday School Secretary: Mrs. A. G. Hamrick.

District leaders for B. Y. P. U. work: Forest Hunt, Ruth Atchley, Alba Padgett, Max Pruett and Hugh Armstrong.

District leaders for Sunday School work: L. C. Price, A. M. McKinney, J. L. Scruggs, C. H. Wilson, G. M. Cole, Vance Price and B. E. Roach.

Upon motion the body adjourned.

THURSDAY MORNING

The meeting was called to order at 9:45 A. M. by the Moderator. After a song Rev. T. M. Hester conducted the devotional, using as a Scripture lesson Phil. 4:4ff.

The proceedings of the previous day were read and adopted.

Rev. C. T. Plybon read the report on the Cooperative Program. This report was discussed by the following brethren: Foreign Missions, no discussion, but a written report submitted by Rev. E. P. White; Home Missions, Rev. C. C. Crow, and State Missions by Mr. M. A. Huggins.

REPORT ON THE COOPERATIVE PROGRAM

This report will undertake to tell what the Cooperative Program is, how it works, and why we should support it.

In the first place, what is it? In short it is a plan which involves a program of work, and this program attempts to carry on the things which Jesus began to do. It provides a plan of cooperation through which each Baptist and each church may share in the great task of teaching, preaching and healing in all parts of

the earth; in fact, it enables each individual and each church to join with others in doing the very things which Jesus began to do, and did, and commanded us to do, both at home and abroad. The plan through which we attempt this is what we call the Cooperative Program. If you will turn to the Gospel according to Luke and chapter 4, and verses 16-21, and read you will find what the program of our Lord was, and in this teaching, healing and preaching program which Jesus started each Baptist can have a part.

In the second place, how does it work? We believe that Paul knew whereof he spoke when he admonished the early Christians "to lay aside on the first day of the week as God has prospered." In this program each Baptist is asked to follow Paul. These gifts are combined with those of other Baptists in other churches, which constitute a general fund. Then this fund is divided on a percentage basis by the State Convention and the Southern Baptist Convention and in this way it is possible for each individual Baptist to have a share in promoting the whole program of Jesus.

Finally, why should we support this plan? We venture to give just a few reasons;

1. FELLOWSHIP. Fellowship is a beloved word among Baptists. This plan provides that individual Baptists, though widely separated, may enjoy a fellowship of ministry to the world's need.

2. COERCION. Coercion is a hated word among Baptists. This plan provides for a voluntary cooperative effort which can be far more effective than an effort which depends upon coercion, because it makes for a spiritual unity which is from the inside out and not from the outside in.

3. As stated above, through the operation of this plan the individual Baptist can have a share in promoting the world program of Christ, a thing which is quite impossible apart from cooperation.

4. It provides a plan whereby each may make his or her gift intelligently. The world field in which Baptists are trying to carry on is so great and complicated that very few Baptists can possibly know where the need is the greatest. A group, however, who are acquainted with these needs can take the dollars which Baptists give and divide them so as to render the greatest service and supply the most urgent needs. In most of our relationships wise people follow the lead of those who are in position to know. Why, then, should we not follow this plan with the gifts which we make for the cause of Christ.

As goes the Cooperative Program so goes the welfare of the objects which Baptists have held so dear through the years gone by. Let us go home to press the Cooperative Program this fall as we have never done before.

Respectfully submitted,
CHARLES T. PLYBON.

Several visitors were recognized among whom was Rev. C. C. Matheny, a former pastor and Moderator of this Association, and his wife.

Rev. W. C. Francis read and discussed the report on Evangelism. This report was adopted.

REPORT ON EVANGELISM

From the very creation man became sinful and must have a Redeemer. So God sent His only begotten Son into the world, to minister to the greatest need of man, the soul. So any man or woman who has not been born again is a lost person. The greatest need of the world is Jesus in the hearts of all men.

Jesus is the Light of the World as the Scriptures teach, but it is just as true, he is the Hope of the World, so we as ministers of the Gospel should covenant together to give the evangelistic message of Jesus and His love to our churches, and to the whole world, as Jesus commissioned his disciples.

We are made to rejoice as the encouraging reports come to us from all parts of the Association, from various churches; we feel that to some degree our prayers for a world-wide revival are answered; and may this be the prayer of all of our people. As to the future we believe that the Sunday School Revival that was put on in our Association will help to send the evangelistic message to a great number of our people who are unconverted—the message of Jesus.

May the day soon come when the world will hear the message and accept the Gospel of Jesus Christ, our Lord and Master. Will that be our message in sermon, in prayer and in song.

Respectfully submitted,
R. G. MELTON.

Dr. W. A. Ayers discussed the Cooperative Program and the Every Member Canvass.

Adjourned for lunch.

THURSDAY AFTERNOON

Rev. L. N. Epley conducted the devotional.

Rev. W. M. Gold made the report on Obituaries.

REPORT ON OBITUARIES

Since our last annual gathering the Lord has seen fit to call home one hundred of our brothers and sisters. Six of these were deacons, and doubtless all deserve special notice. We only use space to mention Brother G. B. Pruett, of Bethel church, who faithfully served as associational clerk for many years, and also several terms as moderator. He also worked untiringly all over the Association in strengthening and upbuilding Sunday schools.

Respectfully submitted,

W. M. GOLD.

A motion was passed to pay the Clerk the usual amount for his services. Included in the motion was the recommendation that this amount together with all the expenses of mailing, mileage, and clerical work be paid first, and that what money remained be used to pay for the printing of minutes.

The following committees reported at this time:

Nominating Committee for Trustees of Boiling Springs Junior College. Since Mr. A. C. Lovelace had moved away, his place was to be filled; and since Mr. G. B. Pruitt had died, his place was vacant, in addition to the five men whose time was automatically expiring. Therefore, seven men were nominated instead of the five as usual. They were: Rev. Chas. T. Plybon, Rev. Lattie Knox, A. M. McKinney, Rev. J. A. Hunnicut, Dr. W. A. Ayers, Rev. Chas. Maddry, and A. G. Hamrick.

S. C. GETTYS, Treasurer.

At this time Rev. C. C. Matheny brought a brief but inspiring message.

Report on Social Service, Law and Order was read by Rev. C. L. Taylor. The report was adopted. It was discussed by Mr. R. E. Price after which he introduced Judge E. Y. Webb who brought a wonderful message relative to the whiskey problem, and he urged all the people to stand firmly by the Eighteenth Amendment.

REPORT ON PROHIBITION

The nation has never witnessed a darker, more diabolical, underground conspiracy to destroy law and dethrone righteousness than is now being carried on by "The Association Against the Eighteenth Amendment." This Association is financed by a large number of millionaires and has all the money it can possibly spend for purposes of propaganda. Why do wets want the Prohibition law repealed?

1. Before the Eighteenth Amendment, forty foreign nations were selling the United States millions and millions of dollars in liquor each year. They said their liquor sales were cut seventy-five per cent, and their liquor dealers lost one billion dollars in five years on account of the Eighteenth Amendment. They met in London and organized an association known as The International Association Against American Prohibition. They raised a campaign fund of $5,000,000 to break down our prohibition and said: "We have millions of money we will spend in a merciless fight to destroy prohibition in the United States. We will see that the Volstead Act is modified and the Eighteenth Amendment repealed."

2. A few multi-millionaires, brewers and distillers in the United States organized an association to help the foreign nations repeal the Eighteenth Amendment. Nearly a million a year is contributed for propaganda, to control the press, news agencies, journalists, to say prohibition is not enforced and is a failure. The object is as they acknowledge, tax liquor and shift their taxes

down on the backs of the farmers, factory workers, small businesses and industries.

Jesus said to His disciples, Jno. 21:22: "Follow thou me." Christians, follow Jesus all the way all the time, and He will lead us on to a glorious victory in His blessed name.

Respectfully submitted,

C L. TAYLOR.

FINAL STATEMENT BY CLERK

There are now fifty-five churches in the Sandy Run Association. Fifty-four of them made reports this year.

Getting the material ready for the minutes has been a difficult task due to the fact that some of the church letters were not complete.

As clerk of the Association may I make the following suggestions to the individual clerks of the different churches:

1. See to it that your church letter is complete before the Association meets.

2. Please be accurate in your figures. When additions are incorrect, the report is incomplete.

3. Remember that we are doing the Lord's work, and He deserves the best of our ability.

4. In order that the minutes may be the very best possible, I need your help and cooperation.

5. I am saying these things in order that our Lord's work may go on in a greater way, and that He may be glorified through our efforts to carry on His work here in the world.

I have enjoyed serving the Association in this capacity, and I appreciate the honor bestowed upon me by the Association. This year I have tried very hard to make the minutes both complete and attractive.

PROCEEDINGS

WEDNESDAY MORNING

The forty-fifth annual session of the Sandy Run Baptist Association, convening at 9:45 A. M., was held with the First Baptist Church, Forest City, North Carolina, October 10-11, 1934.

After a song, led by Mr. R. L. Jolley, Rev. J. A. Hunnicutt conducted the devotional.

The first order of business was the enrollment of delegates. Following this, a number of new pastors and visitors were recognized.

The report on Religious literature was read by Z. W. Greene and discussed by J. M. Page.

REPORT ON RELIGIOUS LITERATURE

For almost one hundred years the Biblical Recorder has been serving the Baptist of North Carolina and the world. The sixty-four stockholders, who have been publishing the paper at a financial loss, have but one aim—that of extending the Reign of Christ.

People are largely influenced by what they read. The Biblical Recorder seeks to bring to the Baptist a Christian interpretation of the news, local and general, concerning our schools, churches, Sunday Schools, B. Y. P. U's, W. M. U. and layman's work. It presents news from our missionaries at home and abroad, and hence informs the reader of what is being accomplished.

Never before was there a time when our boys and girls stood more in need of wholesome literature which will instill in them high ideals and create a desire for pure living. Therefore, we recommend that churches of the Association undertake the task of at least putting the Biblical Recorder and Charity and Children in every Baptist home within its bounds.

Very respectfully,

Z. W. GREENE

Following this report Mrs. C. A. Maddry gave a very interesting discussion of Charity and Children and other periodicals.

The report on the Mills Home was read by Rev. Wyman Wood and discussed by Mr. I. G. Greer, superintendent of the Mills Home.

REPORT ON MILLS HOME

This marks the forty-ninth year in the life of our Orphanage, now known as the Mills Home. It has been a successful year, even though the circumstances must have been trying at times. Five hundred children have been taken care of at the Mills Home, one hundred at the Kennedy Home, (near Kinston, N. C.) and one hundred and seventy-two in the Mother's Aid Department. Eleven of these children came from our Association.

Expenses, including all phases of the work were cut, in round numbers, thirty-nine thousand dollars in 1933. The income from all departments in 1933 exceeded the expenses twelve thousand, four hundred and thirty dollars.

Forty-five churches of our Associations contributed one thousand, four hundred dollars and thirty-six cents from Oct. 1, 1933 to Sept. 10, 1934. The ten remaining churches gave nothing.

Respectfully submitted,

WYMAN E. WOOD

Rev. Charles A. Maddry preached the annual sermon, using as a text, Jeremiah 8:22.

Adjourned for the noon hour.

WEDNESDAY AFTERNOON

After a song from the young men from Boiling Springs Junior College, Rev. J. J. Boone conducted the devotional.

Rev. McElroy spoke to the body at this time on the subject of the American Red Cross.

Rev. J. L. Jenkins read the report on Christian Education and discussed the subject briefly after which Rev. W. H. Cover further discussed the subject.

REPORT ON BOILING SPRINGS JUNIOR COLLEGE

Boiling Springs Junior College is entering upon the sixth year of its history with a record enrollment of 102 regular college students with several others who are specials. Your college for the past three years has stemmed the tide of the greatest financial depression of history. The prospects for 1934-35 are bright. There are five states represented in the student body. We have six ministerial students and one volunteer for the foreign fields, and several who have surrendered themselves for definite Christian work.

You have fifteen members in the faculty, five of whom are new ones as follows: Dean J. E. Allen, M. A., from the University of Richmond, head of Education; C. V. Harrill, M. A., from the University of North Carolina, head of the Science Department; A.

Frank Hamrick, M. A., from Wake Forest College, head of Social Science; Miss Evelyn Jolley, graduate from Meredith College with graduate work towards a master's degree, head of Math Department, and Miss Josephine Arnette, graduate from Meredith College, teacher of Voice.

The churches of the Kings Mountain Association have paid during the past fiscal year, on the current fund for endowment $1,599.14. The churches of the Sandy Run have paid $55.44, making a total of $1,654.58 from the two bodies. The Kings Mountain's part of the $5,000.00 endowment is three-fifths, or $3,000.00.

The Sandy Run's part is two-fifths, or $2,000.00.

Under the leadership of Dean Allen, the buildings and grounds of the College have been put in good condition, and the living conditions greatly improved. The girls' and boys' dormitories have been screened, painted and repaired; the heating plant has been reconditioned—all at total cost of over $1,800.00.

Signed

J. L. JENKINS, President

The report on the Cooperative program was read by J.

J. Tarlton, and it was discussed as follows: State Missions, Rev. J. A. Brock; Home Missions, Rev. C. C. Crow; and Foreign Missions, Dr. T. C. Holland.

REPORT ON THE CO-OPERATIVE PROGRAM

The Co-operative Program is intended as a desirable plan for the distribution of all undesignated funds that come into the Baptist Convention. It divides these funds among six different agencies—Foreign Missions, Home Missions, State Missions, Christian Education, Hospitals, and Ministerial Relief. Forty per cent. of these funds at present goes to Foreign Missions and sixty per cent. to Home and State Objects.

Just as Jesus told His disciples to begin at Jerusalem, so must our missionary work begin at home. There are numerous places in our own state where there is urgent need of missionary work now. The State Mission Board, which receives part of the funds of the Co-operative Program, is doing splendid work in this field. Jesus also instructed his disciples to go into Judea and all Samaria and unto the uttermost parts of the earth. That is also our command to carry on home and foreign mission work. The Co-operative Program fosters both of these types of missions.

Our hospitals are doing their best, with limited funds, to "heal the sick"—a work Christ insisted that his followers do. They are however, turning away hundreds of needy cases each year because there are no funds with which to pay their expenses. Support of the hospitals is included in the Co-operative Program, and the need for enlarged sums is here very great.

One of the constant needs of our Church is a well trained and intelligent ministry. It is only through the right kind of leadership that our denomination can hope to render a greater service to humanity. Under the Co-operative Program funds are made available for deserving young ministers in their efforts to properly prepare for their tasks.

Many Baptist ministers and their wives who have given their strength and grown old in the service of our churches, are left without the necessities of life in their declining years. These must not be neglected. The Co-operative Program provides for their care as they face the sunset of life.

As our ministers and other leaders attempt "rightly to divide the Word of Truth", so does the Co-operative Program attempt to rightly divide the available funds among the various objects in which Baptists believe.

Respectfully submitted,
J. J. TARITON

The body adjourned until the night session.

WEDNESDAY NIGHT

The evening session opened with a song after which Rev. T. H. Paris led the opening prayer.

At this time the Male quartet from Forest City, First Church, rendered a number.

Kenneth Dobbins read the report on B. Y. P. U. Work. B. T. Jones delivered a very interesting address on B. Y. P. U. work following the report.

REPORT OF B. Y. P. U.

The annual convention of the Baptist Young People's Union of the Sandy Run Association was held on August 25-26, 1934 with the Baptist Church of Henrietta. At this meeting eighteen churches were represented. On Sunday morning we were happy to have with us the State B. Y. P. U. Secretary, Miss Winnie Rickett, of Raleigh who addressed the convention using as her subject "Sin". Miss Mary Ayscue of the Baptist Book Shop in Raleigh made an interesting talk on Sunday afternoon on the theme for the year "Christ Must Reign".

During the year sixteen district rallies were held with nine hundred fifty people attending; about two thousand miles were traveled in the interest of B. Y. P. U. work. Six unions were organized as reported but others were organized when an associational officer was not present, therefore we have no record of it. An associational wide study course week was observed and several classes were taught in fifteen churches in the association.

We were very fortunate in having Rev. J. A. Brock as Pastor-Advisor who supported every phase of the work of the B. Y. P. U.

Rev. L. J. Knox, who served as President during the last year, has worked out a plan for the association to be divided into eight sections instead of four and has presented it to the new officers to be carried out.

The officers elected to serve during the year 1934-35 are: Pastor-Adviser, Rev. J. A. Hunnicutt; President, Kenneth Dobbins; Vice-President, Fred Galloway, Secretary-Treasurer, Mary Lou West; Floyd Harril, Mildred Beason, Forest Hunt, Wesley McMurray, Loyd Owens, Gertrude Philbeck, E. G. Cole and Vernon Wall, District Leaders; Carl Jordan and Jesse Lancaster, Choirster and Pianist; Ruth Piercy, Junior and Intermediate Sponsor; G. A. Dulla, Senior and Adult Sponsor.

As we face a new associational year, let us resolve to do our best, and by the grace of God we hope to serve the Master better and do greater things for Him.

Respectfully submitted,
MARY LOU WEST

The Association approved, by vote, the following list of officers as it was read. These are the officers that were elected in the Sunday School Association to serve for the following year:

Associational Superintendent _____ A. G. Hamrick
Secretary and Treasurer _____ Mrs. A. G. Hamrick
Choirster _____ C. H. Wilson
Pianist _____ Mrs. Stoutemire

After a song Rev. J. W. P. Hill dismissed the group with prayer.

THURSDAY MORNING

The session opened by a song led by Rev. C. T. Plybon. Rev. T. M. Hester led the devotion, and Rev. Z. D. Harrill led the opening prayer.

Mrs. C. T. Plybon read the report on W. M. U. work, and Mrs. T. C. Lovelace discussed it in a very interesting manner. The report was adopted.

REPORT OF W. M. U. OF THE SANDY RUN ASSOCIATION

The W. M. U. auxiliary to the Sandy Run Association most gratefully report another year of joyful service in Kingdom work.

As we review the year's work, we praise God for His blessings. Perhaps there has never been a year in the history of the Sandy Run W. M. U. when it was more difficult for our women to keep up their mission pledges; yet, in spite of the depression and many calls for assistance along various lines, splendid progress has been

made under the efficient leadership of our Superintendent Mrs. G. G. O'Neil and Miss Gertrude Philbeck, the consecrated leader of our young people. We have 95 W. M. S. and young people's societies with an enrollment of 1,561 members: 54 of these societies engaged in personal service, 47 had mission study classes, 54 observed the special seasons of prayer for state, home and foreign missions. We missed the Standard of Excellence by just one point—failed to raise our apportionment. However, with a spirit of gratitude we can report $1,946.03 in gifts to the Co-operative the Caroleen W. M. U.

Our annual meeting held August 29, 30, 1934 in the First Baptist Church, Forest City, reached the high water mark in attendance, enthusiasm and inspiration. Over three hundred delegates attended the two services and enjoyed the gracious hospitality of the ladies of the First Church. A playlet "Our Altar of Light" given by the Intermediate G. A. of the hostess church and a pantomime, "O Zion Haste" by the Y. W. A. of the Alexander Church were interesting features of our young people's program.

The banner for the largest increase in membership, was won by th Caroleen W. M. U.

In the absence of Mrs. Edna R. Harris, our State Secretary, who was providentially detained, Mrs. G. G. O'Neil made the principal inspiring address. Other interesting speakers included: Miss Washburn of High Point, who spoke on "Standard of Excellence; Mrs. R. E. Price, "Relief and Annuity; "Rev. J. L. Jenkins, "Boiling Springs College;" Miss Gertrude Philbeck, "Missionary Education of Our Younf People."

Our annual meeting next year will be held with the Cliffside Church, the latter part of August.

As we turn from the old associational year, may we face the new with zeal and determination to exercise more faith, be more earnest in prayer and make greater effort and sacrifice for the things which we have loved and for which we have labored all these years; heartened and inspired by our permanent watch-word "Laborers Together With God" and our watch-word for 1934 "Be strong and of good courage—for Jehovah thy God is with thee."

FRANK S. HALL, Historian

A committee consisting of Rev. C. T. Plybon, Rev. T. H. Paris, and Rev. C. A. Maddry was appointed to draft some resolutions of sympathy and respect to be sent to the wife of Dr. A. T. Robinson, expressing our deepest sympathy in the loss of such a great man from our Baptist forces in the work.

Reports of Committees:

Time, place, and preacher: Green's Creek Church; preacher, Rev. J. W. Jones, time, Wednesday and Thurs-

day before the 2nd. Sunday in October, 1935. Rev. T. H. Paris was recommended as alternate.

Boiling Springs trustees newly appointed were: J. U. Rollins, Rev. J. A. Brock, V. R. Price, A. M. McKinney, and S. C. Gettys. These were elected.

Because of such a full program, the committee on Obituaries did not report to the body.

Dr. W. A. Ayers read the report on Temperance and Public Morals. This report was adopted.

REPORT ON TEMPERANCE AND PUBLIC MORALS

Joseph Cummings Chase, writing in the Literary Digest of Sept. 22, 1934, under the subject, "The Molding of These Times", says; "Of the many, perhaps countless, civilizations that prospered once and fell never to rise again, the few of which we have knowledge are those which had poets and sculptors." He then adds; "Entirely in keeping with the process of the ages, we are aware that there will come a day when the Gulf Stream will go back on us, or the bed of the ocean will rise up suddenly to become mountainous, or the mosquitoes will get the better of us, and then the map will be changed, and the United States of America deleted."

True it is that many civilizations have fallen to rise no more, in every case the demise has been due not to some physical disaster but to moral and spiritual failure. Many there are who feel that disaster threatens our civilization today and if and when it comes it will not be due to the failure of the Gulf Stream, or the elevation of the ocean's bed, or to the activity of mosquitoes, but to the moral and spiritual dereliction of our people. In the brief space of this report I indicate some of the dangers which threaten us today.

1. The legalized liquor traffic and booze in all its forms. It is a sad day when the government, for the sake of revenue, goes into this nefarious busines. If profits are to be realized then the people must be led to drink and if the people drink then they are pauperized, scandalized and victimized. We deplore the bootleg business, but thoughtful people had rather fight a dozen blind tigers than one which has two good eyes. The moral lapse incident to the repeal of the 18th. amendment seems to have given encouragement to almost every form of evil. Think of

2. The Gambling Evil—In many cities, several states, as well as in the United States Congress, measures have either been passed or proposed looking toward the establishment of lotteries and legalized gambling as sources of income.

3. Disregard of morality by the movies and the evil effects of

salacious literature by which the passions of millions are fed. We commend the nation-wide effort to reform the movies.

4. We deplre the growing disregard for the sacredness of the marriage vows and the increasing prevalence of divorces by which the sanctity and stability of the home is being threatened.

5. The almost universal disregard of the Sabbath. Turning this holy day into a holiday and commercializing it especially in the realm of amusements.

6. International disregard of honest debts by which a damaging blow has been dealt to the principle of simple honesty

We Recommend

That we as churches and as individuals really follow Christ.

That we abstain from those things displeasing to Him. That we live and pray and vote as becometh the children of God.

Rev. C. L. Taylor made the report on the Baptist Hospitals. It was adopted.

NORTH CAROLINA BAPTIST HOSPITAL

The Baptist Hospital was incorporated in 1922 and received its first patient May 28, 1923—eleven years ago.

In making our report, first we give our Heavenly Father praise for these years of successful operations. The primary work of the hospital is to minister to the sick and suffering bodies. We have served during the eleven years 26,353 patients up to Oct. 1, 1934.

We will have about 3,500 this year, and 1,300 of these can't pay anything.

We have an increase in patients over last year of 33%. We are averaging 80 patients per day. These come from almost every section of the State.

Average number of charity patients per day	28
Mother's Day offerings	13,957.97
Number of Nurses	51
Number of Doctors	60
Number of churches contributing through Mother's Day offering	1,300

One thousand contributed nothing.

It costs almost exactly $4.00 per day to care for a patient in the hospital. Wards cost $2.50, $3.00 and $3.50 per day owing to the number of beds in the ward. Private rooms are $4.50 and $5.50 per day.

Charity cases when paid by the church or community are $1.50 per day when possible to collect. No hospital case is ever turned down on account of inability to pay.

We thank God for such a great institution as this which He en-

abled Baptists to build, for the purpose of helping carry on the commission of our Lord.

Mat. 10: 7-8. As ye go, preach, saying, The kingdom of heaven is at hand. Heal the sick, cleanse the lepers, raise the dead, cast out devils: freely ye have received, freely give.

Respectfully submitted,
C. L. TAYLOR

M. D. Blanton Clerk of Sandy Run Baptist Association, Mooresboro, N. C.
S. E. Welchell Moderator of Sandy Run Baptist Association, Avondale, N. C.

FINAL STATEMENT BY THE CLERK

In preparing this copy of the minutes of the Sandy Run Association, I have been forced to omit the names of the pastors, superintendents, clerks, and treasures from the Directory in the front of the minutes because of an insufficient amount of funds with which to print them. I am sorry to have to do this, but I had to limit myself to the amount of money available.

I want to thank the churches for their co-operation in preparing their letters for the clerk. These have greatly aided me in my work.

My hope for each church is that it may go on to greater things in the name and cause of our Lord.

I am ver grateful for the honor of serving as clerk of the Association for the two past years, and I take this opportunity to express my appreciation for it. It has been a pleasure to work with my brethern in this work, and I have had much joy in the fellowship and cooperation that I have had with them.

I feel sure that the new clerk will receive the fine spirit of fellowship and co-operation that I have had.

Wednesday Morning

The forty-sixth annual session of the Sandy Run Baptist Association, convening at 9:45 A. M., was held with the Green Creek Baptist Church, Polk County, N. C., October 9-10, 1935.

After a song, Rev. J. A. Hunnicutt conducted the devotional, using as his Scripture I. Cor. 3:9 and Phil. 3:13-14.

The congregation sang another song, led by Brother Greene.

The first order of business was the enrollment of messengers and the adoption of the printed program as a basis of procedure.

The following committees were appointed by acting Moderator, Rev. J. A. Brock:

Committee on Finance—G. M. Cole, A. M. McKinney, and B. R. Hicks.

Committee on Time, Place and Preacher—Rev. L. N. Epley, D. M. Smart, and Conway Kennedy.

Committee on Memorials—Rev. C. L. Taylor, Prestion Jolley, and Roosevelt Crawford.

Nominating Committee—J. A. Hunnicutt, C. T. Plybon and J. W. P. Hill.

Next in the order of business was the welcoming of new pastors and visitors. Only one new pastor was present, Rev. E. B. Jenkins. Among the visitors present were the following: Rev. E. B. Crain, Greenville, S. C.; Rev. O'Neal, of Rutherfordton, N. C.; Rev. J. W. Walker, Boiling Springs, N. C.; Rev. J. A. McMillan, of Thomasville, N. C.

Acting Moderator, J. A. Brock, brought us a very inspiring short message, challenging us to higher and nobler living on the part of the laiety and to finer Christian ethics on the part of the ministry.

The report on Religious Literature was read by Dr. S. E. Welchel. Due to the illness of Rev. R. R. Cook the report was not addressed. It was adopted.

REPORT ON RELIGIOUS LITERATURE

Bacon said, "Reading maketh a full man." The Bible is God's book. The Bible is the most religious book in the world. The Bible must furnish us with INSPIRATION. WISDOM, THE LIGHT OF SALVATION and spiritual enlightenment. Our good Baptist publications like the "Biblical Recorder," "Charity and Children," "Home and Foreign Fields," "Royal Service," "The Window," 'World Comrades,' and all the Sunday School and Baptist Training Union Quarterlies and monthly publications besides many others can develop a well INFORMED people in denominational activities. One of the great school men of the East said, "One who is untaught and unlearned in youth may read at least twenty minutes a day of good reading material from youth to old age and become an educated person." This type of reader is well INFORMED. May the Baptists become such dilligent readers of the Word and the periodicals.

Every church should have a circulating mission library. Every Baptist who becomes informed usually remains active in service. Our Baptist Book Stores and Baptist Sunday School Board are able to furnish the last need in good books and reading material. Nothing surpasses them in quality. The modern magazine shelf and book stores are full of filthy, shallow, reading material which can better be termed "trash". There are a few good secular magazines worthy of large attention but the vast majority should be consigned to the junk heap. Our young people are reading much such material these days. May we not supplant these trashy, sensual books and periodicals with something worthy, clean, unlifting?

Last year 120 families received the "Biblical Recorder." This would mean a reading constituency of about 500 out of more than 13,000 Baptists. Our people are intellectual dwarfs for lack of reading. We have mental indigestion. We have mental pellagra. Let us seek fast its cure by placing in the hands of every Baptist man and woman, boy and girl one or more of our fine Baptist periodicals. "The Biblical Recorder" recently passed its One Hundredth mile post of informing service. Mile posts should not be used to sit on but to mark progress. May we erect another anniversary mile post by making our subscription lists and reading membership the largest in our history.

Respectfully submitted,

R. R. COOK

Dr. M. A. Adams talked on the Biblical Recorder, urging us to subscribe to it as well as other clean Christian periodicals, replacing it in our homes rather than some of the less wholesome literature.

Mr. Vance Price read the report on The Baptist Orphanage. After its adoption, brother J. A. McMillan addressed the report. He stirred our souls for our children at the Orphanage.

REPORT ON ORPHANAGES

The Baptist Orphanage of North Carolina, The Mills Home, can truly be called, a home within a home, because every phase of home life is maintained in the Orphanage. Every child receives special attention, care and training in education, health, religion, homemaking and in special vocational training. Last year 545 children were at Thomasville and 155 were at the Kennedy Home, total 700 also 49 families and 189 children cared for through the Mother's Aid Department. One great task is placing children in proper homes when they leave the institution. Last year 74 children went out of the Orphanage, of this number 17 graduated from high school. There were 142 in high school and 353 in elementary school, a total of 495. There were 205 under school age. The cost per child per month for 1933 was $16.29 and in 1934 it was $19.06, an increase of $2.77 per child per month while the Sunday school did not increase their gifts. The main source of income is through our Sunday schools and Thanksgiving offering. Forty-nine Sunday schools in our Association gave $1,628.79 last year; seven of our Sunday schools gave nothing to the Orphanage last year; Nineteen gave less than $1.00 per month for the entire year. There are 11 children at the Orphanage from our Association. Four children went from our Association this year.

Pure religion and undefiled before God and the Father is this, to visit the fatherless and widows in their afflictions, and to keep himself unspotted from the world. Surely every Sunday school in our Association should study this passage of Scripture and support the Orphanage one Sunday out of each month during the year and take a worthy Thanksgiving offering.

Respectfully submitted,

VANCE PRICE

After a hymn, the Annual Associational Sermon was delivered by Rev. James W. Jones using as his Scripture Eph. 5:25-27 and Matt. 16:17-18. In this great message, Brother Jones exhorted and challenged the churches to separate themselves from the world—and the world from them.

After the message the body was adjourned for lunch. Benediction by Dr. W. A. Ayers.

Wednesday Afternoon

The afternoon session was convened with a hymn, after which the Rev. L. N. Epley conducted the devotional using as the Scripture lesson, John 1:1ff.

After we had sung another hymn, Mr. A. G. Hamrick read the report on Associational Sunday School Work. The report was adopted, and Rev. J. A. Hunnicutt addressed the report.

REPORT ON SUNDAY SCHOOL

The world's greatest teacher, Jesus Christ, placed teaching the Gospel next to preaching the Gospel. He said, "Go ye into all the world and preach the Gospel to every creature, Teaching them to observe all things whatsoever I have commanded you." It is in obedience to His command that the churches maintain the Bible teaching agency, the Sunday School.

We believe the Sunday school is "by divine providence in our hands an institution with a wonderful history, magnificent achievements and untold potentialities." The army of thirty-three millions of members and three and a half million teachers and officers is the greatest army of religious workers in the world. Yet in America only one person in four is in Sunday school. Our observation and experiences lead us to conclude that one person in four is the average for our Association.

There are now 56 churches with 13,900 members in this Association. In these churches there are 56 Sunday schools with an enrollment of 12,500 pupils and 1,100 teachers and officers. Sunday school enrollment should be larger than church membership. All church members should be members of the Bible school, plus all who are not members of the church. There is a place in one of the departments of the school for every person. Any who are two young to attend Bible school should be enrolled in the Cradle Roll Department.

All who cannot or will not attend should be enrolled in the Extension Department. Responsibility for enrolling pupils rests upon the teachers and officers of the school more than any one else.

In presenting this report we urge renewed acceptance by the churches of the Sunday school as an instrument in the hand of Christian people to magnify preaching, to promote preaching attendance, enlist and train more people in teaching the Bible, keep Bible teaching under control, magnify and emphasize the use of the Bible, secure universal study of the Bible, teach Baptist doctrines, win the lost for Christ, teach missions, train and enlist in Missionary practice.

"Now I beseech you, brethren, by the name of our Lord Jesus Christ, that ye all speak the same thing, and that there be no division among you: but that ye be perfectly joined together in the same mind, and in the same judgment"—the Apostle Paul in I. Cor. 1:10.

In all regular meetings, 3,500 attended. During Study Course and Conference Week approximately 2,000 people were contacted.

Respectfully submitted,

A. G. HAMRICK, Supt.

MRS. A. G. HAMRICK, Sec'y.

Upon the application for uniting with the Association by Brethren of the Gray's Creek Baptist Church the Moderator appointed the following committee to examine the credentials of faith, etc.; Dr. W. A. Ayers, Rev. C. C. Crow and Rev. Dean Smith, who after said examination, reported favorable and recommended them to us and the Lord. They were greeted and welcomed into our Association.

The report and address on B. T. U. Work was the next order of business. This was submitted by Miss Mildred Beason in a very fine way.

REPORT ON B. T. U.

The annual Convention of the Baptist Training Union of the Sandy Run Association was held on August 24-25, 1935 with the Spencer Baptist Church, of Spindale. Fifteen churches were represented in this meeting. On Saturday night, Mr. A. C. Lovelace, President of Boiling Springs College, brought an inspirational message to the Convention in keeping with the theme "Magnifying His

Church." Zon Robinson addressed the meeting on Sunday morning, using at his subject "The Church in a Changing World." Our Pastor-advisor, Rev. J. A. Hunnicutt, brought the meeting to a close on Sunday afternoon with a wonderful message "I Am Your Church."

All efficiency Banners were awarded to the Florence Church for the second year. This should be a challenge to the other churches to do better work.

During the year two district and one associational rallies were held; about eight hundred miles were traveled in the interest of the B. T. U. Work.

We regret that Mr. Kenneth Dobbins, the former President, has left the Association. We appreciate very much the work he did in carrying out the plan of Rev. Lattie Knox in dividing the Association into seven districts, which has greatly helped the B. T. U. Work.

The officers elected to serve during the year 1935-'36 are: Pastor-Advisor, Rev. J. A. Hunnicutt; President, Mildred Beason; Vice-President, Lolan Kanipe; Secretary-Treasurer, Mary Lou West; Pianist, Jesse Lancaster; Chorister, Mrs. Ruth Hollingsworth; Junior and Intermediate Sponsor, Ruth Piercy; Senior and Adult Sponsor, G. A. Dulla; District leaders: Myrtle Green, Mrs. C. C. Padgett, Floyd Harrill, Etta Coffee, Belle Sparks, Claude Harrill and E. G. Cole.

The Convention will meet next year with the Shiloh Baptist Church the fourth Saturday and Sunday in August.

Our aim is to have an organization in every church at the close of this year. Let us resolve to give of our best and make greater efforts for the things which we have aimed at.

Respectfully submitted,
MARY LOU WEST

The W. M. U. Work was reported by Miss Gertrude Philbeck. After its adoption Mrs. C. T. Plybon addressed the report, recommending that an Associational Wide Mission Study Course be held, and invite the Pastors of the Association to attend and assist. After which Rev. C. T. Plybon threw out the challenge to the pastors for cooperation.

REPORT OF W. M. U.

"In the name of our God we will set up our banner." Psalm 20:5. This Scriptural quotation has been our watchword as we have been "Laborers together with God" in our W. M. U. Work during

the past year. A review of the year's work reveals that the twenty-four Woman's Missionary Societies and forty-four Junior organizations, functioning in seventeen churches, have given approximately $1,200.00 for the various missionary objects.

At our annual meeting held August 15, 1935 with the Cliffside Church we were fortunate to have Miss Alda Grayson discuss the revival of North China.

The officers elected at the meeting to serve the ensuing year were as follows: Superintendent, Mrs. C. T. Plybon; Vice-President, Mrs. T. C. Lovelace; Secretary-Treasurer, Miss Ella Lynch; Young People's Leader, Miss Gertrude Philbeck; Personal Service Chairman, Mrs. J. D. Brown; Mission Study Chairman, Mrs. C. H. Verner; Stewardship Chairman, Mrs. C. A. Maddry; Margaret Fund Chairman, Mrs. R. G. Bridges.

The annual meeting next year will be held with the Green's Creek Church the latter part of August.

As we face a new year in W. M. U. Work the actual conditions of our Association present a challenging task. Thirty-two churches of our Association do not foster any missionary program for their women or young people. In the light of this fact may we resolve to pray more earnestly, study more persistently and work more dilligently that we may be faithful to the trust that has been committeed to us.

Respectfully submitted,
GERTRUDE PHILBECK

A motion to postpone the business of Digest of Church Letters until tomorrow, therby giving brother Jones proper time to get data, was voted on and approved.

Rev. J. A. Hunnicutt read the report on Boiling Springs Junior College. After its adoption the College Quartette sang. The report addressed by Rev. E. B. Crain, Noland Howington, and President A. C. Lovelace.

REPORT ON BOILING SPRINGS JUNIOR COLLEGE

The Sandy Run Association has long been interested in an educational institution within her bounds. In 1902 W. A. Martin, M. L. Bridges, J. A. Calton, W. S. Lattimore and Thomas Harris were appointed as trustees to establish a High School in the Association. The following year the trustees were asked to seek the assistance of other Associations in founding the High School. Rev. C. L. Dowell made a motion that the Moderator appoint a committee of seven

to take the matter into consideration, with power to act, either with or without the cooperation of other Associations. In 1904 the High School Committee was discontinued, and the Moderator was asked to appoint one from each church to meet at a time and a place to be named by him, with power to act. By 1905 the Kings Mountain Association had decided to establish a High School at Boiling Springs. That year the Sandy Run trustees recommended that the idea of a High School within their bounds be discontinued and that the Sandy Run cooperate with the Kings Mountain in establishing a High School at Boiling Springs. In the report of education for 1906 we read "And lastly we would lay heavily upon the heart of every member of the Sandy Run Association our Associational High School at Boiling Springs. Remember, brethren, as the twig is bent so the tree is inclined."

Time will not permit a recapitulation of other stages in the development of Boiling Springs Junior College. Sufficeth it to say they spread over twenty-nine years of struggles and triumphs. Thank God, the school lives! The enrollment for this year has passed the 125 mark, which was the aim for the year, with 16 counties represented in North Carolina and five other states. The Sandy Run has 44 students and the Kings Mountain has 52. There are 14 ministerial students. President A. C. Lovelace and his faculty are to be congratulated.

During the past year the roofs were reconditioned and the cost paid by special collections. The water system has had a much needed repair and some extra equipment installed. Additional furniture has been purchased to care for the increased student body. For repairs, extra furniture and additions to the plumbing there has been an expenditure of $675.00. This ought to be cared for outside the running expenses of the college, otherwise it will come from the small salaries of the teachers. This year the college has President A. C. Lovelace giving his entire time to the work. The trustees felt a full time president was a necessity at this stage in the life of the school. The President's salary is to be paid by the two Associations—Kings Mountain $2,000.00, Sandy Run $1,000.00. This will give $600.00 above the salary and traveling expense of the President. It is hoped to find 300 people who will give $10.00 each for this year, 100 of these to be in the Sandy Run. It can, however, be given in smaller amounts. The Sandy Run needs to give special attention to this matter while in session without fail.

The college needs office equipment badly, and there are some other pressing needs. What about a "Boiling Springs Day" in all the

churches in December? Money and cash can be used. Cash can be transferred from the boarding account for provisions sent in and applied to some of the pressing needs.

The long years of struggles of Boiling Springs as she emerges from a thought to a High School and from a High School to a standard Junior College is not a swan song but the travail of a great soul seeking the opportunity to fulfill a God-appointed destiny. In presenting this report I am of the deep conviction that we should do that which is our power to do, namely, see that our college has a better financial support until it is able to take care of itself. Therefore, I offer the following resolution with the report:

RESOLVED, that we, the Sandy Run Association in session October 9, 1935, ask the General Board of the North Carolina Baptist Denomination of Raleigh, N. C., to return 50 per cent of all undesignated funds to the Treasurer of Boiling Springs Junior College monthly from all churches of the Sandy Run Association. The separate churches having the right to change this request by filing notice with the Secretary of the Board and Treasurer of the College. The churches having the privilege to send their money direct to the college if they so desire.

Respectfully submitted,
J. A. HUNNICUTT

After this Rev. C. A. Maddry recommended that the following appointed committee: Rev. J. A. Brock, C. A. Maddry of this Association and B. F. Hoard, Rev. Sargeant, and B. F. Falls of Kings Mountain Association be instructed to effect a loan with the Jefferson Standard Life Insurance Company, of Greensboro, N. C., for the amount of Twelve Thousand ($12,000.00) for the liquidation of all indebtedness against the aforesaid Institution. After some consideration and discussion, the matter was tabled until tomorrow and submitted to the following committee to report to the Association in conference Thursday: Rev. C. A. Maddry, J. A. Hunnicutt, and W. H. Couer. They brought the following recomendations as an amendment to the adopted resolution, above:

RESOLUTIONS

"That one-half of the undesignated Co-Operative Program funds be sent to the college either through Raleigh, or direct if necessary. And that the said funds shall be used, first, for the payment of the

interest and the curtailment of the principal of the aforesaid loan of $12,000.00 and the obligation created by the said fund, and that the said fund when contributed shall be kept separate and apart from other funds due to and received by the College.

"That a Promotional Committee be appointed in each of the Associations whose primary object shall be to promote the welfare of Boiling Springs College both in fostering and enlisting financial support and strengthening the moral support of the Baptist in the two Associations, said committee to work in conjunction with the faculty and student body of Boiling Springs Junior College."

This was adopted.

The following committee was appointed to work with Rev. C. A. Maddry, who is to be permanent chairman of all Associational Work: Dr. S. E. Welchel, J. W. Jones, W. A. Ayers, C. T. Plybon, T. H. Parris, J. A. Hunnicutt, J. A. Brock. The above constitutes the Promotional Committee on Boiling Springs Junior College.

The Executive Committee, which is to be known as the steering Committee of a large list of names on the salary of the President of Boiling Springs Junior College follows: Dr. W. A. Ayers, S. C. Gettys, J. W. P. Hill, C. C. Crow, and J. U. Rollins.

The following committee appointed on the day to be known as the "Boiling Springs Day": J. W. Jones, C. C. Crow, A. M. McKinney recommended that the second Sunday in November be set as the date, and urged that all churches cooperate by the raising of any and all provisions possible for the College pantry. This was approved.

The Committee on Resolutions: S. E. Welchel, M. M. Huntley, and Rev. E. P. White, brought the following resolution:

RESOLUTION

That the Sandy Run Association express its appreciation to the Green Creek Baptist Church for the splendid way in which it entertained us. We have greatly enjoyed its fine spirit of hospitality and the fine dinners served on the grounds.

The following committee was appointed on Boiling Springs President's Salary: A. G. Hamrick, C. L. Taylor, and J. W. P. Hill.

A motion to take an offering for the United Dry Forces tomorrow was passed.

Another motion to take an offering for our blind brother, Wade Harris, was voted on unaminously. The offering amounted to $11.40.

This brought us to the close of Wednesday's session and we were adjourned with prayer, led by Mr. A. C. Lovelace.

Thursday Morning

The session opened with a song led by Brother Greene. The devotional was led by Rev. J. W. P. Hill using as his scripture lession Acts 6. Mr. A. C. Lovelace led in prayer. After another hymn the report and recommendations of the Promotion Committee were given by Rev. Charles A. Maddry, Chairman. This was adopted.

REPORT OF THE PROMOTION COMMITTEE

The Promotion Committee is composed of all the Pastors in the Association and one lay member from each church. During the past year we have tried to do the following things:

We have tried to enlist all the churches in the study of simple book on Stewardship and Church Finances with the hope that each church would adopt a budget and put on an Enrollment Campaign. This met with fair success and was staged at the close of the year 1934. Several thousand books and Enrollment cards were sold and many of the churches followed the directions.

We have tried to encourage every church to adopt a goal toward which to work for the Co-Operative Program and the Orphanage. About half of the churches in the Association adopted such goals for the year ending with this meeting of the Association.

Last March there was a fifth Sunday Meeting of the Association held at the Bethel Baptist Church and fifteen churches were represented. This meeting marked the end of six months of the Associational year. The work for the six months was reviewed and it was found that we had met our goal as an Association for the period.

We have tried to have the churches end their year with the

end of September and send in their letters to the Clerk so that we might have reports of the work done made in a resume of the letters at the session of the Association instead of having to wait until the minutes were off the press.

We have tried to serve the churches in minor ways as they have called upon us to serve them.

Respectfully submitted,
CHARLES MADDRY, Chairman

RECOMMENDATIONS OF THE PROMOTION COMMITTEE

For the year beginning now and ending at the close of the next meeting of this body we make the following recommendations:

FIRST: That we make the week of November 25 to December 1st, our week for having Stewardship Study Courses, making Church Budgets and staging the Enrollment Campaign. At that time Mr. M. O. Alexander will be in the Association with us to lead in the Promotion of a class in each church, using the book written by Mr. Huggins, "Baptists in the World" as the book. These are 5c books and are recommended as the book to be used.

SECOND: That we have the Lord's Acre Plan presented to the churches through a central meeting and have the churches interested to adopt it as a supplement to their regular gifts for the support of their local and mission work.

THIRD: That we have a great meeting of the Association next Spring for inspiration and encouragement marking the end of six months of the Associational year.

FOURTH: That all churches try hard to reach the aims presented in the "Report Supplementary to the Church Letter," copies of which were in the hands of the Promotional Representatives of each church before the meeting of this Association.

FIFTH: That the churches individually vote to send one-half of their undesignated Co-Operative Program moneys to Boiling Springs Junior College.

SIXTH: That the Association adopt the Second Sunday in February as the Sunday for the Sunday schools to send their regular contributions that day (or nearest convenient day) to the Treasurer of the Association to support the work being done by all agencies within this Association.

Respectfully submitted,
CHARLES MADDRY, Chairman

The report on the Co-Operative Program was read by Mr. J. U. Rollins. It was adopted.

REPORT ON CO-OPERATIVE PROGRAM

The Co-Operative Program is a plan which enables the individual and the church to share in the support of every object which Baptists believe should be supported. From the view-point of the objects which we support, it enables a unified appeal to be made to the individual and to the churches instead of a separate appeal for each separate object. It operates on the principle of each for all and all for each and all for Christ. An appeal is made to every member to contribute to the Co-Operative Program, since in so doing every member will share in the support of every object. At the same time it recognizes the right of every member or church to contribute to any object or objects, with the promise that money so given will go to the objects, specified or designated and to that object alone.

All funds given and marked Co-Operative Program are divided among the several causes, sixty per cent at present, of the total remains in North Carolina, and is divided among these objects:

State Missions	13	Percent
Christian Education (Debt Service)	42	Percent
Hospital at Winston Salem	4	Percent
Ministerial Education	1	Percent
	60	Percent

The other forty per cent is sent out of State and is divided among these objects:

Foreign Missions	20	Percent
Home Mission	9.4	Percent
Old Minister's Relief	2.8	Percent
South-wide Education including all Seminaries	6.8	Percent
Hospital (New Orleans)	1	Percent
	40	Percent

Our Orphanage is not in the Co-Operative Program but depends on its support from once a month offerings from the Sunday schools and an offering at Thanksgiving.

In short it is a plan whereby individual Baptists may work together to carry on the program that Christ began.

Respectfully submitted,

J. U. ROLLINS

State Missions was not discussed.

Mrs. Alda Grayson returned Missionary from China delivered an address on Home and Foreign Missions in a very instructive and inspiring way.

Dr. Brewer, President of Meredith College, brought an address on Christian Education. After this, Secretary M. A. Huggins delivered a challenging address on the Co-Operative Program. This brought us to the noon hour and we were adjourned with prayer by Rev. J. W. P. Hill.

Thursday Afternoon

The afternoon session was opened with a song led by Brother Scoggins. Then the congregation, standing, sang "On Jordans Stormy Banks" after which the devotional was conducted by Rev. M. M. Huntley, using as a scripture lesson Luke 20:21-25. Rev. L. N. Epley led the prayer.

Rev. C. T. Plybon read the report and brought an address on Ministerial Relief and Annuity. The report was adopted.

REPORT ON MINISTERIAL RELIEF AND ANNUITY

The Relief and Annuity Board of the Southern Baptist Convention has operated since 1918, and in addition to paying benefits of more than two and a third million dollars has accumulated in endowments and reserves approximately four and a quarter million dollars.

The greater part of the money paid in benefits has been paid through its Relief Department, the amount being approximately $1,750,000.00. The amount paid in annuities being more than $630,000.00.

It should be understood by the members of our churches that the contributions made by them through the Co-Operative Program, unless specially designated otherwise, go to relief of aged ministers and widows, and are not used for producing annuities.

The amount paid in annually by our churches for the relief of their aged ministers and their widows is a pitiful sum. The price of a three cent postage stamp per capita member of Southern

Baptist would amount to $20,000.00 more than what they are paying.

Southern Methodists have 8,000 active ministers and 3,422 on their pension list.

Southern Baptists have 22,801 and are only aiding through their relief and annuity 1,500.

Northern Baptist with less than half the number of ministers in the Southern Baptist Convention are aiding 2,000.

The attitude of our people toward the broken down and worn out ministers is a black spot in our history.

How Southern Baptist are going to clear their conscience before God on this question remains an unanswerable question.

The most valuable man in any given community is its true consecrated minister.

Jesus was the most cultured and refined of his day, as well as Saviour and Lord, and they crucified Him. Would the world crucify Him if He were here today? They are doing it, through the rejection of Him and His.

Respectfully submitted,
CHARLES T. PLYBON

The report on Our Baptist Hospital was read by Rev. W. K. Wyatt. After its adoption, Rev. Joe Sinclair spoke to the report.

REPORT ON HOSPITALS

Since the opening of the Hospital, May 28, 1923, to July 15, 1935, 29,000 patients have entered for treatment. In the first half of the year 1935, 1,760 patients have been treated. At this rate, the Hospital will have 3,520 patients this year, or 31,260 patient days. Of this, 11,882 will be full pay, 9,704 part pay and 9,674 free.

The Hospital has had an average of 86 patients per day for the last six months and is now averaging 300 per month. Almost one-half of patient days are service or free days.

From the foregoing, it is apparent that it costs a large amount of money to care for this increasing number of patients coming from practically every section of the State. The Hospital must depend largely on the offerings of the churches and Sunday Schools to care for these hundreds and hundreds of patients who can't pay for treatment.

The Woman's Missionary Unions of the State, in addition to their cash contributions, have sent to the Hospital during the first six months of this year, 3,635 articles of linen, consisting of sheets,

spreads, pillow cases, towles, etc. These are much needed and appreciated.

Mother's Day (the second Sunday in May) has been designated by the denomination as "Hospital Day." If only all of our churches would seriously put on a well-planned Mother's Day program, enough money could be provided to amply care for this vast host of God's poor, who can't provide this service for themselves. We are trying to carry on the same program that Jesus gave so much of His life to—relieving suffering humanity. What part have you had in it? What part will you have in it?

Rev. Charles A. Maddry delivered a very stirring address on "Temperance and Public Morals." A unanimous stand opposing the Liquor Traffic was voiced by the Association in a rising vote.

The Digest of Church Letters was given by Rev. J. W. Jones.

Next in order of business was a memorial to those who had departed this life during the past year. After some brief words on this subject, we stood with bowed heads in their honor and then Brother M. M. Huntley led in prayer. Brother C. L. Taylor was appointed to write a Memorial to Rev. Z. D. Harrill, our beloved friend and brother. The Memorial reads:

IN MEMORY OF REV. Z. D. HARRILL

One of the oldest, best known, and most beloved ministers, passed to his great reward on the 4th. of March, 1935. He was eighty-three years, nine months and four days old. He served as pastor of thirty-three churches and was Moderator of the Sandy Run Association for 24 years. He was licensed to preach at Bethel Baptist Church, September 8, 1883. During his fifty-one years as a pastor he baptized 1,738 converts, married 456 couples and conducted 1,216 funerals.

Never have I known a nobler spirit and friend than was Rev. Z. D. Harrill. He indeed kept the faith. He was loved and honored by all who knew him. His presence was a benediction and his attitude was ever that of loving kindness and brotherly love. In pro-

portion to his means he contributed to the work of the church. He delighted to speak of the love of God and to tell of what great things the Lord had done for him. One of his favorite Scriptures was Rev. 14:13, "And I heard a voice from heaven saying unto me, write blessed are the dead which die in the Lord from henceforth: Yea, saith the Spirit, that they may rest from their labors; and their works do follow them."

The Committee on Finance of Boiling Springs Junior College read the following report. It was adopted.

COMMITTEE ON FINANCE OF BOILING SPRINGS COLLEGE

We, your Committee of Finance on Boiling Springs College, suggest the following procedure:

1. That in cooperation with the Associational Executive Committee, the Treasurer of this Association make a personal appeal to or through each pastor and church for our proportionate part of the salary of President Lovelace.

2. That two or more people be contacted in each church who will give or be responsible for securing $10.00 on the above amount—through the above channel.

3. That we believe an Associational-wide program rendered in each church by the College will greatly assist in building up love and appreciation for the College and aid in carrying out the above recommendations.

PROCEEDINGS

WEDNESDAY MORNING

The forty-seventh annual session of the Sandy Run Baptist Association convening with Mt. Harmony Baptist Church, Rutherfordton Co., N. C., began at 9:30 A. M. October 7th, 1936.

After a hymn, Rev. L. N. Epley led us in prayer. Then, with the Mt. Harmony Chorister leading, we sang, "Amazing Grace." Rev. W. K. Wyatt followed this with an inspiring short devotional, taking for his scripture lesson, Romans 8:1-21. Rev. D. M. Smart led us again in prayer.

The first order of business was the enrollment of Messengers which numbered 230. The body then voted for these to be the voting representatives.

After this, the Moderator, Rev. J. A. Brock, brought to us a very challenging and inspiring short message and the following recommendations:

SUGGESTIVE RECOMMENDATIONS

To the Sandy Run Association:
Dear Brethren:

We, your Executive Board, together with many of our pastors, after prayerful consideration, herewith submit for your consideration the following recommendations, which we believe will greatly promote the work of our Lord among all of our churches:

1. We recommend that we have a semi-annual session of our Association, just for one day. To meet six months from the time of the regular annual meeting. Say Thursday after the first Sunday in April.

2. That we set as our objective the encouraging of each church in our Association to make a once a month offering to our Orphanage work at Thomasville. And to send a once a month offering to M. A. Huggins of Raleigh, for the Co-operative Program; and a like sum to Boiling Springs Junior College. Also that each church be asked to make a contribution to the Alexander home.

3. That we lauch a movement to increase the number of subscriptions to the Biblical Recorder. That we urge each church and pastor to cooperate in this, which we believe will greatly help each member of the church.

4. That we urge all of our churches to consider the great importance of co-operation with each other in the matter of forming of fields, and the location of the pastor in the midst of his people. We feel that our good pastors are not being paid sufficient to enable them to do their best. We therefore urge all of our churches take steps for better support of thir pastors.

5. That we close our next Associational year on August 31st, 1937, and each succeeding year thereafter, so as to give our clerk ample time with the churches to get their Associational letter ready for the annual meeting in October.

6. We recommend that each church shall co-operate fully with the chairman of our Promotion work in the Stewardship week. That it is our belief that each church should have a School of Missions or a week of study of Stewardship and Tithing. We urge each church to adopt a church budget.

7. We recommend that our Association be organized into a general board. That this board shall be known as The General Board of the Sandy Run Association. That it shall be composed of the officers of the Association, President of the W. M. U. work; the director of the B. Y. P. U. work; the superintendent of the Sunday School work; the Promotion chairman and their associates, together with the pastors of churches of the Association. That it shall meet once a month or three months as the needs of the Association shall demand, That it shall have power to act for the Association ad interim.

8. We recommend that each church be asked to make a good contribution for the general Associational expenses.

9. Be it resolved that we hereby beg, entreat and implore each and all of our pastors, members and Associational leaders in each department to co-operate with each other in this, our Lord's work, with brotherly love, good will, unity and Christian fellowship, to the end that there shall be no hindrance to the Gospel.

The recommendations were unanimously approved together with the following:

REPORT ON ASSOCIATIONAL FINANCE

We, your committee on Associational Finance suggest the following procedure:

1. That we ask the W. M. U., the B. T. U. and the Associational

Sunday School to arrange to support themselves through their own organizations.

2. That the promotion work be included with the Associational, Clerk's salary and expenses of printing Minutes, etc.

3. That we ask the Promotion chairman and the Clerk to meet with the Executive Committee to figure the approximate cost of this combined work and make an apportionment to each church in proportion to their numerical and financial strength. Asking them to co-operate with each other and the Association in this, the Lord's work.

4. That the Clerk send the above said amount along with the Associational letters to each church next fall that they may bring the money to the Associational meeting along with their letters.

We believe this the best way to finance our work, since the Promotion Chairman has no direct contact with his workers as does the W. M. U. the B. T. U. and the Associational Sunday School Superintendent.

Respectfully submitted
T. H. PARRIS
C. C. CROW
J. W. JONES

Rev. W. B. Jenkins brought the report on Religious Literature. After it's adoption Mr. R. G. Terrell, representative of the Biblical Recorder brought a very interesting address on the report.

RELIGIOUS LITERATURE

Religious literature has been a great power in the hands of God in producing Christian character. We should go to the Book of all books for our instructions in Christian living. Because there can be no Christian character without Christian living. John 5:39. Search the Scriptures; for in them ye think ye have eternal life; and they are they which testify of me." Christian living is not to live for Christ, but to let Christ live in us. Gal. 2:20. "I am crucified with Christ; nevertheless I live; yet not I, but Christ liveth in me; and the life which I now live in the flesh I live by the faith of the Son of God, who loved me and gave himself for me." Every Christian should study closely the Sermon on the Mount, Matt. 5-7. In these chapters we find Jesus teaching His followers the laws which should govern their lives. We have other religious literature, but none should take the place of God's Word.

BIBLICAL RECORDER

For more than a hundred years the Biblical Recorder has sought to serve the Baptists of North Carolina and the world. It seeks in a constructive way to comply with the command of the Master to carry the Gospel to every part of the world. Page five is set aside in almost every issue for this particular work. The sixty-four Baptists who compose the stockholders in the Biblical Recorder Publishing Company are lending every effort to make the Recorder of interest to our people and to instruct them concerning our Baptist work. For a number of years they received no dividend, but they have received, in later years, six per cent on their investment. But for the other interests of the Biblical Recorder Publishing Co., publication of the Biblical Recorder would have been suspended ten years ago; but the income from rent on the building and other sources have been taken to pay the deficit on publishing the paper.

The Home Circle offers help for the development of the spiritual and intellectual needs in every young church member. It seeks to inculcate high ideals in our young people and to be a real help in the development of Christian character. All this means much good for the future generations. Never before was there a time when our boys and girls had greater need for wholesome literature which will instill higher ideals, create a desire for pure living, and stimulate them to render unselfish service. The Biblical Recorder seeks to lend aid at this particular point.

The price is $2.00 per year, or a six months' subscription may be taken for $1.00. It is very desirable that the circulation be increased to 25,000 as a minimum.

1. We recommend that a day be observed in all our churches to stir up the mind and conscience on the subject of religious and Baptist literature. That this day be observed on some Sunday designated by the local church, and that a practical application follow the presentation of the subject by securing at least ten per cent of the membership as subscribers to the BIBLICAL RECORDER.

2. We recommend that the committee on periodicals appointed at this session of the Association to report next year co-operate with the pastors in the observance of Religious Literature Day in their churches. Furthermore, that the committee on periodicals next year report whatever gains have been made in subscriptions to our denominational periodicals as a result of the observance of Religious Literature Day in our churches.

W. B. JENKINS, Committee.

Rev. L. N. Epley gave the report on Baptist Orphanage

REPORT ON ORPHANAGE

There are over nine hundred orphan children in our great family in Thomasville, who are depending upon the Baptist of North Carolina to clothe and feed them.

They are under the tender care of our beloved I. G. Greer, who loves the Lord and our children.

We urge upon each church to take the first Sunday in each month, or one Sunday in each month, in which is best suited especially for our Orphanage. As you know this is the only way the have to live.

Respectfully submitted,
L. N. EPLEY

THE CO-OPERATIVE PROGRAM

The program of Jesus is both co-operative and world-wide. "Go ye into all the world and preach the gospel to every creature." Mark 16:16. It has been within the last twenty years that Southern Baptists have discovered that they must pool their efforts in a cooperative program to carry out this great commission of the Lord Jesus Christ.

The Co-operative Program is a plan which enables the individual and the church to share in the program which Jesus began. It enables the Baptists to make a unified appeal for the whole program of a New Testament Church. It enables every member with every contribution to support every object of a world-wide ministry. At the same time it recognizes the right of the individual and church to contribute to any object with the assurance that the money will go as designated.

All funds contributed to the Co-operative Program are divided among the several causes, according to the needs of each. At present, sixty per cent of the total remains in North Carolina and is thus divided among these objects: State Missions, 13 per cent; Christian Education-debt service, 42 per cent; Hospital at Winston-Salem, 4 per cent; Ministerial Education, 1 per cent. The other 40 per cent is sent out of the state and is divided among these objects: Foreign Missions, 20 per cent; Home Missions, 9.4 per cent; Old Ministers Relief, 2.8 per cent; South-wide Education, including all seminaries, 6.8 per cent; Hospital (New Orleans) 1 per cent.

This is a plan whereby individual Baptists may work together in carrying on the program begun by Christ. But let it be remembered that Baptists do not give money to a plan, a Board or an institution; they give to Christ for the benefit of people. Plans, Boards and Insti-

tutions are only means we Baptists use in carrying out the program of Jesus. The Co-operative Program is the best plan yet devised for supporting all the causes fostered by Southern Baptists. This plan, faithfullly followed, will insure all of Christ's causes against weather conditions and other unforseen contingencies, such as epidemics.

Many churches are just now learning what the Co-operative Program is, and are remitting their funds in accordance with it. However, if it is to be a success, each church should enroll every member in Christian service, and in systematic, regular giving as an act of worship. Send all Co-operative Program funds to Secretary M. A. Huggins, Recorder Building, Raleigh, N. C.

Respectfully submitted,
J. A. HUNNICUTT

Mr. I. G. Greer, Superintendent, addressed the report, and as always, we listened to Mr. Greer with joy as he brought to us a challenging message on "Our Children" and the fine work being done under his supervision.

Again we sang the hymn "I Am Thine O Lord." Then came the high light of the morning, as Brother T. M. Hester preached the Annual Associational sermon, using as his text II Kings 1:9, "And He spake unto him, thou man of God, the king hath said, come down." In this message Brother Hester challenged us to a high standard of courageous living. After singing, "Am I a Soldier of the Cross?" we were adjourned with prayer, led by Rev. Neal.

WEDNESDAY AFTERNOON

We assembled promptly at 1:15 P. M. for the afternoon session, after a bountiful dinner spread by our host. Beginning with a hymn led by the church chorister, Rev. B. M. Strickland delivered a very inspiring devotional, taking as his text Isaiah 1:16-17. This was followed by another hymn and prayer by Rev. W. Y. Henderson.

The first item of business for consideration was the exchange of time on the printed program, giving Boiling Springs the time allotted to Dr. W. A. Ayres, he taking the hour scheduled for Boiling Springs on said program, Thursday P. M., at which time Dr. Gibson Davis will speak instead of Dr. Ayers.

The next item of business was the resignation of Rev. J. W. Jones and J. W. P. Hill as trustees of Boiling Springs College. Their resignations were accepted.

We next listened with interest to an address by our Associational Promotion Chairman, Rev. C. C. Crow.

Mr. J. U. Rollins gave the report on Boiling Springs College, which was adopted, and then the new President, Dr. George Burnett, made a splendid address. Governor Hawkins followed him with a good short message. Both spoke on our Baptist Junior College—Boiling Springs.

REPORT ON BOILING SPRINGS JUNIOR COLLEGE

In its forty-sixth annual session the Sandy Run Baptist Association adopted a resolution whereby one-half of the undesignated Co-operative Program funds were directed to Boiling Springs Junior College. In this same session the Association made the second Sunday in November "Boiling Springs Day," the purpose of which was to replenish the college pantry. Last year the total receipts of the college from the Co-operative Program fund from our own Association amounted to $297.93. The value of goods received on Boiling Springs Day was $112.83. Paid President $805.00.

Last session Boiling Springs Junior College enjoyed a very successful year from the standpoint of enrollment and work accomplished, having a total enrollment of 132. Of this number 48 were from the Sandy Run Association. Of this last number 8 were ministerial students.

These figures would seem to demand only optimism, however, despite all this, at the close of the last session it looked as if the college would be forced to close its doors. The college had operated in the black throughout the session but it had been able to do so only by applying a keen edged knife to teachers' salaries, library expenses, building and other normal expenditures incident to the operation of a junior college. In August Mr. A. C. Lovelace resigned as President. The future of the college was dark indeed.

The Boiling Springs Junior College was saved from disaster through the untiring efforts of a few of its devoted friends. A new personnel set-up has been obtained for the College, having Judge E. Y. Webb as chairman of the Board of Trustees. In securing a new president and faculty in the short time remaining before the opening of the college on September 8th, the trustees have done almost an impossible thing.. They deserve our grateful appreciation for the splendid service given the college in this critical transition period.

An able, experienced and Christian president has been secured

in the person of George J. Burnett, with a faculty that is unsurpassed among junior colleges of the South is now toiling daily at Boiling Springs.

After a late opening the college now has a student body far above the fondest expectations of its most devoted friends.

The advantages to be had from this college within the borders of our own Association are too well known and too numerous to mention. Only one step is necessary to insure its future prosperity. Some system must be set up whereby the Sandy Run Association can contribute its just share to the support of this worthy institution.

Respectfully submitted,

J. U. ROLLINS

The last message of the day was made by Rev. Perry Crouch, who is doing a great work with our Baptist State Board. Mr. Crouch introduced Mr. L. L. Morgan, who is also a co-laborer in the State Work. Then he delivered a fine message, using as his subject "Stewardship the Way to Victory." This climaxed a day of physical and spiritual festivities in which we "sat together in heavenly places."

After a hymn we were adjourned for the day with prayer, led by Rev. Dean Smith.

THURSDAY MORNING

The meeting was called to order by the Moderator, Rev. J. A. Brock. Prof. J. R. Robbins, who led the singing during the day, led us in singing a congreagtional hymn and Rev. Chas. B. Vause brought the devotion.

Next in order was a motion to have those who are to take part on the program next year to be named at this session. And that those who bring the report shall also have the privilege to address their own report. It was voted to name a standing committee to report on this. The committee reported as follows:

1. Report on Religious Literature.....Mr. T. T. Long
2. Report on Baptist Orphanage .....Mr. B. E. Roach
3. Annual Sermon .....Rev. L. N. Epley
4. Alternate .....Rev. Dean Smith
5. Report on Promotional Work .....Rev. C. C. Crow
6. Report on Co-operative Program.....Rev. C. B. Vause
7. Report on B. T. U. Work.....Miss Mildred Beason

8. Report on W. M. U. Work .....Mrs. C. T. Plybon
9. Report on Historical Work.....Dr. S. E. Welchel
10. Report on Temperance & Pub. Morals, Mr. Grover Harrill
11. Report on Relief and Annuity.....Rev. B. M. Strickland
12. On Memorials .....Rev. R. L. Crawford
13. Report on Sunday School Work.....Mr. A. M. McKinney
14. Report on Boiling Springs .....Mr. C. O. Ridings

The minutes were next read by the Clerk, of the proceedings of the first day. This was approved.

Then we heard the report of the B. T. U. Work, read by Miss Mildred Beason, who spoke briefly and then introduced Miles Culbertson. Miles brought a very interesting address. And due to the absence of others who were on the program, Miss Beason gave a very inspiring message on the work of the B. T. U. The report was adopted.

REPORT ON B. T. U.

The annual convention of the Baptist Training Union of the Sandy Run Association was held on August 22-23, 1936, with the Shiloh Baptist church. On Saturday night Rev. J. W. Jones addressed the meeting with a message in keeping with the theme for the program "Faith is the Victory." Inspirational talks were made on Sunday morning by Sadie Weast, B. E. Roach and Prof. B. B. Hester. On Sunday afternoon Rev. W. R. Grigg spoke on "Faith is the Victory In Character Building." Mr. Wyne Washburn conducted the installation of officers and also brought the meeting to a close with a very interesting message.

The following resolutions were adopted for the coming year:

1. Make every Union 100 per cent.
2. Install general organizations in twelve more churches.
3. Set as the goal for the membership in each organization 50 per cent of the regular membership.
4. Plan for an Associational-wide study course next March.
5. Encourage every member to win three souls for Christ this year, and those doing so to be star members, and so recognized at the next annual meeting.

Efficiency banners were awarded to Cliffside, Spindale First and Spencer churches. The following officers were elected for the year 1936-37: Pastor-Advisor, Rev. T. H. Parris; President, Mildred Beason; Vice President, Myles Culbertson; Secretary, Myrtle Greene; Pianist, Jesse Lancaster; Chorister, Mrs. Ruth Hollingsworth; Adult Sponsor, G. A. Dulla; Senior Sponsor, Sadie Weast; Intermediate Sponsor,

Bertie Lee Kendrick; Junior Sponsor, Ruth Piercy; District Leaders, Etta Coffey, Ruth Burgess, E. G. Cole, Graham Piercy, Floyd Harrill, Yates Holland and Clyma Ware.

During the year two district and three associational rallies were held; about 125 phone calls were made; 150 cards and letters were written and about one thousand three hundred fifty miles were traveled in the interest of the B. T. U. work. An Associational-wide study course week was observed and several classes were taught in twelve churchs in the Association.

The Convention will meet next year with the First Church at Spindale, the fourth Saturday and Sunday in August.

"Faith is the Victory." May the new Associational year be faced with zeal and determination to exercise more faith.

Respectfully submitted,

MARY LOU WEST

The report on the work of the W. M. U. was given by Mrs. C. T. Plybon. Mrs. C. T. Plybon spoke briefly and then presented Mrs. J. A. Hunnicutt, who gave a wonderful message on the work. Then Mrs. Plybon urged the pastors to co-operate with them in the great work of the W. M. U. The report was adopted.

REPORT OF THE W. M. U. TO THE SANDY RUN BAPTIST ASSOCIATION

The permanent watchword of the Union is: "Laborers together with God." 1 Cor. 3:9. The watchword for this year is Jesus said, "As the Father hath sent me, even so send I you." John 20:21. With these scriptures as our inspiration much joy has come to those who in any way had part in carrying forward the work of the W. M. U. in the Sandy Run Association.

The twenty-fourth annual meeting was held with the Green's Creek Church on August 28. The theme of the program was: "Sent to Serve." The high light of the morning session was the address by Rev. J. C. Powell, Missionary to Africa. His subject was, "Diseases of Africa." In the afternoon Miss Mary Currin, State Young People's Leader, of Raleigh, brought a most inspiring message, using as a subject, "On Highest Mission Sent."

One of the most enjoyable features of the day was the playlet, "How the Dolls Became Missionaries," by the Sunbeams of Cliffside.

About 200 delegates and visitors enjoyed the splendid hospitality of the ladies of the Green's Creek W. M. U.

Reports of the Associational officers show gratifying progress has been made along all lines. Our records show fourteen new societies.

including Junior organizations, have been added to the list this year. This year being the fiftieth birthday of Sunbeam, special efforts have been made to organize a Sunbeam Band in every church having a Missionary Society. Six new Bands have been organized thus far. Gifts to Missions show a substantial increase over last year's gifts. The work is the Lord's and we bless His name for every forward step that has been made.

The banner for the largest increase in membership was won by the Concord W. M. U.

The annual meeting next year will be held with the Caroleen church, the latter part of August.

We ask for the prayers and co-operation of every pastor and church in the Association.

Respectfully submitted,
MRS. C. T. PLYBON

After we had sung "We're Marching to Zion" Dr. S. E. Welchel brought the historical report. This was adopted.

HISTORY OF SANDY RUN ASSOCIATION

Brother Frank S. Hall has given us a sketch of the history of the Association from 1890 to 1933. If the Association desires to continue the office of historian there is a field for many subjects of historical interest. We might have the history of some of the leading men, pastors, moderators, a history of the interest in various causes, as missions, temperance, etc. With this in mind, I offer a short sketch of:

Church Building in the Sandy Run Association

When the Association was organized in 1890, ten years passed before there was any report made in the minutes of the Association. The meeting house has never been emphasized by Baptists until of recent years. The one square room for the preaching service was the custom everywhere. In 1900, when the first report was made, 29 churches reported a total property value of $20,200. The value of each building ranged from $175.00 to $2,500.00. This high valued building was the Henrietta church. Forest City came next with $1,500.00. The average was from five to six hundred dollars.

The coming of cotton mills and the advance of industrial life brought greater prosperity. Along with this came the Sunday School movement. More was invested in church buildings. At the peak of the 1922 prosperity boom, following the World War, there was a new advance in church buildings. In 1900 the church property value was

$20,200. In 1920, $110,000.00; in 1935 we now have a church property value of $545,750.00; more than one-half million dollars. For example, the Alexander church at Forest City has 35 thousand; the First Church has 141 thousand; Bethel church at Ellenboro has 15 thousand; Cliffside has 100 thousand; Spindale First 34 thousand. Others may be mentioned.

These buildings were erected during the boom days of prosperity and the churches have had heavy debt during a depression. It is a marvel to notice that only $51,000 now stand on the more expensive buildings. These churches are well equipped with departmentized Sunday school rooms and well arranged auditoriums for the preaching service. We place the chief emphasis on building a plant for practical work. Religion also expresses itself in the beautiful, indeed, in music, and also in art. We may rightly worship the Lord in beautiful buildings.

S. E. WELCHEL

Here we had the report of the committee on Time, Place and Preacher, which was adopted as follows:

TIME, PLACE AND PREACHER

Time, Wednesday and Thursday before second Sunday in October, 1937.

Preacher, Rev. L. N. Epley. Alternate, Rev. Dean Smith.

Place, Concord. Semi-annual meeting time, Thursday before second Sunday in April. Place, Race Path church.

A. M. McKENNY
L. T. ROLLINS

The report on Temperance and Public Morals was given by Rev. C. T. Plybon. The report was adopted and addressed by Dr. M. A. Adams, who is associated with the United Dry Forces of North Carolina. An offering was taken which amounted to about $19.00.

REPORT ON TEMPERANCE AND PUBLIC MORALS

Luke 21:34. We read, "Take heed to yourselves, lest at any time your heart be overcharged with surfeiting, and drunkenness, and cares of this life, and so that day come upon you unawares."

That we need to be much concerned about the subject here assigned is evident to any clear thinking mind.

The subject of Temperance and Public Morals is not confined to any one, but all of our senses.

Perhaps we have failed most not in our action, but in our seeing, feeling and thinking.

Would it be unkind or wrong to say the average person today is intoxicated and immoral in his seeing, feeling and thinking? It seems to the writer of this report that just a glimpse at the things most people are engaging in and endorsing as being all right, is sufficient proof that we have lost the true conception of right and wrong.

We think the trouble is not with the saloon and the makers and sellers of strong drink, nor the indecent pleasures our people are indulging in, but the home life of our people. Make the home right and all else will be right.

Fathers and mothers, wake up; the souls of our people are being taken captive by the flesh. Think awhile and then open your eyes and see some things that are taking place, then let what you have seen and thought possess your entire being, then your action will be to bless and not curse humanity.

May I paraphrase: As a man seeth, feeleth and thinketh, in his heart so is he.

Respectfully submitted,
CHARLES T. PLYBON

Then we were adjourned for dinner by prayer, Rev. C. B. Vause leading in the prayer.

THURSDAY AFTERNOON

After a hymn led by J. Rector Robbins, Rev. E. P. White led us in prayer. Then, Rev. R. L. Crawford brought the devotional, using as his scripture II Sam. 1, and his theme was "Be of Good Courage." He brought a very fine message. Dr. Geo. Burnette led us again in prayer.

Dr. Burnette introduced his companion, Mrs. Burnette, who spoke briefly, but interestingly.

Rev. Jas. W. Jones brought the report on Relief and Annuity. And then Brother Jones addressed the report, urging and challenging us to better provide for our "Old Worn-out Soldiers of the Cross." The report was adopted.

MINISTERIAL RELIEF AND ANNUITIES

The Relief and Annuity Board of the Southern Baptist Conven-

tion, with headquarters in Dallas, Texas, with Dr. Thomas J. Watts as Executive Secretary, is faithfully and sympathetically administering and distributing the funds placed in its hands by the churches. The care of our aged and disabled preachers, and the widows and orphans of deceased preachers deserve the prayerful attention of all our people. We should care for them because of our love for them, but especially because of our love for Him who said, "Inasmuch as ye have done it unto the least of these my brethren, ye have done it unto me."

What Southern Baptist are doing through their Board for the veterans of the Cross is helpful but insufficient. The relief benefits paid during the past year amounted to $73,485.37, and this amount was paid to 1,065 ministers and widows about equally divided, in whose homes it is estimated there were 150 dependent children. The Board began the year 1936 with 1,160 beneficiaries and this number may be increased during the year. The Board receives only 2.8 per cent of the South-wide Co-operative Program funds, which amounted to $42,377.89 last year. The Board received as designated gifts and income from invested funds in states an additional sum of $23,595.85, or a combined total for our relief work of $65,973.74. With this amount the gifts averaged about $70.00 per year per person, or about $1.34 per week per person. The per capita gift of Southern Baptist to this cause last year was two cents per year.

The Relief and Annuity Board has several plans by which Ministers can provide insurance protection against old age, and for the care of their widows and orphans, namely: The two Contributory Pension Plans, (paid jointly by churches and pastors), The Special Annuity Plan; the Special Deferred Annuity Plan; the Savings Annuity Plan and other plans that can be secured by the ministers. The Board paid in Annuitants' Benefits last year $165,899.73.

Your committee would suggest that every minister and interested person write to the Board and secure literature and information about the Relief Plan for aged ministers, their widows and orphans, and also secure information about the different Annuity Plans one can secure for future protection.

Respectfully submitted,
JAS. W. JONES

Brother C. L. Taylor spoke on Memorial of our deceased brethren and sisters of the past year. Several paid tribute to those of their acquaintance who had passed on to the land from whence no one returns. There was no report due to the fact that the church letters were not at hand.

The next order of business was the report on Sunday

School work for the past year. This was read by Mr. Vance Price, who addressed the report; and then Mr. A. M. McKinney, the new superintendent, spoke. Both brought interesting talks. The report was adopted.

REPORT ON SUNDAY SCHOOL

We now have fifty-seven churches in the Sandy Run Association, with a membership of 13,700. We have enrolled in Sunday Schools, 11,100—2,600 less than church membership.

We have 1,015 officers and teachers working in these fifty-seven churches, yet we lack 2,600 reaching a number equal to our membership. We need 200 new workers at once to reach our goal of 13,700.

We have an average attendance of 6,000. Where are these 7,700 that are away from God's house on Sunday? Brother—Sister—Please be serious; the building material of the church of God is among us; won't you help us reach them?

We now have as regular Associational Sunday School workers, Associational Superintendent and Secretary, Department Superintendents and eight Group Superintendents. But this group is fearfully handicapped for want of expense funds. May God lay His hand on the Sandy Run Association in such a way as it will be willing to put on an honorable program in such proportions as will reach our fine people for the church and God's Kingdom.

We believe an Associational-wide effort conducted by Associational S. S. officers properly supported, will be the greatest benefit both in enlargement of church members and in enlisting them in Kingdom work, than any other piecemeal effort. Leave off the study of God's Word and we are helpless.

Your retiring superintendent and Secretary sincerely hope and pray you as an Association will arrange a program of worthy proportions and properly supported by prayer, co-operation, and financed in such a way as will make possible the reaching of every one in our territory.

God is calling; will you answer?

A. G. HAMRICK, Superintendent
MRS. A. G. HAMRICK, Secretary

Prof. J. Rector Robbins made a brief and inspiring talk on the subject, "The Place of Gospel Music in Our Churches."

Dr. Davis, pastor of the First Baptist church of Asheville, N. C., was to have spoken at this time, but due to inclement weather, he had not yet arrived.

We proceeded with final business. Short talks were made by Rev. C. C. Crow, Rev. W. K. Wyatt and Mrs. George Burnette.

Then we had the report of the Resolutions Committee which was adopted as follows:

REPORT ON RESOLUTIONS

We, the Resolutions Committee of the Sandy Run Baptist Association, in session at Mount Harmony Baptist Church, on October seventh and eighth, nineteen hundred and thirty-six, present the following resolutions:

Be it Resolved:

(1) That this body request the Executive Board of the Sandy Run Baptist Association to plan the program for the annual meeting in the month of July. This is requested in order to give ample time for correspondence with State Workers and to allow local persons making reports more time to prepare same.

(2) That we, the Sandy Run Baptist Association express our gratitude and commendation to the Executive Board and pastors for their consideration and excellent planning of our program.

(3) That the Sandy Run Baptist Association express its appreciation to the pastor and people of the Mount Harmony Baptist Church for the fine way in which they have entertained us. Their consideration for our convenience and comfort has greatly endeared them to us.

The motion was made by Rev. J. A. Hunnicutt to use the balance of the undesignated funds in the Treasury at present to pay the Clerk and Associational expenses for same. And that the balance be paid to Boiling Springs College. Also that the Clerk's salary be increased from $25.00 to $30.00. This received a second and was unanimously adopted.

Dr. Davis, having now arrived. The body voted to prolong the time 30 minutes to hear his message.

Dr. Davis brought an inspiring message which held the interest of the people, even though they were tired. His message was , "A Closer Walk With God." He took as his scripture the "Great Commission of Our Lord."

After a Congregational hymn. Rev. J. A. Hunnicutt led the closing prayer. And we were adjourned until Wednesday and Thursday before the Second Sunday in October, 1937. When we hope to meet at Concord Baptist Church for our next Session. However, we will have a one day session Thursday before the Second Sunday in April (April 8, 1937), at Race Path Baptist Church.

FROM SEMI-ANNUAL MEETING

Inasmuch as Boiling Springs Junior College is supported by the Sandy Run Baptist Association and the Kings Mountain Association, but administered by a Board of Trustees elected by these associations;

And inasmuch as at our annual meeting a nominating committee does not have the time and facilities for determining who will serve, and who will co-operate best as trustees of the aforesaid institution; therefore,

Be it resolved that we, the Sandy Run Baptist Association, in session this the eighth day of April, 1937, ask the Board of Trustees of Boiling Springs Junior College to present nominating committee to the Sandy Run Baptist Association the names of the persons whom they believe suited for the position as trustees of the aforesaid institution. The Association shall have the privilege of making nominations from the floor, and those persons elected by the Association shall serve as trustees.

Be it further resolved that a copy of this resolution be sent to the Board of Trustees of Boiling Springs Junior College, and that a copy be sent to the Kings Mountain Baptist Association.

ANNUAL REPORT OF THE MODERATOR OF THE SANDY RUN ASSOCIATION IN BEHALF OF THE EXECUTIVE BOARD

My Dear Brethren and Sisters in Christ:

It gives us great pleasure to report the activities your Board and your work for this Associational year:

The Board with all of the other departments had a very busy year. We have held the following meetings:

A quarterly meeting at Forest City the second week in January, which was attended by a large number of workers from the various churches. The next meeting was in March at Mt. Pleasant Church, which took the nature of a Men's meeting. This was a great spiritual uplift. Much information and enthusiasm was generated. We are grateful to the ladies of Mt. Pleasant Church for their splendid hospitality in preparing dinner for this occasion.

The third meeting was at Race Path. This was an all-day service and the Race Path ladies entertained us with a splendid dinner. This was the semi-annual meeting which was recommended at the last meeting of the Association. Great speeches were made and the day proved to be one of great spiritual uplift.

The next meeting of like nature was held at the Forest City Church on Monday night, September 6. A large crowd attended and Brother Perry W. Crouch, of Raleigh, made us a splendid address.

The Executive Board met again on September 8 and prepared the program for this session of the Association.

We will not speak in detail of our Sunday School work, B. T. U. and W. M. U., nor promotion work. The heads or Superintendents of these departments will make their report.

We note with gratification that great progress has been made along all lines of our Lord's work. We believe that our people are becoming better informed and have a better understanding of their work and duty. We note that many Preachers' homes are being erected and that better salaries are being provided for our pastors. The churches are manifesting a beautiful spirit by sending their pastors to the Southern Baptist and State Conventions and we believe the spiritual life of our people is on the increase. We earnestly plead for a better co-ordination of all the work of our Association.

We would call your attention to the objectives set out last year and urge the continuance of same with the suggestion that an Associational Missionary be employed to work among us. We would recommend that we co-operate fully in the stewardship campaign this fall. We would urge our churches to co-operate in putting on daily vacation Bible Schools. We would recommend that we have, during the coming year, quarterly meetings, bringing all of our association officers and workers together for counsel and information. We would recommend the continuance of the Semi-annual meeting as we

had this year. We would suggest to all churches that they continue to co-operate in forming fields and locating pastors in our midst. We would urge all of our churches to make monthly remittance of all finance to the various objects fostered by our association. We would urge our people all to take and read the Biblical Recorder.

As a suggestion for the financing of all of our associational work, we would like to submit the following:

That we set as our objective the encouraging of each church in our Association to make a once a month offering to our Orphanage work at Thomasville. And to send a once a month offering to M. A. Huggins, of Raleigh, for the Co-operative Program; and a like sum to Boiling Springs Junior College. Also that each church be asked to make a contribution to the Alexander home.

Be it resolved that we hereby beg, entreat and implore each and all of our pastors, members and Associational leaders in each department to co-operate with each other in this, our Lord's work, with brotherly love, good will, unity and Christian fellowship, to the end that there shall be no hindrance to the Gospel.

The recommendations were unanimousy approved.

May the blessings of our Lord be with us as we continue to work together in the great cause of winning souls.

Respectfully submitted,

J. A. BROCK.

———o———

The Sunday School Work was reported by Mr. A. M. McKinney, Associational Supt. After the adoption of this report Mr. McKinney addressed the report with a very challenging message.

The Relief and Annuity Work was reported by Rev. B. M. Strickland. And after the adoption of this report brother Strickland spoke briefly and interestingly on this subject.

Mr. Sinclair, an evangelistic singer, brought us an inspiring message in song. After which Rev. McCaughin was given time to speak on our Baptist Hospital at Winston-Salem.

After announcements were made we sang together, "The Old Rugged Cross." Then Brother L. N. Epley brought to us the Annual Sermon, using as his scripture John 11:25-28. Text, John 11-28. His subject, "THE MASTER." Brother Epley brought an uplifting message, as follows:

1. THE MASTER TEACHER.
2. THE MASTER PREACHER.
3. THE MASTER HEALER.

4. THE MASTER OF THE DEAD.
5. THE MASTER SUFFERER.

Adjournment Prayer, Rev. Epley.

—o—

WEDNESDAY AFTERNOON

We came back into the house promptly at 1:15 for the afternoon session. And after singing "Love Lifted Me," brother Gaston Camp led us in the devotional using as his scripture Matt. 14 and Mark 6. This was a very interesting message.

Temperance and Public Morals was the next item of consideration. Mr. Grover Harrill not being present with the report, Dr. M. A. Adams was given the full time to discuss this subject. The collection taken for this work amounted to $25.86.

Mrs. J. A. Hunnicutt brought the report on the W. M. U. Work. The report was adopted. Then she addressed the report with an interesting message.

After we had sung "Our Best" Miss Mildred Beason gave the report on the Associational B. T. U. Work. And after the adoption of the report she addressed same with a challenge to all pastors and churches to co-operate in its promotion.

Mrs. T. T. Long gave the report on Religious Literature. And after its adoption gave Mr. R. G. Terrell of the Biblical Recorder the time for discussion.

The Resolutions Committee recommended that we give Mr. Zon Robinson of Wake Forest time to discuss Religious Education, which he did in a masterly manner.

Upon the request of Mr. R. G. Terrell the association voted that Mr. Robinson submit a copy of this message for print in the Biblical Recorder.

Mr. DeMont Clark brought a Stereoptican Lecture on "God's Acre Plan of church finance which was enjoyed by all.

Final announcements and adjournment for the day.

—o—

THURSDAY MORNING

After a hymn brother W. P. Biggerstaff led in prayer and Rev. T. M. Hester conducted the devotional from the Scripture of John 15:1-ff.

MISCELLANEOUS

The first item of business under Miscellaneous, was the granting of letters of dismission to the following churches: Cherokee Creek, to unite with the Broad River Assn. in S. C. Spindale First, Morgan's Chapel, and Hickory Grove to unite with the Green River Association.

BAPTIST ORPHANAGE

Next, the report on Baptist Orphanages was made by Rev. W. P. Biggerstaff, after which Dr. W. A. Ayers was recognized to present the matter of a Library for Kennedy Home. There was a motion to adopt the matter and it was adopted along with the report. All pastors were asked to co-operate by appointing a committee to solicit at least $1.00 from each one who wished to have a part in this work in their local churches. After this Mr. McMillan from the Orphanage brought an interesting talk.

RELIGIOUS EDUCATION

A report on Christian Education prepared by Solicitor C. O. Ridings was read by Mr. T. T. Long in the absence of Mr. Ridings. The report was adopted and President Burnette from Boiling Springs brought an inspiring address.

PROMOTION WORK

Rev. C. C. Crow, Chairman, made his report for the past year. And after the adoption of report Rev. Crow addressed the report.

DIGEST OF CHURCH LETTERS

The Clerk, Rev. T. H. Parris, gave the digest of church letters, first pointing out that the Association as a whole had made a marked gain in all phases of the work. And then calling attention to the fact that some of the churches by name had fallen far beyond expectation. It was voted to ask all churches to send letters this time (for next associational year) to the Clerk in plenty of time for tabulation before meeting.

CO-OPERATIVE PROGRAM

In the absence of Rev. C. B. Vause, Rev. W. P. Biggerstaff read the report. And after its adoption Brother M. A. Huggins, Secretary of the Baptist State Convention, made a marvelous

address enjoyed by all.

We were then adjourned for the Noon hour by Mr. Huggins.

THURSDAY AFTERNOON

After a hymn, Dr. W. A. Ayers led us in prayer and Rev. J. W. Jones brought an uplifting devotional, using as his scripture Acts 2:41ff.

Mr. Wade Bostic was granted time to discuss the geographic situation of our Missionaries in China.

We recommend that the Association undertake to raise sufficient money to erect a suitable memorial to the late Rev. Z. D. Harrill and that Rev. C. G. Crow act as chairman of the following committee to raise said money: C. C. Crow, J. U. Rollins, S. C. Getty, T. T. Long, G. C. Harrill, G. M. Cole, and Vance Price.

That said Memorial be bought when the necessary money is in hand.

EXECUTIVE COMMITTEE REPORTS

We, the Executive Committee of the Sandy Run Baptist Association, recommend the following provisions for the Associational Missions for the Associational year 1938:

(1) That each church contribute 4c per member for the members reported to the Association for the year 1937.

(2) That this sum be mailed to the Associational Treasurer as early in the year as possible so that ample provisions be made for defraying the expense of the Sunday School, B. T. U., W. M. U., Promotion Committee, and Moderator during the coming year.

(3 That this 4c per member be all any church is asked to contribute to the Association for the printing of minutes, clerk hire, and all work of the Association; furthermore, that the minutes be distributed proportional to the contribution of the churches.

(4) That the finance committee for the purpose of raising this budget be composed of:

The Promotion Committee, Chairman.
The Supt. of the W. M. U.
The Supt. of the Sunday School
The President of the B. T. U.
The Moderator
The Clerk.

(5) That on August 1st, 1938, and each year thereafter the Associational Treasurer present to the clerk a list of the churches which have not contributed to the Associational Budget, and that the clerk in mailing out the letters to the church clerks request that the church send 4c per member with their letters so the church may receive minutes and the work of the association be financed.

(6) That this principle of financing the work of the Association be adopted as a permanent policy; the amount contributed per member to be raised or lowered as the need may be.

(7) That regardless of the amount received through this plan, a sufficient sum of this money sent by the churches be held in reserve to pay the Clerk's fee, and the printing of the minutes.

Respectfully submitted,

THE EXECUTIVE COMMITTEE:
W. P. BIGGERSTAFF
R. L. CRAWFORD
W. G. CAMP.

———o———

Since the Green Street Baptist Church of Rutherfordton has changed its name to East Side Baptist Church. Therefore be it resolved that this Association recognize this change.

Respectfully submitted,
W. P. BIGGERSTAFF
R. L. CRAWFORD
W. G. CAMP.
Committee.

———o———

It has come to the attention of your committee that the Federal Government is seriously considering a taxation of all unlisted property, which would include church property. Therefore, be it resolved: That the Sandy Run Baptist Association, now in session, do hereby protest such a move upon the part of the Government, with reference to church property. Our feeling is that the churches of our land have saved the Government much expense in services rendered humanity through their works of charity, educational institutions and moral influence.

W. P. BIGGERSTAFF
R. L. CRAWFORD
W. G. CAMP.

———o———

We, the delegates, pastors and visitors in attendance upon this session of the Sandy Run Association, wish to express our most sincere thanks to the pastor and people of Concord Church for their warmth of welcome, their generous hospitality and for every kindness and consideration shown us while we have been in their midst.

Respectfully submitted,
W. P. BIGGERSTAFF
R. L. CRAWFORD
W. G. CAMP,
Committee.

———o———

Since some of the matters to be handled by the Resolution Committee are entirely too important and far-reaching to be passed upon by said Committee in the very brief time allowed. Therefore, we rec-

ommend that there should be a standing Committee on Resolutions and that all resolutions of importance be presented to this Committee at least thirty days before the regular Association convenes.

W. P. BIGGERSTAFF, Chairman,
W. G. CAMP,
Committee.

—o—

—o—

Rev. C. C. Matheney, Pastor of the Second Baptist Church, Shelby, N. C., brought the closing "Inspirational Address," using as his Scripture Acts 1:7-8 and Romans 10: 13, 14, 15. Brother Matheney, true to himself and his noted ability, inspired and challenged us to higher and nobler living.

Then, Moderator Brock called all the Pastors, Deacons, and other leaders to come forward and form a circle while we prayed together for the Lord's blessings and leadership for the coming associational year.

This was the closing feature of the associational meeting. One of the best associational meetings that we have had in the Sandy Run.

MODERATORS AND RESOLUTION COMMITTEE REPORT

Rome, 1:7-9 To all that be in Rome, Beloved of God, called to be saints: grace to you and peace from God our Father, and the Lord Jesus Christ.

First, I thank my God through Jesus Christ for you all that your faith is spoken of throughout the whole world. For God is my witness, whom I serve with my spirit in the gospel of His son, that

without ceasing I make mention of you always in my prayers: Dearly beloved of the Lord; Again we come to the annual meeting of our Association, with profound gratitude to our Heavenly Father for His marvelous grace, and unnumbered blessings bestowed on all our churches this past year. May we humbly acknowledge His goodness to us and rededicate our all to Him, while we lift our eyes and look on the great harvest fields which are now ready for reapers.

Your executive committee met in October last year and planned the work of the Association for the whole year. We have held five associational meetings this year with gratifying results. The churches have responded to our appeals for cooperation in a beautiful Christ like spirit. We have the finest fellowship among our good pastors, that cannot be excelled any where. We are making progress.

For your consideration we recommend the following objectives:

1. We urge the churches to make up the Associational letter just as soon as possible after the close of the Associational each year, and to send it to the clerk of the Association.

2. We strongly urge that we continue the plan of financing our Associational work, by asking each church to contribute at least 4 cents per present church member. That this money be sent to the associational treasurer, each month or quarter.

3. We commend to our people the Biblical Recorder, and urge our churches to place the Recorder on the budget.

4. We believe that our churches should support the Alexander school for motherless children, on an equal footing with the Thomasville Baptist Orphan Home. A large number of children from Rutherfordton County are in the Alexander Home, we therefore urge the churches to give to this institution.

5. We ask that since this is to be the fiftieth year of the life of the Sandy Run Association, that our Executive Board arrange a suitable program during the year for the celebration of this great event.

6. That we should attempt great things for our God and undertake a worthy task for His Great Name.

7. We therefore: Recommend that we set as our goal the task of undertaking to raise during this associational year the sum of seven thousand dollars for the Co-operative Programme, five thousand dollars for Boiling Springs Junior College and three thousand for the two orphan homes, (Thomasville and Alexander Home).

8. We urge that the money be sent for the Co-operative Programme direct to M. A. Huggins General Secretary-Treasurer at Raleigh, N. C. That the Church treasurer be urged to send it each month in the year.

That the money for Boiling Springs Junior College be sent each month to the Associational Treasurer and that 25 per cent be retained as a student loan fund upon request of church sending it.

10. We urge all of our churches to co-operate in the Stewardship-Fellowship Week Nov. 21st to 27th. We believe that this will prove a great blessing and help to each church and members.

11. Religious Education and Evangelism are two main forces in our Denominational life, through which the Holy Spirit of God can work. We urge that our pastors, and all of our churches co-operate full hearted with the great South-wide Evangelistic effort during this coming year.

12. We call your attention to the daily vacation Bible schools. We urge each pastor and church to try to hold this school in your church for the benefit of the children of our communities.

13. We the messengers of the Sandy Run Association respectfully request the trustees of Boiling Springs College to take the necessary steps to secure a charter of the college that not only will make it a legal entity, but will give every safeguard to the Baptists of the supporting churches that the college will be a Baptist institution for all time to come.

14. We recommend that the annual meeting of the Sandy Run Association be held with two different churches favored by such churches.

15. We, the Sandy Run Baptist Association go on record as favoring a state wide or referendum on the entire liquor question. Furthermore in the event that such an effort failed to materialize, that we go on record requesting our local representative to exhaust every necessary means towards securing for Rutherford County a referendum on the beer and wine question.

16.We, the delegates, pastors and visitors in attendance upon this session of the Sandy Run Association, wish to express our most sincere thanks to the pastor and people of Big Springs church, warmth of welcome, their generous hospitality and every kindness and consideration shown us while we have been in their midst.

Respectfully submitted,
J. A. Brock, Moderator,
C. W. Harrill,
W. K. Wyatt
C. C. Prince,
Resolution Committee.

HISTORIAN REPORT

Since the last report of the historian in 1936, meetings have been held with the Concord Church and Big Springs Church. The annual introductory sermons were preached by: Rev. T. M. Hester and Rev. L. N. Epley respectively. The semi-annual meeting was held at Sandy Run Church on Thursday before the second Sunday in April, 1938, with gratifying results. This meeting was held because a need was felt for a friendship and fellowship meeting to occur as near as possible at the mid-term of the Associational year. These semi-annual meetings will continue in the future.

Due to the fact that the Sandy Run Association numbers many churches in its organization, and recognizing that other nearby Associations could be strengthened by the admission of additional churches the Sandy Run Association at its forty-eighth annual session held at Concord Church granted letters of dismission to the following churches: Cherokee Creek, to unite with the Broad River Association in S. C. Spindale first, Morgans Chapel, and Hickory Grove to unite with the Green River Association.

We note also that the Green Street Baptist Church of Rutherfordton has changed its name to East Side Baptist Church.

New features of work noted since our last report we note: That a permanent plan of financing all the Associational expenses has been adopted requesting each church to send to the Associational Treasurer 4 cents per member to care for such expenses each year: and it also noted that the Associational year henceforth will end on August 31st instead of last Sunday in September.

The following pastors have been elected to supply pulpits in the association since the last report: Biggerstaff, W. P.; Boone, W. E.; Camp, W. G.; Early, Frank; Epley, Barney; Ivester, Seth;

Phillips, H. L.; Prince, C. C.; Pate R. A.; Tarlton, W. V.; Wood, Tom.

Membership of churches at close of year 1938 consists of 53 with a total church membership of 13,575. We now have 35 pastors, 30 ordained ministers not serving as pastors, and 8 Ministerial students in the Association.

Respectfully submitted,
FLOYD HARRILL, Historian.

OUR CHURCH COVENANT

Having been led, as we believe, by the Spirit of God, to receive the Lord Jesus Christ as our Savior, and on the profession of our faith, and of the Son, and of the Holy Spirit, we do now, in the presence of God and this assembly, most solemnly and joyfully enter into Covenant with one another as one body in Christ.

We engage, therefore, by the aid of the Holy Spirit, to walk together in Christian love; to strive for the advancement of this church in knowledge, holiness, and comfort; to promote its prosperity and spirituality; to sustain its worship, ordinances, discipline, and doctrines; to contribute cheefully and regularly to the support of the ministry, the expenses of the Church, the relief of the poor, and the spread of the gospel through all nations.

We also engage to maintain family and secret devotion; to religiously educate our children; to seek the salvation of our kindred and acquaintances; to walk circumspectly in the world; to be just in our dealings, faithful in our engagements, and exemplary in our deportment; to avoid all tattling, backbiting, and excessive anger; to abstain from the sale and use of intoxicating drinks as a beverage; and to be zealous in our efforts to advance the kingdom of our Savior.

We further engage to watch over one another in brothely love; to remember each other in prayer; to aid each other in sickness and distress; to cultivate Christian sympathy in feeling and courtesy in speech; to be slow to take offense, but always ready for reconciliation, and mindful of the rules of our Savior to secure it without delay.

We moreover engage that when we remove from this place we will, as soon as possible, unite with some Church where we can carry out the Spirit of this Covenant and the principles of God's work.

I hereby agree to abide by the above to the best of my ability.

REPORT OF THE MODERATOR AND EXECUTIVE COMMITTEE

Rev. J. A. Brock, Vice-Moderator, presided while the Moderator read the following report which was adopted.

REPORT OF THE EXECUTIVE COMMITTEE AND THE MODERATOR

Another very successful Associational year has closed for which we are grateful to our heavenly Father. We deeply appreciate the fine spirit of cooperation on the part of our churches and pastors. Without your cooperation, fellowship and support the Associational work could not be accomplished. "For we are labourers together with God." 1 Cor. 3: 9.

We submit to you the following report of some of the work that has been accomplished this year:

First: During the year we have held four Executive Committee meetings in interest of the Associational work and to make plans for the entire year's program. These meetings proved very helpful and successful in carrying on the year's work

Second: One Semi-Annual Associational meeting was held last April with the Drewery Dobbins Baptist Church, which was well attended by all the churches. A very instructive program was rendered throughout the day, discussing Associational, State and Denominational objects.

Third: One Stewardship Revival meeting was held this year with 21 churches taking part. The average attendance during the week was 953 each evening. Several other churches held the Stewardship meeting, but failed to turn in their reports. Our next Stewardship Revival meeting will be held this month. October 23, through October 29, with Rev. J. C. Pipes, of Weaverville, N. C., our Missionary of Western North Carolina in charge of the work. We trust all of our churches will enter the work this year.

Fourth. One Associational B. T. U. meeting was held this year with our B. T. U. Director, Miss Mildred Beason in charge. Fourteen churches took part in the work. An average attendance of 750 each evening, out of an enrollment of 991. Three afternoon rally meetings were held at the First

Baptist Church of Forest City, which were well attended. 458 Awards were received for the week's work. Miss Josephine Turner and Rev. John B. Lane, along with their group of State Workers were with us throughout the week. It is our desire that more of our B. T. U.'s will enter the work this year.

Fifth: Four Pre-Associational meetings were held in August and September to plan for the annual Association meeting. These meetings were held with the Bostic, Cliffside, Green River and Sulphur Springs Baptist Churches. There were 40 churches out of 53 represented in these four meetings.

Sixth: We regret that more was not accomplished this year for our Master, and we trust and pray that far more work will be done in our entire Association for our Lord and Saviour Jesus Christ this year than has ever been done before.

THE EXECUTIVE COMMITTEE,
J. W. Jones, Chairman

RECOMMENDATIONS FROM THE EXECUTIVE COMMITTEE

The Moderator read the following report of the recommendations from the Executive Committee which was referred to the Resolution Committee.

RECOMMENDATIONS FROM YOUR EXECUTIVE COMMITTEE AND ASSOCIATIONAL MODERATOR

As we look forward to a New Associational year's work with all the advantages, blessings, opportunities and privileges for a greater Christian service, your Executive Committee submits to you the following recommendations for your consideration:

First: We recommend that the Association adopt the same financial program this year that we had last year, namely:

$ 7,000.00 for the Cooperative Program.
5,000.00 for our Boiling Springs College.
3,000.00 for the Orphanages (Thomasville and Alexander Home.)

$ 15,000.00 total Associational Budget for the year.

Second: We recommend that we adopt th same Associational expense goal for this year. Namely, four cents per member from each church, for all the Associational expenses.

Third: We recommend that each church elect an Orphanage Representative who will see to it that a once a month Sunday school gift is sent to the Orphanages, regardless of the amount.

Fourth: We recommend that each Church Treasurer send the Cooperative Program Mission money the first of each month to Mr. M. A. Huggins, General Secretary and Treasurer, Baptist State Convention of North Carolina, Raleigh, N. C., regardless of how small or how large the amount may be that the Lord's work may be carried on throughout the world.

Rifth: We recommend that each church elect a Biblical Recorder Representative in their church, who will interest their people in taking the Biblical Recorder and also the Charity and Children, the Commission, the New Home Mission Magazine and other religious literature, that our people may be informed in the great work Baptists around the world are carrying on.

Sixth: We recommend that each church strive to enter into a real Spiritual, old fashion, Holy Ghose revival meeting this year to rekindle, renew and revive the Spirit of Christ in all our churches and in our entire Association.

Seven: We recommend that each church strive to have a Daily Vacation Bible School, a B. T. U. Study Course and a Sunday School Study Course some time during the year, and that if an Associational wide Study Course is arranged for these organizations, each church will enter into the whole Associational program of work.

Eight: We recommend that since our next meeting will mark the

fiftieth year of our Association, that a Historical Associational Minute be gotten up and that a Historical Program be arranged by a Program Committee appointed at this session to make all plans for the Golden Jubilee meeting next year.

Ninth: We recommend that our Association join the Green River Association in a semi-Annual Association meeting during the month of April to celebrate the 100th birthday of the Green River Association and the 50th birthday of the Sandy Run Association. That a committee of three be appointed to work with a committee of three from the Green River Association to make all arrangements for this meeting.

That this joint meeting to take the place of our regular Semi-Annual Associational meeting.

These nine recommendations come to you from your Executive Committee trusting you will adopt them and then, as "Labourers together with God," strive to carry them out in your own respective church that all of our Associational work may push forward in a glorious way this year.

J. W. Jones, Moderator

Hymn, 'Standing On The Promises," led by Brother Green.

REPORT OF THE COOPERATIVE PROGRAM

Rev. C. C. Crow read the following report on the Cooperative Program which was adopted, after discussion by C. C. Crow, Rev. J. A. McCoin, who discussed the Hospital in general, and Mr. M. A. Huggins, General Secretary and Treasurer of the Baptist State Convention.

REPORT ON COOPERATIVE PROGRAM

The full scope of the objective and purpose of Southern Baptists is summed up in Matt. 28: 19-20 and Acts 1: 8. The Cooperative Program is a plan to enlist all Baptists to support all the work fostered by Southern Baptists in Jesus' world-wide program. All the causes in the program are included in the Great Commission and all the causes in the Great Commission are included in the program. The plan is sensible, scriptural, and successful. There is a firm and growing conviction among our enlarging host that the Lord Himself has led us in the making and working out of the Cooperative Program.

Our State, South-wide, and World-wide denominational causes are all included in the Cooperative Program. The State Convention decides what State objects are to be included and the percentage they are to receive; the Southern Baptist Convention decides as to South-wide causes. The aim and desire is to provide funds sufficient to care for all our causes and to contribute to each according to its relative need.

The distribution of funds is as follows: Out of every dollar 60 per cent remains in the State Convention Program; 40 per cent to South-wide and World-wide causes. The State distribution is to: State Missions 15 per cent, Christian Education debt service 40 per cent; Hospital at Winston-Salem 4 per cent, Ministerial Education 1 per cent. Total 60 per cent. The Orphanage is not in the Cooperative Program.

To the South-wide objects the apportionment is: Foreign Missions 50 per cent, Home Missions 23 1-2 per cent, Relief and Annuity 10 1-3 per cent, Southern Baptist Seminary 4 1-5 per cent, Southwestern Seminary 4 1-5 per cent, Baptist Bible Institute 4 1-5 per cent; W. M. U. Training School .8-15 per cent, American Baptist Theological Seminary 1 per cent, Southern Baptist Hospital, 2 1-5 per cent.

The Cooperative Program is the result of long study, much prayer, and large experience. It seeks to enlist every member of every church in the

intelligent, enthusiastic, cheerful, and adequate support of every cause dear to the heart of our Saviour and his people. It seeks to build the Kingdom of God by winning the lost to Christ, building them up in the faith, and enlisting them in the active service of Christ and humanity. It seeks men rather than money; in other words, money is merely a means, Christian character, culture and consecration is the ultimate end. The Cooperative Program is a plan or method to provide money for the support of our work. Every cause in it is concrete. We do not give to the Program, but through the Program to missions, education and benevolences. It will not work itself, no plan will. We must study, pray, and work if the plan succeeds with us. The best way to promote the Cooperative Program is to study the Word of God on the subject of Christian Stewardship, study the causes included in the Program and go out to enlist every member of the church to its support through the Every Member Canvass. We must keep the fires of evangelism burning all the year. Our hearts must be kept warm if our lives are to be kept right and our offerings worthy and sufficient. With the pressing need of our beloved State, our Southland, and the war-torn nations across the sea it greatly behooves us as witnesses and workers of Christ to arouse ourselves to the full and adequate support of all these needs by and through this worthy method.

We therefore make the following recommendations:

1. That we approve the Cooperative Program and pray God's blessings upon this effort to support all our denominational causes.

2. That we request all churches to put on the Every Member Canvass for both local expenses and the Cooperative Program, (November or December as desired.)

3. That each church observe a fair ratio in distributing its funds for local expenses and the Cooperative Program. (Ideal ratio 50-50.)

4. That all Cooperative Program receipts and other denominational funds be remitted promptly each month to M. A. Huggins, Raleigh, N. C.

C. C. CROW

Mr. Huggins informed us that in 1923 Sandy Run Association had 9,316 church members, who gave $18,810.00 to the Cooperative Program, and in 1938 with 13,750 church members only gave $8,000.00 for all Cooperative Program work. A gain of 4,434 church members and a decrease of $10,810.00 in Mission Gifts.

ANNUAL SERMON

The Annual Sermon was preached by Rev. W. V. Tarlton. Subject, "Magnifying Christ Through His Church." Scripture, Eph. 5: 22-23. Song, "Amazing Grace," led by Mr. Rector Robbins. Benediction by Mr. M. A. Huggins, after which the morning session adjourned for dinner.

A bountiful dinner was served by the good women of Camps Creek Baptist Church which was a real feast and enjoyed by all.

FIRST DAY AFTERNOON SESSION

The Association re-assembled at 1:30. Hymn, "Draw Me Nearer" was led by Mr. J. Rector Robbins.

BOILING SPRINGS COLLEGE

Rev. J. R. Cantrell, President of Boiling Springs College in charge. The Boiling Springs Chorus rendered two beautiful hymns, "Bless The Lord, O My Soul" and "God So Loved The World." Rev. W. P. Biggerstaff led in prayer.

President Cantrell spoke of 'A Greater Boiling Springs,"

using Matt. 28: 19-20 as a Scripture Lesson. He pleaded for three things:

First—For all to pray for the college.

Second—Give the institution your moral support.

Third—Undergird the institution with your means.

Miss Downie voice teacher at the college rendered a very beautiful and Spiritual solo, after which Brother J. A. Brock led in prayer for our Boiling Springs College, President, Faculty and student body.

An offering was taken for the college amounting to $35.00 to be used by the President in securing cuts and stationery for his personal use.

REPORT OF THE RESOLUTION COMMITTEE

The Resolution Committee recommended that the Executive Committee's Recommendations to the Association be adopted as presented by the Moderator. (Recommendations printed under Morning Session.) The report was adopted.

The Resolution Committee recommends the adoption of the following enlargement plan for Boiling Springs College:

RECOMMENDATION IN BEHALF OF BOILING SPRINGS COLLEGE

First: Your committee readily and heartily approve of the proposed plan for the enlargement and permanent establishment of Boiling Springs College as proposed by President Cantrell. We believe it to be wise and workable. We therefore recommend it to this body for your careful consideration and urge, which we feel you will, that you dispose of it under Divine guidance as to whether our President is permitted through our effort of putting on such proposed program in our Association.

Second: We also recommend that if the proposed program be received favorably that we of the Sandy Run Association take a definite project of tangible description to present to our people that they may have a peculiar interest and urge in the proposed effort to enlarge and establish this much needed college.

Third: We further recommend that a goal of $20,000.00 be set up to be raised in the next two years, ($10,000.00 each year) over and above the present support to Boiling Springs through regular channels; and that no operation toward erection of proposed project be begun until proper funds are well in hand. The Trustees of the Sandy Run Association approved of this goal.

Fourth: We also recommend under your approval of the plan that the Assocation territory be divided into eleven groups, with Associational chairmen assisted by eleven group leaders, to promote the plan in the churches as follows:

Associational Chairman, Rev. W. P. Biggerstaff. Group No. 1, Floyd Harrill, leader; Group No. 2, Ed Whitaker, leader; Group No. 3, J. C. Hames, leader; Group No. 4, Lonz Robbins, leader; Group No. 5, J. L. McCluney, leader; Group No. 6, W. L. Hicks, leader; Group No. 7, Mrs. Norman Hutchins, leader; Group No. 8, B. M. Strickland, leader; Group No. 9, Claude Harrill, leader; Group No. 10, T. T. Long, leader; Group No. 11, Dwire Huggins,leader.

C. C. CROW, Chairman
W. G. CAMP
L. N. EPLEY

The above proposed plan for Boiling Springs College along with the eleven groups of churches was accepted and adopted by the Association.

The Time, Place and Preach Committee ask to make their report at this time, and the following report was adopted:

First, the Semi-Annual Meeting will be a Joint Meeting with the Green River Association and the Sandy Run Association, to celebrate the 100th and the 50th Anniversaries of the two Associations. The meeting to be held at the Spencer Baptist Church and the First Baptist Church, jointly, at Spindale, on Thursday before the Second Sunday in April, 1940.

Second, the Annual Session of the Association to be held with two churches again next year. First day with the Bethel Baptist Church, on Wednesday before the second Sunday in October, and the second day with Trinity Baptist Church on Thursday before the second Sunday in October, 1940.

Third, Dr. W. A. Ayers to preach the Annual Sermon, and Rev. B. M. Strickland his Alternate.

W. W. RIMMER, Chairman
T. M. HESTER
A. M. KISER

At this time the Association enjoyed a very fitting duet, "Follow Me," by Mrs. Margaret Brock Hunnicutt and Mr. J. Rector Robbins.

ASSOCIATIONAL W. M. U. REPORT

Mrs. T. C. Lovelace, retiring Associatinonal W. M. U. President gave the following report which was adopted.

W. M. U. REPORT

It is again our happy privilege at the close of another Associational year to bring to you the report of the Woman's Missionary Union of Sandy Run Association.

We pause, as we think on this work, to thank God for His blessings upon the efforts of the Missionary Unions. We see back of the reports that come from the officers, busy women and young people, in the home, the school, the church, and yet they have found time to carry on the activities of Woman's Missionary Union.

Our annual meeting was held in the Mount Pleasant Baptist Church in Rutherford county. Nor will we soon forget the gracious hospitality of the ladies of that church and community. Each year it seems we have the best meeting. The attendance was splendid at both the Young People's Hour on Tuesday evening, August 29, and the regular sessions on Wednesday, August 30. The highlights of the entire meeting were the inspiring messages of Mrs. W. D. Biggs, Executive Secretary of Raleigh, N. C., and Miss Joy Chow, Chinese Student, now at W. M. U. Training School at Louisville Ky.

The following offcers were elected for this year: Mrs. W. P. Biggerstaff, Superintendent; Mrs. C. C. Padgett, Assistant Superintendent; Miss Ella Lynch, Secretary-Treasurer; Mrs. C. C. Prince, Young People's Leader; Mrs. Broadus Moore, Assistant Young People's Leader; Mrs. Clyde McMahan, Stewardship Chairman; Mrs. J. W. Jones, Personal Service Chairman, and Mrs. J. D. Brown, Mission Study Chairman.

High Shoals Woman's Missionary Society won the banner for the largest per cent of increase in membership. An offering amounting to $18.80 was taken for Miss Joy Chow to help with her expenses in school this year. The annual meeting of the W. M. U. will be held the latter part of August next year, at Holly Springs Baptist church with Holly Springs and Sulphur Springs churches as joint hostesses.

There are 39 active Young People's Organizations and 25 active Woman's Missionary Societies in Sandy Run Association with a total membership of approximately 1500. In these organizations last year 24 Mission Study classes were reported; 35 societies observed one or more of the Seasons of Prayer with special offerings; all societies are engaged in some form of Personal Service, and twelve report organized Personal Service Work; 370 subscriptions for religious magazines are reported by W. M. U. members: and there are 161 signed tithers. The amount raised for all purposes, including special offering for State, Home, and Foreign Missions, W. M. U. Training School, 100,000 Club, and Heck Memorial Fund was $3,339.90.

An appeal was sent out last December for many churches to have a part in the Lottie Moon Christmas Offering for Foreign Missions. Trrinity,

Big Springs and Floyds Creek responded with a special offering even though there were no missionary societies in those churches. However, since that time Floyd's Creek church has organized a Woman's Missionary Society.

During Foreign Mission Week at Ridgecrest, 43 persons went from Sandy Run Association on August 2 and attended the services that day.

Through MissionaryPrograms, emphasis on Stewardship, Mission Study, Personal Service, Missionary Bible Study, the program and personality of Jesus Christ is being released to Members of W. M. U. And with such faithful, consecrated leaders in all departments of our work in Sandy Run Association, we look forward to a glorious year for our Lord in Woman's Missionary Union.

MRS. T. C. LOVELACE

Mrs. W. P. Biggerstaff, the newly elected Associational W. M. U. President spoke briefly of the Future W. M. U. Work, using as a Scripture background, Matt. 28: 19-20 and John 14: 15. She stated the aim this year was for more organized Societies. Less than one-tenth of all church members are W. M. U. members.

MISCELLANEOUS BUSINESS AND ANNOUNCEMENTS

Rev. J. A. McCoin, representing the Baptist Hospital at Winston-Salem, stated that no Baptist minister had been charged anything this year for hospital service. Many of our ministers receive this benefit.

Rev. C. C. Crow, Chairman of the Resolution Committee made a motion that we express our deepest heartfelt thanks and appreciation to the Camps Creek Baptist Church, and also to the good women of the church for the beautiful service rendered to the Association throughout the day. This motion second and carried by a rising vote of thanks.

Mr. J. Rector Robbins led the closing hymn, "Send The Light" and the Association adjourned the first day's session to meet Thursday morning with the Prospect Baptist Church. Benediction by Rev. J. R. Cantrell.

PROCEEDINGS SECOND DAY
THURSDAY MORNING, OCTOBER 5, 1939

RELIGIOUS LITERATURE REPORT

The following report on Religious Literature was read by Rev. W. G. Camp, and after discussion by Brother Camp was adopted.

RELIGIOUS LITERATURE

Men of the first centuries wrote crudely on stones and clay tablets. Men of a later period wrote tediously upon the bark of trees and the skins of animals. Then about a hundred years before Jesus was born in the earth the Chinese people had learned to print on paper by means of letters engraved on blocks of wood. About five hundred years ago printing began to be done by means of a movable device, called later the printing press. On and on progress was made, until we now have the modern printing presses turning out their millions of pages of printed matter each day.

Far back in that dim past good literature was rare and costly. Likewise people who could read must have been few and far apart, but today the world not only has millions of books, papers and magazines, but it also has millions of people who can and do read. Literature, good and bad, is comparatively cheap, and free education is the order of the day. In our own fair state, an eight months' school is set within reach of practically every boy and girl, white or black, rich or poor. Since there are many who read and so much offered to be read, it seems that our chief concern should be to help these readers to reject the evil and choose the good, inliterature. Perhaps we should go another step, and provide good literature for many of them. Our reading influences our thinking;our thinking influences character and life. (Read Proverbs 23: 7.)

In view of the things said above we hasten to mention certain types of literature: First, we should give the Bible, God's Word, its rightful place, which is the chiefest place. For this book is indeed "a lamp unto our feet and a light unto our pathway." Then we have many periodicals, books and magazines, connected with our Sunday school, young people's and woman's work. Time and space forbid naming them here. But I would mention specifically the Biblical Recorder and Charity and Children of North Carolina; The Commission, published by the Foreign Mission Board of Richmond, Va., and Home Missions, published in Atlanta, Ga., by our Home Mission Board.

These publications, coming regularly to your home and mine, will enrich the family life and will be as stepping stones upward and onward for Him "who loved us and gave himself for us" and for a wide world of lost creatures.

REPORT ON BAPTIST ORPHANAGE WORK

Mr. R. D. Covington, Treasurer Baptist Orphanage, brought us an inspiring message on the Orphanage and submitted the following report which was adopted.

REPORT ON BAPTIST ORPHANAGE

On November 11, 1885 the first child was received. Since the Orphanage was opened in 1885 it has rendered aid to 4,530 children. These men and women, boys and girls are succeeding in such a way as to amply justify and stimulate continued support of the Orphanage. Two homes are operated, the Mills Home of Thomasville and the Kennedy Home near Kinston. The administrative office, with I. G. Greer, General Superintendent, and R. D. Covingston, Treasurer, is located at Thomasville. Mr. J. C. Hough is Superintendent of Kennedy Home. The Social Service Department is under the supervision of Miss Hattie Edwards. We have now 450 children in Mills Home and 136 in Kennedy Home.

The health record of the Orphanage is good. This is attributed largely to the fact that the children are fed well and that they eat and sleep regularly. They are clothed appropriately for the season. They work, play, and study under proper supervision. The children have educational advantages that compare favorably with those offered by other schools of the state. They have the advantage of a good library where their reading is directed by a skilled librarian. We had a good year on our farms where we produced vegetables, grain, hay and other items to take care of our needs.

Charity and Children has a circulation of over 27,000 and is a great help in our work. We would like to have more of our Sunday schools taking clubs. The price of the paper in clubs of ten or more to one address is 60 cents per copy per year. Money for the paper must be specified for this purpose so it will be properly credited on the books.

We depend on the once a month offerings for Current Fund to support the children. We earnestly recommend that every Sunday school take an offering in Sunday school each month and mail it to R. D. Covington, Treasurer, promptly. We recommend that each church give this year a liberal Thanksgiving offering to the Orphanage to pay up this year's obligations.

REPORT ON TEMPERANCE AND PUBLIC MORALS

In the absence of Rev. J. A. Brock, Dr. M. A. Adams, North Carolina Field Worker, delivered a very helpful message on "Temperance and Public Morals." Brother Brock submitted the following report, taken from the Baptist Courier of South Carolina. The Association gave Dr. Adams an offering of $35.00 to help carry his work forward.

REPORT ON TEMPERANCE AND PUBLIC MORALS

The following report is submitted by Rev. J. A. Brock and taken from the Baptist Courier of South Carolina:

There are many things of a public nature that have attacked the Church of the Lord, and against these things the Church has stood heroically. God did never intende for His people to condone anything that had no respect for the truth, for God and righteousness. Yet the world today would have the people of God to liberalize and say, "We don't see any harm in it." Paul told young Timothy in 1st Tim. 5:20, "Them that sin, rebuke before all, that others may fear."

The god of drink is holding high carnivals and celebrating its godliness all over the nation. The highways and main streets are wearing flaming signs of its destructiveness. 1,300,000 young girls are employed as maids to dish out this fluid of destruction to the hell bound souls of drunkards and drinkers. Our school buildings are silent monuments maintained at the expense of poor drunkards, going to a drunkard's grave and a drunkard's hell, while God is saying in Hab. 2:15, "Woe to him that giveth his neighbor drink, that putteth thy bottle to him, and makest him drunken."

Gambling in its subtle march is capturing many homes through the medium of card-playing, giving birth to gambling experts for the future. It has and continues to dominate many of our businesses in the form of lottery, also in the form of gambling machines, found in many public places. The pool rooms are incubators to hatch out gamblers, and are loitering places for diseased criminals. The Police Commissioner of New York City, said the first place we look for criminals, dope fiends, bank robbers, and anarchists is none other than the public pool rooms.

The problem of divorce is moving with stride through our nation. It has been reported that in the past year there were 83,000 divorces. If that be so, 166,000 men and women have been affected, and on the average two children are affected in every divorce. Along with this number 332,000 persons have been affected, with 83,000 homes torn-asunder, while God is saying, "What therefore God has joined together let no man put asunder." And yet courts, lawyers, men and women are defiantly ignoring God's commands and building up an unestimable army of legalized adulterers and adulteresses. Our nation is fast becoming a nation that will sooner or later be called a nation of divorce.

Dancing is one of the most subtle forces at work in our nation today. We find that most of the eating places only assume the name of eating places. In their disguise they are but places of lust to lure the young men and women into their carefully woven webs, to destroy many of them for

good. Every place that instructs the youth to dance should be labelled and brought out from its subtle business and called the FOUR D's: Dine, Drink, Dance and Die. Dr. Clovis Chappel who is now pastor of the St. Luke's Methodist Church of Oklahoma City said, "Six thousand young girls enter the underworld of bawdy houses every year, and the majority of them enter through the public and private dance halls."

Your committee has no other power than to point out thees startling facts and to urge all pastors and evangelists and all concerned to rebuke them and protect our boys and girls from the intrusions of lustful minded men and women of our day. Your committee believes that the morals are no lower than we desire them to be. We need to come out against everything that demoralizes and take our stand for God, our children, and right like Moses did, when he said, "Who then is on the Lord's side? Let him come unto me."

Re-submitted to Sandy Run Association by J. A. Brock.

After prayer by Rev. C. C. Crow, the morning session adjourned for dinner.

The good women of the Prospect Baptist Church prepared and served a delightful dinner which was a real feast for all.

SECOND DAY AFTERNOON SESSION

The Association re-assembled at 1:30. Rev. W. W. Rimmer led the song service, hymn "Come Thou Fount of Every Blessing." Rev. A. M. Kiser conducted the devotional period, using John 10: 7-18 for his subject, "The Sheep Fold."

REPORT ON MINISTERS RETIREMENT PLAN

In the absence of Dr. W. A. Ayers, Rev. W. V. Tarlton gave a very helpful and instructive message on the New North Carolina Baptist Ministers Retirement Plan by asking and answering questions about the plan. The following report was submitted by Brother Tarlton:

THE MINISTER'S RETIREMENT PLAN

For many years our denomination has felt that old ministers and their widows should not be left in poverty and want when they become too old to serve. We have not had funds, as a denomination,to adequately take care of those who are too old to continue the work of the pastorate. Following the lead of nearly all the other State Conventions our own has adopted this year a 4-4-1 plan whereby the minister gives 4 per cent of his salary, the church 4 per cent and the convention 1 per cent. This goes into a pool so that at the age of 65 the minister may retire with an allowance that is calculated to make it possible for him to live after too old or feeble to be active in the ministry.

Many of our churches and pastors have decided to enter into the plan

and at least treat old ministers on a par with an old horse, and feed and shelter them in their old age. Surely we could not do less than to provide for our faithful soldiers of the cross, when industry, government and fraternal organizations are doing the same.

May God hasten the day when we shall all be willing to go a little farther in our giving that our aged ministers may look to the sunset of life and to the end of a busy ministry with confidence that he shall not starve and with pride in his churches and denomination for helping him to have that which he so richly deserves—food, shetler, clothing.

OUR CHURCH COVENANT

Having been led, as we believe, by the Spirit of God, to receive the Lord Jesus Christ as our Savior, and on the profession of our faith, and of the Son, and of the Holy Spirit, we do now, in the presence of God and this assembly, most solemnly and joyfully enter into Covenant with one another as one body in Christ.

We engage, therefore, by the aid of the Holy Spirit, to walk together in Christian love; to strive for the advancement of this church in knowledge, holiness, and comfort; to promote its prosperity and spirituality; to sustain its worship, ordinances, discipline, and doctrines; to contribute cheerfully and regularly to the support of the ministry, the expenses of the Church, the relief of the poor, and the spread of the gospel through all nations.

We also engage to maintain family and secret devotion; to religiously educate our children; to seek the salvation of our kindred and acquaintances; to walk circumspectly in the world; to be just in our dealings, faithful in our engagements, and exemplary in our deportment; to avoid all tattling, backbiting, and excessive anger; to abstain from the sale and use of intoxicating drinks as a beverage; and to be zealous in our efforts to advance the kingdom of our Savior.

We further engage to watch over one another in brotherly love; to remember each other in prayer; to aid each other in sickness and distress; to cultivate Christian sympathy in feeling and courtesy in speech; to be slow to take offense, but always ready for reconciliation, and mindful of the rules of our Savior to secure it without delay.

We moreover engage that when we remove from this place we will, as soon as possible, unite with some Church where we can carry out the Spirit of the Covenant and the principles of God's work.

I hereby agree to abide by the above to the best of my ability.

REPORT OF THE MODERATOR TO THE FIFTY-FIRST ANNUAL MEETING OF THE SANDY RUN BAPTIST ASSOCIATION

Another Associational year has become history in the churches of the Sandy Run Association. Only Eternity will reveal how successfull we have been; but we are grateful for all that has been accomplished, for every soul that has been led to Christ, for all who have been strengthened in the faith, for every effort that has been made for the advancement of our Saviour's cause and for every offering that has beean made in His name. We pray that God may bless our effort together and bring forth a harvest that will glorify His name. We deeply appreciate the cooperation which you have given and express the wish that that spirit might grow among us. For without cooperation your associational officers are helpless.

We report the following effort on the part of the Executive Committee in behalf of the associational work.

Two Executive Committee meetings were held. At the first meeting it become necessary to accept the resignation of Moderator J. W. Jones as he was leaving our association to take up work in another state. The Vice-Moderator, Dr. W. A. Ayers was recognized as Moderator to complete the unexpired term of Brother Jones. Rev. W. P. Biggerstaff was elected by the committee to succeed Dr. Ayers as Vice-Moderator. At the second meeting of the committee plans for the annual meeting were discussed, and the recommendations were approved to be submitted at this session of our Association. The resignation of our Associational Sunday School superintendent, Rev. W. K. Wyatt, was accepted also at this meeting.

The Semi-Annual meeting of the Association was held jointly with the Green River Association at Spencer Baptist church with the First Baptist church of Spindale cooperating. This joint meeting was held celebrating one hundred years of history for the Green River and fifty years for the Sandy Run. The meeting was oneof fine fellowship and of inspiration for all who attended.

RECOMMENDATIONS FROM THE EXECUTIVE COMMITTEE

1. We recommend that the Association adopt a worthy financial program. We suggest the same amount which has been our goal for the past two years. Namely, $15,000 to be divided as follows.

$ 7,000	for the Cooperative Program.
5,000	for Boiling Springs College.
3,000	for the Orphanages. (Thomasville and Alexander Home).
$15,000	total for the Associational year 1240-41.

2. Realizing the serious need for stimulating and training the young people especially in our churches, and sensing the national crisis that confronts us; we recommend that a committee be appointed to study the advisability of engaging a leader for the promotion of educational work in the churches. We suggest that if such worker be employed, that we find an energetic, capable young man who will be free to devote his full time to the work. If this recommendation should be accepted this committee should recommend means of paying salary, and the amount of salary, of such worker. It seems to us that it would be wise to study the possibility of asking our college at Boiling Springs to help support him that they may use him in promoting the interests of the college in our Association.

3. We recommend that a Religious Literature Representative be appointed to serve in the capacity of promoting religious and denominational literature in the churches of the Association. Among the duties suggested for this Representative should be the securing of a representative in each church to serve with him in the local church.

4. We recommend that all the churches of the Association rally to the support of Alexander Home for motherless children, and suggest that a fifty-fifty division of all funds received for orphanage work would be a fair division.

5. We recommend that a more streneous effort be made in the churches to meet the needs at Boiling Springs College, and especially would we suggest that we make a more determined effort to raise the amount which was adopted at our Associational meeting last fall. Our goal for the Enlargement Campaign for the college was $20,000 to be raised within two years. Only a very small part of this amount has been raised so far.

6. We commend the effort being made to erect a Chapel building at Wake Forest college and urge all churches that can do so to have part in this effort.

7. We wish to commend the Minister's Retirement Plan to all the churches and pastors. We would suggest that the leaders in the different churches are the proper ones to bring this matter to the attention of the

local churches. Many of the pastors feel that the matter is too personal for them to mention.

8. We wish to recommend that semi-annual session of the Association be held next spring at a time and place named by the committee for that purpose.

9. We wish to recognize and commend the work done by the different associational organizations and wish to urge them to carry forward in the work with greater zeal in the coming year.

10. We recommend cooperation with the United Dry Forces of North Carolina and all other such agencies that have for their purpose the improvement of temperance and public morals. We would advise that there are many forces today that would destroy all that the church stands for.

11. We recommend that a committee be appointed at this meeting of the Association with instructions to work out in so far as possible and practicable a time when an association-wide simultaneous evangelistic effort might be made in keeping with resolutions adopted by the Southern Baptist Convention at Baltimore, Md., last June and as suggested by the Evangelistic Committee which was appointed by that Convention. This committee to consist of five members who shall work along the following lines:

1. A general chairman who shall direct the work.
2. Leader of publicity and religious census.
3. Promotion of Highways and Hedges evangelism.
4. Promotion of study course in soul winning in each church.
5. To organize an Andrew Club in each church.

REPORT ON THE COOPERATIVE PROGRAM

Rev. W. V. Tarlton read the report on the Cooperative Program, which was adopted. Rev. Perry Crouch brought the message. In his message he brought out the fact that the reason some churches failed was because there was no real sense of Christ's presence. He told the Association that N. C. Baptists were ahead in Gifts $25,000 or $30,000 to that of last year. North Carolina Baptists have contributed $15,000 of the $150,000 collected in the Southern Baptist Convention, for British Baptist Missionaries who are away from home.

REPORT FOR THE COOPERATIVE PROGRAM

The Cooperative Program is the plan of Southern Baptists for enlisting all of our people in intelligent, systemativ, adequate and cheerful support of all our work. It includes all the regular, organized State and Southwide work of our denomination, seeking to distribute to each cause in proportion to its relative needs.

The Cooperative Program is scriptural including all the causes Christ commanded and only those causes. It seeks to provide for our missionary and benevolent causes by enlisting all to join hands in supporting them.

It had its origin in the desires of pastors and churches to support all the causes of our denomination without disrupting or neglecting their own local programs. It makes it possible for all persons, in every church to have a part in supporting every agency which our denomination fosters. It saves the expenses and inconvenience of having special appeals made by representatives of various causes for their own work.

The program is a means of helping all Baptists to support all causes of our conventions. We do not give TO or FOR the program, but through the program FOR the support of Kingdom causes. It is a worthy and suc-

cessful plan. Let's give it our prayerful and intelligent support.

Objects And Percentages:

60% Of our Cooperative Dollar goes to State Expenses and is divided as follows:

1.	Education ---------- Ministerial Aid	.01
2.	Education ---------- Convention Debt	.39
3.	State Missions ----------	.14
4.	Hospital ----------	.04
5.	Minister's Retirement Fund ----------	.02
		.60

The remaining 40% goes to the Executive Committee of the Southern Baptist Convention and is divided as follows:

1. 50% To Foreign Mission Board.
2. 23 1-2% To Home Mission Board.
3. 10 1-3% To Relief and Annuity Board.
4. 4 1-5% To each of the following: Southern Seminary, Southwestern Seminary and the Bible Institute.
5. .08-15% To W. M. U. Training School.
6. 1% To American Baptist Theological Seminary.
7. 2 1-5% To Southern Baptist Hospital.

Recommendations

1. That we heartily approve of the Cooperative Program plan for the systemative support of our denominational work.
2. That we urge all our churches to support the program and that the teachings of stewardship, education and missions be stressed.
3. That every church try to give a fair ratio between local expenses and the Cooperative Program. Fifty-fifty ideal division.
4. That all denominational funds be sent promptly each month to the State Secretary-Treasurer, M. A. Huggins.

ANNUAL SERMON

The Annual Sermon was preached by Dr. W. A. Ayers. Subject "The Crisis Upon Us." Scripture, I Peter 4:12, 13, was read by Rev. W. R. Grigg. After the sermon, the morning session adjourned for dinner.

A beautiful dinner was served by the women of the Bethel church down at the "Old Church" where the Association was organized fifty years ago. It was a real feast and was enjoyed by all.

FIRST AFTERNOON SESSION

The Association re-assembled at 1:30. Hymn, "Take The Name of Jesus." Rev. W. P. Biggerstaff, Vice-Moderator, presided in the absence of the Moderator.

BOILING SPRINGS COLLEGE

Rev. J. R. Cantrell, President of Boiling Springs College, brought a message on "Some Things That Pertain to Christian Education." After his message the Boiling Springs College Chorus brought two numbers.

REPORT ON ENLARGEMENT CAMPAIGN FOR BOILING SPRINGS COLLEGE

Rev. W. P. Biggerstaff read the report.

REPORT ON ENLARGEMENT CAMPAIGN FOR BOILING SPRINGS COLLEGE

Your committee has made very little progress in its work toward raising the amount of $20,000 which was accepted as a goal by this body at it's meeting last year. The response on the part of the churches has been discouraging, we hope however, that the churches will yet rally to the great need of our college and in a fine way furnish the money to finance buildings that are desperately needed to meet the growing demands on our school.

In cooperation with President Cantrell your chairman contacted all the churches either through the group chairmen or personally and distributed subscription cards that every member of the churches may have the privilege of cooperating in this work. A small number of subscriptions were secured and the following amounts were received from these churches:

Alexander	$ 6.15
Drewery Dobbins	20.00
Floyd's Creek	30.00
Haynes Memorial	37.50
Mt. Olivet	10.00
Mt. Pleasant (C)	6.00
Sandy Run	136.35
Sandy Springs	10.00
Southern	51.70
Spencer	130.00
Total	$437.68

As of September 16, 1940.

Designated To Library From W. M. S.:

High Shoals	$ 1.00
Forest City	12.52
Total	$13.52

Grand total, $451.20.

W. M. U. REPORT FOR 1940

I bring you greetings from the W. M. U. of the Sandy Run Association, and a report of the year's work. The women have turned from their many tasks in and around the home to further the coming of the Kingdom on earth through the W. M. S. and fostering the Young People's organizations.

Our annual meeting was held at the Holly Springs Baptist church. We were entertained in a gracious way. The attendance at both sessions was unusually good. The fact that the men are attending our meetings is encouraging to the W. M. U. Miss Mary Currin, State Young People's Leader was speaker for the Young People's hour Wednesday night, August 27, with Rev. Jacob Gartenhaus of the Home Mission Board bringing the inspirational address on Wednesday, August 28.

The following officers were elected to serve for the following year: Mrs. W. P. Biggerstaff, Superintendent; Mrs. C. C. Padgett, Assistant Superintendent; Mrs. Glenn Bridges, Secretary and Treasurer; Mrs. Broadus Moore, Young People's Leader; Miss Viola Patrick, Assistant Young People's Leader; Mrs. Clyde McMahan, Stewardship Chairman; Mrs. M. D. Blanton, Personal Service Chairman; Mrs. J. D. Brown, Mission Study Chairman.

The Haynes Memorial W. M. S. was awarded the banner for the largest percent of increase in membership. An offering of $16.70 was taken

and given to Mr. Gartenhaus to help carry to Gospel to the Jews. The next annual meeting will be held with Race Path Baptist church the last of August. the date to be determined later.

There are thirty-one active W. M. S., a gain of six over last year, and forty-eight Young People's organizations with a membership of more than fifteen hundred members combined. The amount raised for all objects, $6,070.30. This includes Cooperative Program, State, Home and Foreign Missions, Training School, Heck Memorial Fund, and the Hundred Thousanud Club. S. reported organized personal service; 19 Mission Study classes reported in W. M. S.; 390 subscriptions to religious periodicals.

Through Mission Study and regular programs in our missionary magazines, the study of the Bible, we are seeking to learn how to better send the Gospel to all nations; thus fulfilling the Great Commission.

MRS. W. P. BIGGERSTAFF

REPORT OF B. T. U.

Rev. Olin Kendrick, President of B. T. U. gave the following report which was adopted:

REPORT ON TRAINING UNION WORK

The Annual Baptist Training Union Convention was held with the Concord Baptist church on Friday night and Saturday, Sept. 6-7, 1940. The B. T. U. theme for the year was used as the Convention keynote.

An interesting feature of the Friday night session was the inspirational address brought by Rev. W. R. Grigg, pastor of the Caroleen Baptist church. On Saturday morning each phase of the B. T. U. work was discussed by different speakers. Rev. E. W. Bailes brought an inspiring message on "New Ttestament Stewardship."

Following the bountiful picnic lunch served by the ladies of the Concord church, reports were heard from the different committees, officers were elected and efficiency banners were awarded. Rev. J. R. Cantrell of Boiling Springs College brought the closing message on Saturday afternoon. A large crowd attended each session of the Convention, representing many churches of the Association.

It was regretted that reports for the year's work were not received from more churches. However, the Convention was happy to award efficiency banners to the following: Junior to the Caroleen church; Intermediate to the Concord church; Senior to the Florence church, and B. A. U. to the Caroleen church. Each church is asked to send a report next year.

Two Associational Rallies were held during the year at the Alexander and Bethel churches. B. T. U. work in the Association was greatly stimulated through the efficient leadership of the officers elected for the year.

The following officers were elected to serve during the next Associational year: Pastor-Advisor, Rev. W. R. Grigg; Director, Mr. Olin Kendrick, Spindale; Associate Director, Mrs. John Smart, Mooresboro; Secretary-Treasurer, Miss Ruth Piercy, Avondale; Choirster, Mr. W. T. Huskey, Avondale; Pianist____. Department Leaders: Adult, Mr. T. T. Long, Forest City; Senior, Mr. Hatcher Melton, Caroleen; Intermediate, Mrs. C. C. Higgins, Caroleen; Junior, Miss Ruby Spratt, Mooresboro; Story Hour, Mrs. Jake Martin, Spindale. Group Directors: No. 1, Miss Mildred Beason, Cliffside; No. 2, Miss Blanche DeBrule, Henrietta; No. 3, Mr. Graham Brooks, Mooresboro; No. 4, Mr. Claude Harrill, Ellenboro; No. 5, Mr. Ray Panther, Forest City; No. 6, Mr. Bain Cooper, Spindale; No. 7, Rev. A. N. Henderson, Rutherfordton.

The Convention will meet with the Florence Baptist church on the fourth Friday night and Saturday in August, 1941.

Some interesting plans are being made for the B. T. U. work during the next Associational year. Each pastor, each church and each member of that church is urged to cooperate with the B. T. U. officers so that the training work in this Association may go forward in a great way. May we get the spirit of enlistment that is so prevalent in our country today and strive to enlist and train many more workers for the army of our Lord and Savior Jesus Christ.

REPORT OF THE SUNDAY SCHOOLS

The Sunday School work was brought before the Association by Rev. C. C. Prince, Pastor-Advisor. Since no associational meetings were held no written report was submitted. Brother Prince closed his message by recommending that the Association elect a well qualified person to have charge of the associational Sunday School work. This recommendation was passed on by the body.

COMMITTEE TO SECURE WORKER FOR ASSOCIATION AND BOILING SPRINGS COLLEGE

President J. R. Cantrell, Mr. W. L. Hicks, Mr. J. U. Rollins, Mr. B. L. Finger, and Rev. W. R. Grigg.

REPORT OF THE ORPHANAGE

The report on the Thomasville orphanage was submitted by Mr. J. A. McMillian. Since no report was submitted on the Alexander Orphanage the Moderator asked that something be written in the Minutes about this orphanage. All churches are urged to divide their funds fifty fifty with the Thomasville and the Alexder Orphanages. The Alexander Orphanage is at Union Mills.

ORPHANAGE REPORT

The children who compose the population of the Baptist Orphanage of North Carolina may be classified under three heads: full orphans, half orphans and victims of desertion and wrecked homes. These children are being cared for by three well recognized methods of child caring agencies: Mothers Aid, Boarding Homes and the Orphanage proper. In addition to these our case workers are rendering a fine service by helping children and parents make adjustments with their neighbors and relatives.

The demands upon the Orphanage authorities have never been greater. They receive upon an average 45 applications every month during the year. No matter how urgent the demands, however, the policy of the Orphanage leaders is not to make special appeals. Special appeals for other causes may come and special appeals may go, but this constant stream of human want must go on day after day and year after year until the purpose of Christ through His church has been fulfilled.

The past year was oneof the best in the history of the Orphanage, but imperative needs continue to increase. The care of the orphan child was intrusted to us by Christ himself. We cannot shun this Christian responsibility and claim to be practicing "pure religion." When appeals are made to Orphanage authorities they have nowhere to go, indeed, they do not wan

any place to go for financial support other than individuals, Sunday schools and churches. The plan is simple.

We suggest as a goal for the association for next year: a monthly contribution from each church or Sunday school, gifts of produce in season, a real Thanksgiving offering in November and a club of Charity and Children in each Sunday school. In order to reach this goal we recommend that an Orphanage representative be appointed by this body to contact every Sunday school and church in the association. "Inasmuch as ye have done it unto one of the least of these, ye have done it unto me."

At this time Rev. Frank Settlemyer was introduced to the Association as the representative of Religious Publications in the Sandy Run Association.

The first day session came to a close after vote of thanks was made for the gracious entertainment during the day at Bethel church. Assembly was dismissed by Brother Tarlton of Cliffside. After which a stanza of "Blessed Be The Tie" was sung.

EVENING SESSION

THE GOLDEN JUBILEE SERVICE

The meeting was called to order by Brother Biggerstaff, the Vice-Moderator. Song, "What A Friend." Prayer, Dr. M. A. Adams.

The Golden Jubilee Service from 7:00 P. M. until 8:00 P. M. was in charge of Rev. C. C. Crow, pastor of the Bethel church. Scripture was read from Lev. 25: 11-17; Joshua 4:4-11. Topic of the message, "A Memorial." It was pointed out that the Association was a Memorial to the men who first met and organized it, and not only to them, but to the cause for which they stood.

NAME GIVEN FOR THE ASSOCIATION

The name for the Association was given by Deacon Burwell B. Harris of the Sandy Run church. Several other names were suggested, but it was named for the oldest church in the Association.

HISTORICAL REPORT OF THE WORK OF THE SUNDAY SCHOOLS

The following report was presented by Mr. Floyd Harrill. Report adopted as presented.

HISTORICAL REPORT OF THE WORK OF THE B. T. U.

Report was given by Miss Mildred Beason and adopted.

HISTORICAL REPORT OF THE SUNDAY SCHOOL FOR 50 YEARS

God's own Son, Jesus Christ, the world's greatest teacher, placed the teaching of the Gospel next to the preaching of the Gospel. The churches maintain the Bible teaching agency, the Sunday School, in response to his command to: "Go ye into all the world and preach the Gospel to every creature. Teaching them to observe all things whatsoever I have commanded you."

First of all may we briefly refer to the origin of the Sunday School movement as we know it today. It was a happy day for the entire world when Robert Raikes conceived the idea of gathering the children on the Sabbath "to hear of heaven, and learn the way." He had little idea of the great things that would grow out of such a small beginning, but those who are faithful in a few things, God will make rulers over many things."

From this small beginning the work spread, till in Great Britain there were about one million children in Sabbath schools, in the course of a few years. And now, in the United States, and all over the world, millions of voices unite in singing: "I'm Glad I'm In This Army."

In 1893 in the Sand Run Association there were 116 officers and teachers, 959 scholars, with an average attendance of 171, and 815 quarterlies being used. The number of scholars increased to 1366 and an average attendance of 903 in 1894.

In 1895 the committee which reported on Sunday School and Colportage stated that "the object of the S. S. is synonymous with that of the church —to diffuse the knowledge of the word of God amid the people. From this it follows that the fruits of the church are largely gathered from the branches of the S. S. We are sorry to say that a large per cent of our Baptist people are indifferent to S. S. work, and that a number of our churches have not ever-green schools. We therefore recommend renewed efforts on the part of our people until every church has a live ever-green school."

In 1897 the church members did not attend S. S. in large numbers for there were 3983 members and 488, or about one-eighth attended S. S.

The State S. S. Board in 1899 appointed Bro. G. B. Pruett as S. S. Missionary for the Association. At the annual meeting in 1900 he reported having made helpful visits to about one-half of the Sunday Schools.

The committee in 1904 reported that all churches had Sunday Schools, except 4, with a little over half of the church members attending S. S. The committee listed some of the hinderances as follows: "That many of the old people seem to think it is altogether for the young people and do not attend; and a further hinderance being due to incompetent teachers and Superintendents. This work does not require the best educated men and women, but those who are filled with the love of God, and have the cause at heart." Mr. Pruett was re-elected S. S. Missionary.

There were 18 churches that reported evergreen schools in 1905. The S. S. Convention in the Association devoted each fifth Sunday to a consideration of S. S. topics, and the unification of the S. S. forces.

By 1909 it became evident that one man could not visit every school in the Association unless financial assistance could be given, so it was decided that Mr. Pruett continue as representative with sole power to select an assistant. In this same year three schools in the Association reported a larger enrollment than their church membership, namely: Cliffside, Caroleen, and Henrietta.

Branch schools began to appear in 1911. It was also disclosed that most members had come from the S. S. There were 6400 members and 4050 enrolled in S. S.

The Associataion in 1912 appointed G. B. Pruett, B. P. Green and J. R. Matheney as S. S. Missionaries to "work in the bounds of the Association during the next year; the duties of these brethren to be to visit the different churches in the interest of the S. S. cause and to create a more general interest among our people in theall-important work of Sunday Schools.

The S. S. Committee in 1913 recommended that "this Association needs a good, live S. S. man, who has the work upon his heart, to do active work among the church members who do not attend the school, as well as among those who are not members of our churches. It was also suggested that a religious census be taken, followed by grading of the schools.

As early as 1914 the churches began building new houses of worship classrooms, and many other modern improvements for S. S. work. Others

were adding to and providing rooms in their houses already built. Many workers became interested in taking the Normal Course which was now being offered.

There were 7 Standard schools in 1925, namely: Alexander, Cliffside, Caroleen, Camp's Creek, Floyd's Creek, High Shoals and Holly Springs, and 386 Teachers Training Diplomas had been awarded. In 1926 there were 14 Standard schools, and 389 out of 600 had participated in the Teacher Training Course. It was the first year that all the Sunday Schools remained open during the whole year.

By 1926, 92 S. S. rooms had been built, including the magnificent Alexander Memorial Building at Forest City, which was built at a cost of $65,000, and which is modern in every respect. Spindale and Haynes Memorial churches also added rooms to their buildings. Twenty-five class rooms were curtained in other churches of the Association, and 15 schools were graded during the year. Twelve Cradle Roll and 12 Home Departments were also organized and there were 10 Standard schools.

After having served for two years as field worker Bro. W. C. Lynch retired in 1928, and the office of paid field worker was discontinued.

In 1929 Mr. G. C. Harrill was elected President of the Associational Sunday School Convention. Twelve meetings were held during the year, one per month, at which the attendance exceeded 5,000. Mr. Harrill was succeeded by Prof. A. C. Lovelace. He was ably assisted in this work by Mrs. Lovelace who had been appointed as Secretary. During the tenure of Prof. Lovelace the Association had reached what was at that time "the greatest achievement of any Baptist body in S. S. work in the history of the world." This was the S. S. Revival which was participated in by each of the 52 churches at the same time. The revival had enrolled in classes 6000 people, 751 new officers and teachers were added, and resulted in an increase in attendance of approximately 2500.

A similar revival was held in 1934 which accomplished much good.

In 1935 there were 56 churches with 13,900 members, with a S. S. in each church. The total enrollment was 12,500 pupils and 1100 teachers and officers.

Mr. A. M. McKinney served as President from 1936 to 1939. Rev. W. K. Wyatt was elected in 1939.

Today there are 54 churches having a membership of 13,872 with a S. S. enrollment of 11,307.

Thus much growth has been manifested in S. S. work during the last half century, for which we are all thankful. God alone can tell, eternity alone can unfold, what great things may yet be accomplished by this wonderful institution.

HISTORICAL REPORT OF THE W. M. S.

This report was presented by Mrs. C. C. Padgett and adopted.

HISTORICAL REPORT OF W. M. U.

The Sandy Run Association was formed in 1890 and just five years later we find that there was one Missionary Society in the association for Mrs. A. H. McDaniel, who passed away just last year, was able to recall attending a meeting at the home of Mrs. G. P. Hamrick at Henrietta in 1895. Mrs. J. O. Bell of Henrietta, who was Miss Lily Durham of Charlotte, was largely instrumental in organizing the society and was among the first to give to missions.

Not until 1897 was any report made from Sandy Run and that was when the W. M. U. meeting was held in the Presbyterian church at Oxford. This society was Henrietta, reporting $14.10.

The next year Caroleen reported and the following year these two societies and a Sunbeam Band reported.

There was no associational organization until 1903 and the following is a report of the organization as written by Mrs. T. G. Hamrick who was present:

The Sandy Run Association met with Caroleen Baptist church in 1903. It was at this time that the women's work of the association was officially recognized.

Some of the women of the association decided that we must organize. At that time superintendents of associational work were not elected as they are now. Mrs. T. G. Hamrick had been appointed to serve as superintendent of the Woman's Missionary work by the Baptist State Convention which met in Raleigh It was with fear and trembling that we undertook the work.

It was in the Methodist church at Caroleen October 10, 1903, that this organization took place. We were honored by the presence of three persons who then were representing the three departments of our mission work. They were Rev. Livingston Johnston, State Mission Board; Mrs. Wade Bostic, Foreign Mission Board; and Miss Emma Dowell, Home Mission Board.

That first meeting was a deeply spiritual one. Mrs. Bostic prayed most earnestly for thesuccess of the work and her prayer was said by many to have been a beautiful one. Miss Dowell who was City Missionary in Rock Hill for nearly 20 years, also led in prayer and talked to the women earnestly about going home and organizing societies in their churches.

After we organized Rev. Livingston Johnston who had just arrived, came in and talked on Woman's Missionary work and inspired all of us to work more earnestly in our societies.

At that time there were only three societies in the Association—Henrietta, Caroleen, and Forest City. The membership of the societies was 45 and the contributions were $42.50. One society at the time of organization gave $2.10, the same society seven years later gave $200. The growth of the work in Sandy Run Association has been marvelous.

That is the story of the beginning of the work as given by an eyewitness.

Mrs. Hamrick was our pioneer in Sandy Run. She and her workers had bitter opposition at times. She tells of a meeting being held at Caroleen when men got off from work and came to see and hear. That was the day when women like children were to be seen and not heard in church affairs.

Once when Mrs. Hamrick went to a church to organize a society the men stood around protesting among themselves and no one seemed interested until the pastor said, "We'll organize and have three members—my wife, baby and I." They organized.

Mrs. Hamrick took the first copy of Royal Service which was then called Our Mission Fields. She nearly wore out her copies of the magazine trying to get subscriptions.

People were opposed to Foreign Missions and, unbelievable but true, we still have people who call themselves Baptists who are opposed to Foreign Missions.

In spite of hardships, oppositions, lack of interest and all other difficulties that hindered progress these early organizations went forward. In 1908, five years after organization, when the annual meeting was held at High Point, Sandy Run was the banner association in that every organization, even to the Sunbeams. reported.

In 1909 when Kings Mountain and Sandy Run Associations met jointly at Boiling Springs, Mr. George L, English. a Northern Baptist made a request that the women be permitted to give their own report to the Association if they so desired.

Mrs. Hamrick served until August 1911 when having moved to Shelby she gave up the work.

Mrs. A. G. McDaniel was elected and served until 1915. The women had been meeting with the regular association until 1912 they had their first separate meeting at the old Baptist church of Forest City. Mrs. McDaniel says they didn't have so much program at their first meeting with the exception of a talk by Dr. Stringfield, but they decided to meet separately all the time. All of you who have attended an annual associational meeting of W. M. U. within the last few years and have heard the splendid programs given can appreciate the progress made along that line.

Mrs. McDaniel also tells us that even in those early years of organization they made their quota in number of new societies and financial report every year.

After Mrs. McDaniel, Miss Mary Washburn served as superintendent for a year and Mrs. J. G. Graham for a year and then in 1919 Mrs. J. R. Moore was elected superintendent. Her service of five years was really a climax to all that had gone before—for during the seventy-five million campaign more interest was shown and more money given than all the years before or since.

Superintendents who succeeded Mrs. Moore are: Mrs. T. C. Lovelace, Miss Bertha Moore, Mrs. W. W. Nanney, Mrs. R. C. Smith, Mrs. G. G. O'Neil, Mrs. C. T. Plyborn, Mrs. J. A. Hunnicutt, and our present superintendent, Mrs. W. P. Biggerstaff.

Personal Service work was first reported in 1919.

Our women realized more and more the importance of the young people's work and the first Junior Supt., Mrs. B. M. Melton, was elected in 1919. Christ tells us that "a little child shall lead them" and truly these Junior organizations have been leading on to greater and more glorious accomplishments.

The work has grown, sometimes slowly, but steadily. At present we have 78 organizations of which 31 are Women's Missionary Unions; 15 Y. W. A.'s; 14 G. A.'s; ' R. A.'s; and 13 Sunbeams. A total membership of approximately 1500. In Sandy Run's 54 churches are 135 W. M. U. tithers. Our gifts since 1897—for 43 years—have been approximately $60,500.

All of our societies report some form of organized personal service. The Sandy Run W. M. U. made 8 points in Standard of Excellence last year.

Our aim in gifts this year is $2,122.26. Our first quota, which was in 1905, 35 years ago, was $100.

As they have seen the progress, the worth of our work not only in enlightening our churches, but in helping to support every phase of the work, our men, our pastors have become increasingly interested. We deeply appreciate their cooperation, their help, and their interest. Our work is bringing sunshine to many lives as well as to our own—an arm beginning at Jerusalem and reaching to Judea, and Samaria, and to the uttermost parts of the earth.

HISTORICAL BAPTIST TRAINING UNION REPORT

During the past 20 years, we have seen the rise and rapid growth of the Baptist Young People's Union in North Carolina. But its marvelous development and glorious achievements have not come by accident, nor indeed without long and persevering struggle on the part of a comparatively few of our Baptist leaders and of the young people themselves. Our history up to 1910 shows only infrequent and sporadic attempts to do anything in the way of definite training activity. In 1890, in connection with the Baptist anniversaries in Chicago, the Baptist Young People's Union of America was organized, taking in the United States and Canada. Following this, many of the states organized B. Y. P. U. Conventions. The first definite move in

our state toward young people's work was a resolution passed by the Baptist State Convention in 1899 or 1900 to organize the B. Y. P. U. and affiliate with the movement in America. The movement was launched under the leadership of Dr. Calvin S. Wiley and Mr. J. W. Bailey. The attitude of the Baptist State Convention toward this organization seems to have been one ofthe passive permission. We hear no word either of opposition or commendation from the convention floors of those days. The growth of this old type of B. Y. P. U. was very slow and the movement was never wide spread, nor of great strength numerically.

The modern B. Y. P. U. movement of North Carolina began in thesummer of 1909 at Blue Mont, now Ridgecrest, when, under a spreading chestnut tree, a group of North Carolina young people led by Dr. B. W. Spillman reorganized the State B. Y. P. U. with J. Powell Tucker as president. The real organization of the state work began in Durham, where the first B. Y. P. U. Convention was held, June 21-23, 1909. At this meeting only 10 unions were represented, with a total attendance of about 110 people. The second State Convention met in Statesville. There were about 100 delegates in attendance representing about 30 unions. It was a day of small beginnings in B. Y. P. U. twenty-five years ago, but some of our best leaders of today testify that in those two B. Y. P. U. Conventions they saw visions and dreamed dreams that turned their whole lives about for Christ. We have had a line of state leaders of which any state might justly be proud. They have wrought well for our young people. Under their aggressive and consecrated leadership we have gone from 10 unions in 1910, with a total membership of about 300, to 2,641 unions in 1935, having an approximate membership of about 60,700. There are 189 Adult Unions, 1,021 Senior, 705 Intermediate, 726 Junior Unions, with 471 Baptist Training Unions, and 61 Associational Training Unions.

The need for training was realized in our own Association in 1898 when Mr. J. E. Herring, committee on B. Y. P. U. work reported that "This organization was born of necessity. The Young people were drifting away from church and Sunday school. They could not hold them with methods then in hand." Its purpose was to teach and train in Christian service, its motto being, "We study that we may serve." The report was adopted, but we have no record of anything being done about it until 1919, when it was again discussed at the Association by N. S. Watson and J. G. Graham. At this meeting Mr. B. E. Roach was elected organizer for the Association. In 1920 Mr. Roach reported only three new unions organized during the year due to lack of time to devote to the work. He pointed out the fact that the B. Y. P. U. had proven a blessing in every church in which it existed, and urged them to train their future leaders to be able to take their places in the church. We know no other organization which offers more opportunities for developing young Christians into earnest, efficient and consecrated laborers in the Master's Kingdom, than the Baptist Young People's Union. Mr. Roach and Mr. T. M. Melton suggested that the Association should have at least one organizer who could devote some time to the work. The need was urgent then as it is today, and they stressed the fact that an effort be made to organize a B. Y. P. U. in every church in the Sandy Run Association.

In 1921 the churches were slowly realizing the importance of the B. Y. P. U. and a little progress was reported. It was decided then that the Association be divided into groups, with someone responsible for each group, so that more churches might be reached, and more people trained. In 1925 a remarkable gain in memmership was reported. At that time there were 39 unions. A large per cent of these had taken a study course during the year, with 702 awards granted. The first Associational B. Y. P. U. union was organized in Forest City, on June 3, 1927. The organization was completed on July 9, 1927 at Caroleen. Mr. E. H. Freeman was elected president. At this time there was a great increase shown in the work, 57 unions were reported. In 1931 Sandy Run Association led the State in the number of new

organizations. By that time we had an Associational Officer for every Department of B. Y. P. U. work, who were putting forth every effort to make the work a success. During the years that followed more progress was made, as the officers that were elected each yeara continued to work and to pray. In 1935 we adopted the name "Baptain Training Union" as the name of that department of church work which includes all B. Y. P. U.'s and B. A. U.'s. The training program in the church is now called the Baptist Training Union. We now have 22 Adult Unions with 339 members enrolled, 24 Senior Unions with 464 enrolled, 21 Intermediate Unions with 473 enrolled, 22 Junior Unions with 476 enrolled, making a total enrollment of 1,672; 10 Story Hour Unions with 96 enrolled. Last year we had 13,793 church members reported—only 1,672 of those were enrolled in the Training Union work. Where are the other 12,121 church members? Will you not join the small army of soldiers for Christ and help us to enlist these others that they too might train themselves for definite service for the Master? May God richly bless you as you go forward in this great work, following the perfect example of Christ, growing in grace and knowledge and in favor with God.

HISTORICAL REPORT OF BOILING SPRINGS COLLEGE

In the absence of Mr. T. T. Long this report was made by Mr. Claude Harrill. Report adopted.

HISTORICAL REPORT OF BOILING SPRINGS COLLEGE

Thousands of alumni in several states are watching with interest the growth of Boiling Springs Junior College, which began as an academy in 1905 with only a few students, and passed through its high school stages to become the only junior college in this part of the piedmont belt.

Before the beginning of the century when the state had not provided schools for the public, Baptist leaders in the Kings Mountain and Sandy Run Associations saw the need for an educated ministry and the laity of the growing communities.

There was some agitation for the founding of such a school, so in the year 1904 when the Kings Mountain Association met at Zoaf the body resolved to build a school, and took steps for its charter. The Sandy Run Association agreed to cooperate and the charter was granted on December 2. 1905, for the school which was to become one of the first high schools in the county besides Shelby.

As consolidated high school were quickly built in Cleveland's cotton fields in the last two decades Baptist leaders saw the need for moving higher, and on April 30, 1928 the high school became a junior college after a campaign was put on to raise funds.

On September 10, the school opened its 13th session as a college, and pre-registration indicates one of the largest year's work since the beginning.

Fires and the depression have hampered the work of the college during the past 12 years, but now support has been offered from the two original associations and from the Green River and South Mountain Associations.

At present under the direction of Rev. J. R. Cantrell, a former student, and now president, the college is in a building program. The Administration building, the memorial built to heroes of the late world war, is being rebuilt at a cost of some $25,000, the gymnasium and boys' and girls' dormitories have been renovated, and the grounds have been landscaped.

Some of the best known Baptist ministers of the denomination and other leading layworkers of North and South Carolina have been educated at

the college, and students from Boiling Springs who go on to higher institutions have always made higher than average marks.

The first president of the college was Dr. Zeno Wall, pastor of the First Baptist Church of Shelby, and he was successively followed by the Rev. J. L. Jenkins, pastor of the Boiling Springs church, then professor A. C. Lovelace became president, and he was followed by Dr. George J. Burnett. Mr. Cantrell, who is doing such a splendid work as president, followed Mr. Burnett.

The building of Boiling Springs in the early years centered around the late Professor J. D. Huggins, widely known as one of the most loved Christian layman in this section and a culturel school man. He was assisted by the late Miss Etta Curtis who was dean of women for many years, and died about a year ago at an advanced age.

President Cantrell said that one of the greatest needs of the school today is for an enlarged endowment fund. The four associations provide approximately $10,000 annually for the support of current expenses of the school, but there is need for an enlarged building program and for more equipment.

Boiling Springs gives all the courses required in standard junior colleges and, in addition, gives a wide varaiety of instructions in music and cultural subjects, and for persons who wish to specialize in teacher training or vocational lines. A well balanced program of athletics and extracurricular activities is offered by the school.

INSPIRATIONAL ADDRESS

Dr. E. Gibson Davis, pastor of the First Baptist Church in Spartanburg, brought a splendid message on "Going After The Lost." His Scripture was taken from Luke 15:4-7. The evening session came to a close as Brother Biggerstaff offered the closing prayer at 9:15.

PROCEEDINGS SECOND DAY, THURSDAY MORNING, OCT. 10, 1940, TRINITY BAPTIST CHURCH

The Second Day Session was called to order by the Moderator at 9:30, October 10, at the Trinity Baptist church. Sond led by Mr. Carl Jordan, "All Hail The Power." Devotion by Rev. Frank Settlemyer. Scripture Psalms 116.

REPORT ON RELIGIOUS LITERATURE

The report on Religious Literature was given by Rev. W. W. Rimmer. After discussion the report was adopted.

REPORT ON RELIGIOUS LITERATURE

The word of the Lord should be first in the list of religious literature. Then there are many good books, missionary magazines, the Biblical Recorder, our State denominational paper, published in Raleigh, and Charity and Children, which is published by our Orphanage, at Thomasville, which have the truth and much information that is very necessary for us to have, so that we may be better prepared to do our work as Christians.

We therefore recommend that we study the Bible to know the will of God, and take and read our denominational papers to inform ourselves as Baptists should in regard to our work at home and abroad.

W. W. RIMMER

REPORT OF THE BAPTIST HOSPITAL

Rev. J. A. McKaughan submitted the report and discussed the work of the Baptist Hospital. Rev. J. W. Suttles, Moderator of the Kings Mountain Association was recognized.

REPORT ON HOSPITALS

In making up the contents of this paper, I wish to express my thanks to Mr. Hagaman, Superintendent, and to Miss Hall, Secretary of the North Carolina Baptist Hospital, and to Brother M. A. Huggins for their information and phamphlets from which I have been able to set out this report.

This great institution was incorporated in 1902, and received its first patient May 28, 1923. Established as it was to provide treatment and hospital care for all in the state who are not able to pay, Baptist and non-Baptist alike, thereby exemplifying the teachings of our Savior.

This hospital staff is composed of seventy-six medical and surgical doctors among whom will be found a specialist for every particular case in the hospital at any minute day or night. These doctors are capable and efficient in their work and are untiring in their efforts to relieve suffering humanity, without money and without price. Here too, we find ninety-one nurses, besides a corps of special graduate nurses at the beck and call of all patients. All these: superintendent, doctors, nurses and the office force compose one big family, working for one noble purpose—the comofrt and cure of the sick.

Since its establishment 17 years ago, forty-seven thousand patients have been treated, nineteen thousand of whom, were too poor to pay; fourteen thousand were mother returned home benefited or cured to forty-two thousand children. Eleven hundred and seventy-five ministers have been treated; these were allowed special rates.

In seventeen years its free services, if paid for, would have amounted to one million, nine hundred thousand dollars. In the year 1939, four thousand and ninety-nine patients were treated from all parats of North Carolina. The hospital had an average of one hundred and nine patients per day; free service totaled $197,177.00.

In one of its year of service alone 561 babies including twins were born to 552 mothers without the loss of a single mother. This, I consider, a marvel. Last year one thousand patients in the immediate vicinity who could have paid their way at the hospital were turned away, this meant a loss of $70,000.00.

I fear our demand for service at our Baptist Hospital from each of our churches over the State some times over-rides and out-runs our sacrificial spirits in oursolves. For instance, one county 100 miles away sent charity cases to the hospital amounting to $8,244.00, and then in turn sent its annual offering which amounted to $174.00. Would you say that was either appreciative or sacrificial giving?

I cannot pass without this mention of the enlarged program which has been outlined for this institution and the efforts of its operatives to increase the capacity of the hospital buildings and equipment through the Bowman Gray Estate of Winston-Salem. The Medical School of Wake Forest College is to be located here and the equipment and hospital facilities will be the equal of anything in our land, and a full four year medical course for our Baptist boys and girls who desire to study and pursue the course of medicine.

I ask you as the delegation from the various churches of this association to remember that the day set aside in the year to present our offering for our hospital is "Mothers Day," and I implore you next Mothers Day to take and encourage as large an offering as is possible in your immediate church. Remembering that the gift from your church goes directly to pay for hospital treatment for those who cannot pay unless the church specifies its being used for something else.

RECOMMENDATION FOR ASSOCIATIONAL HELPER

We, your committee, to consider the possibility and advisability of employing an Associational Helper, seeing the dire need for such a person to work with all our churches to aid in promoting all the work of the churches and Boiling Springs College in the association, make the following recommendations:

1. That the churches be grouped into five groups with the following men as leaders to contact these churches: Rev. W. G. Camp, Rev. C. C. Crow, Rev. Broughton Strickland, Rev. W. R. Grigg, Rev. J. A. Brock.
2. That the purpose of such contacts shall be to inform the churches of the purpose of such a helper in the association and to invite them to cooperate in this effort by prayer, and a definite amount of money each month.
3. That we do not secure such a helper until his salary is underwritten by the churches.
4. That when and if such a helper is secured that each church send their contributions each month to the treasurer of our association.
5. That if any church does not make a definite contribution that when the helper assists them in work they shall have the privilege of making a free will offering for such work.

W. R. GRIGG, (For the Committee)

TEMPERANCE ADDRESS

The work of the dry forces was represented by Dr. M. A. Adams. An offering of $14.49 was given for this cause. Dr. Adams brought out the fact that for every church there are two saloons and for every school there are three saloons.

REPORT ON TEMPERANCE

It is admitted by all, even those who drink, that liquor does not serve any good purpose as a beverage. It breeds destruction and woe wherever it is used, and leads to social degeneracy, moral degradation and is the most prolific source in public life. Therefore, we make the following suggestion for our people:

1. That all people refrain from the use of liquor as a beverage at all times everywhere.
2. That we urge the voters not to cast their ballots for any man or measure that stands for the manufacture or sale of any alcoholic beverage or liquors at any time.
3. That we most earnestly request all of the voters to urge their Representatives in both houses, to enact a law, giving all voters their Constitutional privileges and right to vote on the manufacture and sale of any liquor or beverage containing any alcoholic content.

RESOLUTION OF THANKS

Be it Resolved: That we, the delegates and visitors attending this session of the Sandy Run Association, express by a note of thanks, our sincere appreciation to the Bethel church and pastor and to the Trinity church and pastor for the bountiful meals provided and for the splendid hospitality extended to us while in attendance at this association.

W. G. CAMP
C. W. WALKER
E. W. BAILES

Be it resolved by the Sandy Run Baptist Association now inits Fiftieth Annual Session Oct. 9, 1940, THAT:

In order that the ideals and the traditions of our college might not be lost or lowered and since the interest of our people has been enlisted, may it be highly resolved by oneand all of us to go back to our churches to promote a program that will make possible a college measuring up in every respect to the regulations laid down by the association of colleges in North

Carolina; and to instruct our trustees to see to it that the new volumes that are necessary be placed in the library year after year; and that the necessary equipment in the laboratories be supplied; and that if at any time in the future it becomes necessary that a new teacher be placed at the head of a department that such a teacher hold such a degree as might be required by the standardization committee. And we further recommend that as far as practical Baptist be given preference in empliyment of teachers.

CHAPLAINCY RESOLUTION

In view of the present emergency that the Democracies of the Earth are now facing, and further in view of the fact that our Baptist denomination is a religious democracy, and further in view of the fact that the Sandy Run Association has a large number of fine young ministers well qualified both in spirit and body to serve in camp and on battlefield if need so demands; be it therefore resolved:

1. That many of these brethren so qualified and possessed of a disposition to serve young men serving as soldiers in the army of the United States that they apply for a chaplaincy in the Reserve Corps of the United States Army for at least the duration of this present emergency.

2. That the churches now depending upon their leadership be urged to graciously grant them one year's leave of absence—retaining their pastor and depend upon suppliers from unemployed ministers and consecrated laymen as leaders in their worship.

2. And that this be done with prayer and a spirit of sacrifice that our cause may win and that our young men's spiritual welfare may be considered duly, and last that our problems may be fewer when the smoke of battle has cleared way.
